To protect you, we've required your franchisor to give you this information. We haven't checked it, and don't know if it's correct. It should help you make up your mind. Study it carefully. Take your time to decide. If possible, show your contract and this information to an advisor, like a lawyer or an accountant. If you find anything you think may be wrong or anything important that's been left out, you should let us know about it. It may be against the law.

There may also be laws on franchising in your state. Ask your state agencies about them.

Quizno's Franchising II LLC ("we" or "us") is offering franchises to operate a restaurant offering submarine sandwiches, salads, soups, and soft drinks under the service mark "QUIZNOS" and "QUIZNOS SUB." The initial fee for a traditional QUIZNOS Restaurant can range from \$112,943 to \$131,143, including an initial franchise fee of \$25,000. The estimated initial investment required for your traditional QUIZNOS Restaurant ranges from \$203,640 to \$279,500. (See Footnote 9, Item 7) This sum does not include rent for the Franchised Location.

The initial fee for a non-traditional QUIZNOS Restaurant can range from \$67,943 to \$91,393, including an initial franchise fee of \$10,000. The estimated initial investment required for your non-traditional Quiznos Restaurant ranges from \$85,540 to \$350,050. This sum does not include rent for the Franchised Location.

Risk Factors:

1. THE FRANCHISE AGREEMENT PERMITS YOU TO SUE US ONLY IN COLORADO. ALSO, ANY LEGAL ACTION THAT WE BRING AGAINST YOU WILL BE FILED ONLY IN COLORADO. OUT OF STATE LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT ALSO MAY COST YOU MORE TO SUE US IN COLORADO THAN IN YOUR HOME STATE.
2. THE FRANCHISE AGREEMENT STATES THAT COLORADO LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.
3. SOME STATE FRANCHISE LAWS PROVIDE THAT CONSENT TO JURISDICTION AND CHOICE OF LAW PROVISIONS ARE VOID OR SUPERSEDED. YOU MIGHT WANT TO INVESTIGATE WHETHER YOU ARE PROTECTED BY A STATE FRANCHISE LAW. YOU SHOULD REVIEW ANY ADDENDA OR RIDERS ATTACHED TO THIS OFFERING CIRCULAR FOR DISCLOSURES REGARDING STATE FRANCHISE LAWS.
4. AS OF DECEMBER 31, 2005, 2940 QUIZNOS FRANCHISEES HAD NOT OPENED THEIR RESTAURANTS WITHIN 12 MONTHS OF SIGNING THE FRANCHISE AGREEMENT. THIS NUMBER REPRESENTS APPROXIMATELY 66.7% OF ALL FRANCHISEES WHO HAD NOT OPENED A RESTAURANT AS OF THAT DATE.

5. WE MAY TERMINATE YOUR FRANCHISE AGREEMENT IF YOU DO NOT OPEN YOUR RESTAURANT WITHIN 12 MONTHS AFTER YOU SIGN THE FRANCHISE AGREEMENT. THE FRANCHISE FEE IS NONREFUNDABLE.
6. THE FRANCHISE AGREEMENT PERMITS US AND OUR AFFILIATES TO ESTABLISH OTHER FRANCHISED OR COMPANY-OWNED LOCATIONS AT ANY LOCATION OTHER THAN YOUR FRANCHISED LOCATION, TO SELL OR DISTRIBUTE ANY PRODUCT OR SERVICE TO THE GENERAL PUBLIC, OR TO ESTABLISH OTHER CHANNELS OF DISTRIBUTION WHICH MAY COMPETE WITH YOUR FRANCHISE.
7. WE WILL REQUIRE YOUR SPOUSE (OR, IF YOU ARE AN ENTITY, THE SPOUSE OF EACH OF YOUR OWNERS) TO SIGN A GUARANTY AND ASSUMPTION OF FRANCHISEE'S OBLIGATIONS CAUSING YOUR SPOUSE (OR THE SPOUSE OF EACH OF YOUR OWNERS) TO BECOME INDIVIDUALLY LIABLE FOR ALL OBLIGATIONS OF THE FRANCHISE AND BOUND BY THE RESTRICTIVE COVENANTS, CONFIDENTIALITY PROVISIONS, AND INDEMNIFICATION PROVISIONS OF THE FRANCHISE AGREEMENT, EVEN IF YOUR SPOUSE IS (OR YOUR OWNERS' SPOUSES ARE) NOT INVOLVED IN THE OPERATION OF THE FRANCHISE BUSINESS. THIS REQUIREMENT PLACES THE PERSONAL ASSETS OF OWNERS AND SPOUSES AT RISK.
8. IF THE FRANCHISE AGREEMENT IS TERMINATED BECAUSE OF YOUR DEFAULT, YOU WILL BE LIABLE TO US FOR A LUMP SUM AMOUNT EQUAL TO THE NET PRESENT VALUE OF THE ROYALTIES, MARKETING AND PROMOTION FEES, LOCAL ADVERTISING FEES, AND REGIONAL ADVERTISING FEES THAT WOULD HAVE BECOME DUE FOLLOWING TERMINATION OF THE FRANCHISE AGREEMENT FOR THE PERIOD THE FRANCHISE AGREEMENT WOULD HAVE REMAINED IN EFFECT BUT FOR YOUR DEFAULT. ROYALTIES AND MARKETING AND PROMOTION FEES WILL BE CALCULATED BASED ON YOUR RESTAURANT'S AVERAGE MONTHLY GROSS SALES FOR THE 12 MONTHS PRECEDING THE TERMINATION DATE.
9. IT MAY TAKE 8 TO 18 MONTHS TO FIND AN ACCEPTABLE SITE AND/OR OBTAIN AN ACCEPTABLE LEASE.
10. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

**THE FOLLOWING APPLIES ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

Michigan

1

(i) The failure of the proposed franchisee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee or subfranchisor until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1

THE FRANCHISOR, ITS PREDECESSORS AND AFFILIATES

The Franchisor. The franchisor is Quizno's Franchising II LLC (referred to as "we" or "us" in this Offering Circular). We refer to the person or entity who buys the franchise as "you" throughout this Offering Circular. If you are a corporation, partnership, limited liability company, or other entity, certain terms of the Franchise Agreement also apply to your owners (noted where applicable).

We were formed as a limited purpose Delaware limited liability company on October 28, 2004 (although we did not commence operations until early February 2005). Our principal business address, and that of all but 3 of our affiliated and predecessor companies, is 1475 Lawrence Street, Suite 400, Denver, Colorado 80202. The principal business address for our affiliates SOD, KSS and Ba-Bing! (defined below) is 540 Gallatin Place N.W., Albuquerque, New Mexico 87121. We were formed to be the franchisor of all new QUIZNOS franchises offered and granted beginning February 5, 2005. We do business under our limited liability company name and the "QUIZNOS" and "QUIZNOS SUB" trademarks (together "QUIZNOS"). We disclose our agents for service of process in Exhibit A.

Our Predecessors and Affiliates and the Securitization Financing Transaction. The Quizno's Corporation ("TQC"), a Colorado corporation, was the franchisor of the QUIZNOS franchise system from 1991 until October 2000. TQC was a publicly-traded company from February 1994 until December 2001, trading on the Nasdaq SmallCap Market. In October 2000, The Quizno's Franchise Company ("TQFC"), a Colorado corporation, was formed as TQC's wholly-owned subsidiary to be the franchisor of the QUIZNOS franchise system on a going-forward basis. TQC assigned all of its existing Franchise Agreements to TQFC in 2001. (TQFC changed from a corporation to a limited liability company in May 2002, at which time it also changed its name from "The Quizno's Franchise Company" to the "The Quizno's Franchise Company LLC." TQFC remained the same entity despite its change in form. (TQFC was converted to a Delaware limited liability company in December 2005.)

As a result of an internal corporate restructuring process completed in July 2002, Quizno's Franchising LLC ("QF") an affiliate of both TQC and TQFC, was formed to be the franchisor of all QUIZNOS franchises granted beginning in July 2002. TQFC remained the franchisor of all QUIZNOS franchises granted before July 2002. As part of this restructuring process, TQC assigned all of its remaining assets and liabilities to The Quizno's Master LLC ("TQM"), formed in May 2002 and currently a Delaware limited liability company. TQM licensed the "QUIZNOS" trademarks, copyrights, confidential information, and other intellectual property ("QUIZNOS IP") to QF and TQFC for use in the QUIZNOS franchise program. TQFC and QF therefore collectively were the franchisors of the QUIZNOS franchise system from December 2000 until early February 2005.

In early February 2005, as part of a securitization financing transaction involving the QUIZNOS system (the "**Securitization**"), numerous steps occurred simultaneously that resulted in another corporate restructuring among affiliated companies in the QUIZNOS organization. As a result of that transaction, the QUIZNOS IP was transferred (in November 2004) to a newly

formed limited purpose Delaware limited liability company called QIP Holder LLC (“**QIP**”), and the then-existing United States and Puerto Rico Franchise Agreements and Area Director Marketing Agreements were transferred (in November 2004) to a newly formed limited purpose Delaware limited liability company called QFA Royalties LLC (“**QFA**”) which is a wholly owned subsidiary of QIP. We were formed as the new wholly-owned subsidiary of QFA to grant new QUIZNOS franchises and area director rights beginning in February 2005.

QIP has licensed the QUIZNOS IP to QFA for a 99-year term to use in, among other things, exercising its rights as the franchisor under all existing QUIZNOS Franchise Agreements and all Area Director Marketing Agreements in the United States and Puerto Rico granted before we started offering franchises. In turn, QFA has sublicensed the QUIZNOS IP to us for a 99-year term to use in, among other things, exercising our rights as the franchisor of all QUIZNOS Franchise Agreements in the United States and Puerto Rico granted beginning in February 2005. (See Items 13 and 14 for more details)

Under certain Servicing Agreements (signed as part of the Securitization) between us and QFA, and between QFA and TQSC LLC (“**TQSC**”), an affiliated Delaware limited liability company (originally formed in June 2002), TQSC will, on our behalf and at our direction, perform our obligations under the QUIZNOS Franchise Agreements we issue for QUIZNOS Restaurants located in the United States and Puerto Rico, including managing the QUIZNOS system operating under our authority; marketing and offering new and successor Franchise Agreements; assisting our QUIZNOS franchisees operating in the United States and Puerto Rico; implementing our quality assurance programs; and otherwise fulfilling our duties under QUIZNOS Franchise Agreements. TQSC will perform similar functions for QFA and its franchisees. TQSC also will act as our franchise sales agent. (In that capacity, TQSC’s agents for service of process are the same as ours disclosed in Exhibit A.) We will pay weekly franchise servicing fees for these services. If TQSC fails to perform its obligations under its Servicing Agreement, then TQSC may be replaced as the franchise servicer. However, as the franchisor, we always are responsible and accountable to you to make sure that all services we promise to perform under our Franchise Agreement with you are performed in compliance with the Franchise Agreement, regardless of who performs those services on our behalf.

Besides our parent companies and affiliated predecessors described above, other affiliates (all of which are currently Delaware limited liability companies unless otherwise noted) include The Quizno’s Operating Company LLC (“**TQOC**”), formed in 1994, to own and operate company-owned Restaurants; The Quizno’s Realty Company LLC (“**TQRC**”), formed in 1995, is a party to a limited number of leases for QUIZNOS Restaurants; The Quizno’s Acquisition Company LLC (“**TQAC**”), formed in 1997 to acquire or merge with other businesses; American Food Distributors LLC (“**AFD**”), formed in 2000 to, among other things, wholesale “QUIZNOS” branded and non-branded products to unaffiliated distributors who then sell these products to Franchisees; Continental Lending Group LLC (“**CLG**”), formed in March 2002, has entered into a contract with Muzak® LLC for provision of music to Franchisees; Source One Distribution LLC (formerly known as National Restaurant Supply Distribution LLC) (“**SOD**”), formed in July 2002, to sell restaurant equipment and building materials and architectural services to Franchisees; Ba-Bing! LLC (formerly known as SourceOne Systems LLC) (“**Ba-Bing!**”), formed in April 2004, to sell third-party point-of-sale and credit card processing systems to Franchisees; Kinetic Sourcing Solutions LLC (formerly known as U.S. Fulfillment

LLC) (“**KSS**”), formed in June 2003, sells uniforms, supplies, printing, and other services to Franchisees; and QFH LLC (“**QFH**”), formed in September 2004, provides fountain equipment for carbonated beverages and bubbler equipment to Franchisees; The Millwork Company LLC, formed in October 2005, fabricates and sells to Franchisees certain millworks used in the construction and fit-out of QUIZNOS Restaurants; QCE Gift Card LLC, formed in Arizona in August 2006 to provide stored value card services to Franchisees; 123 Fit Franchising, LLC, formed in Colorado in February 2005, offers and sells franchises for fitness clubs under the name “123 Fit”; Quiz-Can LLC (formerly known as Quiz-Can Ltd.) (“**Quiz-Can**”), an affiliate owned by TQM formed in May 2002, owns 100% of Quizno’s Canada Restaurant Corporation (formerly known as Quizno’s Canada Corporation), the master franchisee in Canada. Quiz-Can operates the master franchise through a management agreement with Quizno’s Canada Restaurant Corporation. Quiz-DIA LLC, an affiliate, formed in 1999, operates Restaurants at the Denver International Airport. QAFT, Inc. (“**QAFT**”), formed in June 2005 serves as the Trustee of our national and regional advertising funds. TQM also grants master franchises outside the United States, including in Canada. Except as provided above, we have no predecessors or affiliates required to be disclosed in this Item 1.

The Franchises. We offer franchises to individuals or entities for restaurants with carry-out facilities that sell submarine and other sandwiches, salads, other food products and beverages, and related services (“**QUIZNOS Restaurants**” or “**Restaurants**”) under the form of Franchise Agreement attached as Exhibit B (the “**Franchise Agreement**”). We refer to each QUIZNOS Restaurant as a “traditional” QUIZNOS Restaurant unless it is located in a non-traditional facility (see next paragraph).

If your QUIZNOS Restaurant is located in a non-traditional facility (like a hotel, airport, university, stadium, gas station, or convenience store), it will be referred to as a “**Non-Traditional Restaurant.**” If you sign a Franchise Agreement for a Non-Traditional Restaurant, you will sign (in addition to our standard Franchise Agreement) the Addendum in Exhibit J. Non-Traditional Restaurants have no protected area (just like any “traditional” QUIZNOS Restaurant) (see Item 12).

We may (but currently do not) offer certain supplemental programs (“**Special Products**”). Special Products are “co-branded” products like frozen yogurt or donuts sold through or from the Restaurants. Special Products might be sold under trademarks that QIP owns or trademarks licensed to us by third parties. In deciding whether to offer a Special Product, we review factors like demographics for each market, Restaurant location, and competitors within the market. If we offer you any Special Product, we also might give you a separate franchise Offering Circular from the third-party licensor.

You are not required to participate in the Special Product Program, and we do not guarantee that we will offer it to you or that you will qualify for it even if you buy a franchise and wish to participate in it. If we offer you the Special Product Program and you wish to participate in it, you must sign an addendum to the Franchise Agreement for any Special Product. Although we do not currently charge any additional franchise fee for any Special Product, we may charge a training fee for each Special Products Program in which you participate. (There currently are no Special Product Programs or addenda.)

Also offered as franchises are area director marketing businesses (“**Area Director Businesses**”), in which the area director (“**Area Director**”) acts as a sales representative within a defined geographic area (“**Territory**”) to solicit and identify prospective Franchisees, to assist in locating and securing sites for QUIZNOS Restaurants within that Territory, and to provide additional support before, during, and after the Restaurant opens. The Area Director Business is offered in a separate franchise Offering Circular. (See Exhibit D for information on Area Directors operating in your state.) Area Directors operating under existing agreements with our affiliates also will assist us on the same terms. (See Item 5) Upon completion of the Securitization, we became the Area Director in several market areas in the United States.

Restaurants and Area Director Businesses are licensed to use the service mark “QUIZNOS” and related trademarks (“**Marks**”) and other QUIZNOS IP owned by QIP that make up the QUIZNOS marketing plan and proprietary business methods (collectively, “**System**”), all of which have been sublicensed to us for our franchise program. As noted above, the support made available to you under a Franchise Agreement will be provided directly by an Area Director or TQSC. When a franchise is sold, the Franchise Agreement is signed by the Franchisee and us. The Area Director and TQSC are obligated to perform services as we promise you in the Franchise Agreement those services will be performed. As the franchisor, we are contractually responsible to you if the services are not properly performed.

At times, we engage third parties like mall consultants to locate sites for Restaurants in non-traditional venues, such as airports and regional malls. These third parties are “**Segment Specialists.**” They carry on local, regional, or national segment development activities at non-traditional locations, including locations within Area Director territories. In addition, we sometimes engage third-parties to assist in the sale of franchises and in performing certain site selection services on our behalf. These third-parties, which we refer to as “**Green Jackets,**” typically operate in small, rural markets.

Market Competition. In your market, you might compete with submarine and other sandwich restaurants and fast food restaurants (including other QUIZNOS Restaurants) that offer similar items. Our Restaurants appeal to a broad range of customers because of the perceived variety and quality of our products.

Regulations. There are no regulations specific to the operation of a QUIZNOS Restaurant, although you must comply with all local, state, and federal health and sanitation laws. Franchisees also must comply with all local, state, and federal laws of a more general nature that affect the Restaurant, including employment, workers’ compensation, insurance, corporate, tax, licensing, the Americans with Disabilities Act, and similar laws and regulations. You should familiarize yourself with these laws.

Business Experience. TQFC, QF, and TQM, our indirect parent companies and predecessors whose principals are virtually identical to our principals, operated this franchising business beginning in 1991. We began offering QUIZNOS franchises in early February 2005. QF offered QUIZNOS franchises from July 2002 until January 2005. TQFC offered QUIZNOS franchises from December 2000 until July 2002, when it ceased offering franchises in all states other than California and Washington. It ceased offering franchises in these states as well in November and September 2002, respectively. TQC (now TQM) began offering individual

franchises in 1991 and area director franchises in March 1993 (and stopped offering both in December 2000). TQFC, QF, and/or TQM has offered international master franchises since 1999. After the Securitization, QFA became the franchisor (through assignment) under all QUIZNOS Restaurant Franchise Agreements and Area Director Marketing Agreements in the United States and Puerto Rico that became effective before February 2005. Except as described above, neither we nor any of our affiliates has offered franchises in any other line of business. We have never operated any QUIZNOS Restaurants. However, certain of our, QF's, TQM's, and TQFC's affiliates have operated QUIZNOS Restaurants on and off since 1991. (See Item 20) Where appropriate, this Offering Circular refers to all QUIZNOS Restaurants, including those for which we, QFA, and any other affiliate are (or have been) the franchisor.

ITEM 3

LITIGATION

James Digiovanni, et. al, v. The Quizno's Master LLC, et. al., Docket No. Mid-L-3290-05 (Superior Court of New Jersey, Middlesex County, Law Division). On May 4, 2005, James Digiovanni, Lisa Tolan, Daniel Tolan, Charles Tolan, Masul Haque, Eftekar Ahmed, Jeffery Stange, Hatel Patel, Naylesh Shah, Vishnu Seetharaman, Robert Olivia, Parul Patel, Surinder Oberoi, Pravin Patel, Krutika Patel, Marty Guanlao and Joseph Guanlao, existing or former franchisees, filed a complaint against, among others, TQM, TQS, John Teza, David Goldberg, Eli Chediak, certain former Quizno's employees and an independent commercial real estate broker alleging that defendants fraudulently induced them to sign franchise agreements by misrepresenting that they would receive exclusive trade areas with viable locations for

QUIZNOS Restaurants. The Quizno's entities were served with the complaint on June 1, 2005. The complaint alleges fraudulent inducement, violation of the implied covenant of good faith and fair dealing, breach of the franchise agreement, negligent misrepresentation, fraudulent conversion, and violation of the New Jersey Franchise Practices Act (the "NJFPA"). The complaint seeks an unspecified amount of damages and injunctive relief preventing future sales of QUIZNOS franchises in New Jersey. Defendants filed a motion to dismiss all claims on July 1, 2005 and plaintiffs filed their opposition on July 25, 2005. Prior to oral argument on this motion, the case was settled and subsequently dismissed by order entered on August 26, 2005. Without admitting any wrongdoing, Quizno's agreed to refund plaintiffs a portion of their initial franchise fees in an aggregate amount of \$295,000. Quizno's entities agreed to the settlement solely to avoid the inherent costs of litigation.

Bhupineer "Bob" Baber and Ratty Baber v. Quizno's, QFA Royalties LLC, The Quizno's Franchise Company LLC, The Quizno's Corporation and Does 1-50, Case No. NCO36893 (Superior Court of California, County of Los Angeles, South District). On April 22, 2005, the plaintiff, a former franchisee whose franchise agreements were terminated for repeated operational non-compliance, filed a complaint seeking to have the court declare that the termination was wrongful and seeking preliminary and permanent injunctive relief. The plaintiff also filed claims for breach of contract, fraud, intentional and negligent infliction of emotional distress, and interference with prospective business advantage. On the same day, based on plaintiffs' failure to cease operations, defendants filed a motion in United States District Court for the District of Colorado seeking to have that court declare the termination proper and seeking preliminary and permanent injunctive relief. Subsequently, defendants withdrew their complaint in District Court, and on June 24, 2005, sought the same relief in the California Court. Defendants also filed a petition to compel arbitration of all of plaintiffs' claims. The California court denied defendants' motion for injunctive relief; however, plaintiffs subsequently ceased operating. The California court granted the defendants' motion to compel but ordered that the arbitration be held in California. Plaintiffs appealed the arbitration ruling and defendants appealed that portion of the ruling ordering arbitration to occur in California. In July 2006, plaintiffs' appeal was dismissed. In November 2006, the appellate court confirmed the order compelling arbitration but ordered that the arbitration proceed in Denver, Colorado. Defendants intend to defend this action and prosecute their claims vigorously.

Jericho Resources, Inc. v. The Quizno's Corporation, et al., Case No. 96L05977 (Cook Cty., Ill.). On May 24, 1996, an area director, Jericho Resources, Inc. ("Jericho"), filed suit against TQC, Richard Schaden and a former employee of Quizno's in response to TQC's termination of certain area rights and related agreements. The suit sought \$3.75 million in compensatory damages, \$10.2 million in punitive damages, and attorneys' fees for TQC's alleged interference with an "advantageous relationship" that Jericho alleges it had with individuals who Jericho claims were interested in buying a portion of Jericho's stock and assuming some of its area director rights. Jericho also alleged breach of its area director marketing agreement for southern Wisconsin and a violation of the Illinois Franchise Disclosure Act for TQC's alleged wrongful termination of Jericho's Illinois area rights. On March 5, 1998, this case was settled. Without admitting any wrongdoing, TQC agreed to pay Jericho \$68,000 and a 1.9% commission on royalties for 3 Restaurants established by Jericho. TQC agreed to the settlement solely to avoid the inherent cost of litigation.

The Quizno's Corporation v. Robert W. Mitelhaus, No. 77 114 00187 98, American Arbitration Association (Denver, Colorado). On August 1, 1998, TQC terminated its area director marketing agreement with Robert W. Mitelhaus ("Mitelhaus"), a California area director. On the same day, TQC instituted an arbitration action against Mitelhaus in Denver, Colorado, alleging that Mitelhaus breached various provisions of the area director marketing agreement. On September 1, 1998, Mitelhaus denied that he breached the area director marketing agreement. Mitelhaus alleged fraudulent termination of the area director marketing agreement. In addition, Mitelhaus alleged that TQC failed to refund or pay certain amounts he claimed were due to him and that TQC violated state franchise law. Hearings in this matter were held before the American Arbitration Association from March 8-16, 1999. During the hearings, Mitelhaus demanded damages in excess of \$4 million. On April 13, 1999, the arbitration panel issued its ruling. It found that Mitelhaus had materially breached the area director marketing agreement and that TQC had properly terminated that agreement. The panel therefore denied all of Mitelhaus' claims for breach of contract and refuted his allegations of franchise law violations. While the panel did award Mitelhaus approximately \$230,000 in pre-termination commissions and costs, those related primarily to referral commissions that TQC owed Mitelhaus, before TQC terminated him in August 1998, for previous master franchise and area directorship sales TQC had made. TQC had no liability for its lawful termination of Mitelhaus' area director marketing agreement. The panel also ordered Mitelhaus to abide by all of the post-termination covenants in the area director marketing agreement.

William H. Nickerson, Individually and on behalf of All Others Similarly Situated v. The Quizno's Corporation, Richard E. Schaden, Richard F. Schaden, Mark L. Bromberg, J. Eric Lawrence and John J. Todd, Case No. 04 CV 04CV0455 (District Court for the City and County of Denver, Colorado). On January 20, 2004, plaintiff ("Nickerson"), a former shareholder of TQC, filed suit against TQC and its board of directors seeking damages allegedly arising in connection with TQC's November 2000 tender offer ("Tender Offer") to purchase all outstanding shares of its common stock at a price of \$8.00 per share. In the complaint, Nickerson alleged that, in connection with the Tender Offer, (i) the members of the board of directors breached their fiduciary duties to TQC's shareholders, (ii) TQC was unjustly enriched at the expense of TQC's shareholders, and (iii) defendants violated certain Colorado state securities laws. The case was settled, and the court approved the settlement on September 27, 2004. The settlement became effective on November 15, 2004. The total settlement amount of \$5.8 million was disbursed.

Edward C. Sebesta, Individually and On Behalf of All Others Similarly Situated v. Richard E. Schaden, Richard F. Schaden, Frederick H. Schaden, Mark L. Bromberg, J. Eric Lawrence, John L. Todd, Brad A. Griffin and The Quizno's Corporation, Case No. 01CV6281 (District Court for the City and County of Denver, Colorado). On November 13, 2001, plaintiff ("Sebesta"), a shareholder of TQC, filed suit against TQC and its board of directors seeking to prevent a proposed (a) transaction by which a company owned by certain members of the board of directors would purchase publicly-traded shares of TQC, and (b) merger by which TQC no longer would be a publicly held and traded company (the "Transactions"). In the complaint, Sebesta alleged that the members of the board of directors breached their fiduciary duties to TQC's shareholders. Sebesta filed a motion for a temporary restraining order to prevent TQC's shareholders' meeting at which the Transactions were to be put to a vote. On November 28, 2001, the Court denied the motion for temporary restraining order. The Transactions were

consummated in December 2001. The case settled, and the trial court entered judgment for approval of the settlement on April 15, 2004. The maximum aggregate amount that could be received by the plaintiffs in this case is approximately \$1.8 million. Implementation of the settlement was stayed because certain of the plaintiffs filed an appeal. On May 18, 2006, the appellate court affirmed the judgment of the trial court approving the settlement. On May 31, 2006, appellants filed a petition for rehearing, which was denied. In November 2006, the appellants filed a writ of certiorari. In December 2006, appellees filed their opposition to the writ of certiorari and appellants filed their response.

The Quizno's Corporation v. William S. Fagan, Case No. 02CV2598 (District Court for the City and County of Denver, Colorado) (the "Dissenters Case"). On March 19, 2002, TQC filed a petition in the District Court for the City & County of Denver, asking that the court determine the fair value of TQC's shares under Colorado's dissenters statute. The named respondents are those shareholders who effectively dissented under the dissenters statute. Those shareholders represent approximately 420,000 shares of TQC's outstanding common stock before the Transactions. TQC paid each dissenter \$8.50 per share according to the dissenters statute. The dissenters alleged that the value of each share was greater than that amount. A trial was conducted in this matter over several months beginning in May 2003. The court issued a ruling in January 2004, finding that the value of each share was \$32.50 and awarding the dissenting shareholders attorneys' fees and costs. Certain dissenting shareholders settled with TQC in February 2004 for \$5 million. TQC filed a notice of appeal regarding the court's decision for the remaining dissenting shareholders, but ultimately settled with the remaining dissenting shareholders for \$11,792,760.

H.J. Heinz Company v. The Quizno's Corporation, Case No. 03-0015 (District Court for the Western District of Pennsylvania). On January 3, 2003, H.J. Heinz Company ("Heinz") filed suit against TQC to recover alleged damages incurred as a result of certain contractual obligations of TQC under a product supply agreement between TQC and Heinz entered into in May 1999. Under the agreement's terms, Heinz agreed to purchase and install servicing and merchandising equipment and custom designed point-of-sale (POS) materials, to be amortized based on a pre-determined formula. Although the agreement had a 5-year term, on June 4, 2002, TQC exercised its early termination rights under the agreement. The suit requested damages of \$1,162,000, representing Heinz's alleged un-amortized costs for purchasing and installing the equipment and POS materials. The suit claimed breach of contract, unjust enrichment, quantum meruit, and conversion. TQM, as successor in interest to TQC, filed its answer and affirmative defenses denying all the alleged claims on September 3, 2003. In June 2006, the parties settled this dispute and the lawsuit was dismissed. As part of the settlement, TQC paid Heinz \$400,000.

Brown Dog, Inc. and Eric Brown v. The Quizno's Franchise Company LLC, Case No. 04 C 0018 C (U.S. District Court for the Western District of Wisconsin). On January 12, 2004, the plaintiff, a former area director terminated for failure to meet its development quota, filed a complaint against TQFC asserting claims for violation of the Wisconsin Fair Dealership Law and breach of contract based on the termination of its area director marketing agreement. The complaint sought unspecified damages, unpaid commissions of \$25,000, interest, attorneys' fees, costs, and expenses. Mr. Brown, who performed the area director services on plaintiff's behalf, asserted a claim against TQFC for tortious interference with contract. On July 1, 2004, TQFC

filed its answer and counterclaims, denying all claims alleged against it and asserting its own claims against plaintiffs for breach of contract, breach of guaranty, and declaratory relief.

On December 29, 2004, the Court granted partial summary judgment for TQFC on all but one of plaintiffs' claims. Trial on plaintiff's remaining claim for violation of the "good cause" requirement of the Wisconsin Fair Dealership Law, and TQFC's counterclaims and third party claim, concluded on June 24, 2005. On December 28, 2005, the Court entered judgment in favor of TQFC on plaintiff's remaining claims and on TQFC's counter-claim, and awarded nominal damages of \$1 to TQFC. On January 11, 2006, TQFC file a petition for attorneys' fees and costs. On or around January 30, 2006, plaintiffs filed their Notice of Appeal to the United States Court of Appeals for the Seventh Circuit. The parties subsequently resolved the appeal and entered into a settlement agreement under which TQFC withdrew its petition for fees and plaintiffs withdrew their appeal.

The Quizno's Master LLC and The Quizno's Franchise Company LLC v. R & B Management Group, LLC, Royce Gwin, and Rebecca Gwin, Case No. 04-Z-1062 (BNB) (U.S. District Court for the District of Colorado). On May 25, 2004, TQM and TQFC initiated this action seeking, among other things, a declaration that the termination of defendants' area director marketing agreements was proper. On August 12, 2004, defendants filed counterclaims alleging breach of contract, fraud, and negligent misrepresentation based on termination of the agreements. Defendants also sought a declaration that (1) the sales and opening goals in the area director marketing agreement were unconscionable, (2) TQM and TQFC breached the implied covenant of good faith and fair dealing, (3) the sales and opening goals were modified by course of conduct, (4) defendants were not in default, and the termination of the area director marketing agreement was wrongful, and (5) TQM and TQFC should be estopped from asserting termination or waived their rights in that regard. Defendants also sought damages in an unspecified amount. On September 7, 2004, TQM and TQFC denied all of defendants' counterclaims and moved to have them dismissed. That motion was denied. After four days of trial in February 2006, the parties settled the case. Under the settlement, TQM agreed to pay a total of \$180,000 to defendants, an amount consisting principally of the net present value of continuing commissions to which defendants were entitled under the parties' agreement.

Peter Tyrka and Michael Tyrka v. The Quizno's Franchise Corporation, The Quizno's Corporation, and The Quizno's Franchise Company LLC, No. 77 114 Y 00299 04 CALC, American Arbitration Association (Denver, Colorado). On July 22, 2004, plaintiffs initiated an arbitration action against the respondents arising out of respondent's termination of their Area Director Marking Agreement in which they alleged that the respondents (1) delayed processing franchisee applications, (2) delayed in preparing franchise offering and sales documents, (3) materially changed products, (4) set sales and opening goals at high levels to have a pretext for termination, (5) failed to provide promised support and services, (6) represented that they would not terminate claimants if they continued working toward fulfilling their development schedule, (7) failed to follow the provisions in the area director marketing agreement for termination, and (8) breached the implied covenant of good faith and fair dealing. Claimants sought damages, interest, costs and attorneys' fees, and a constructive trust over all sums otherwise due to them but paid to the respondents after the alleged termination. The parties entered into an agreement on March 21, 2005 and, without admission of any wrongdoing, respondents paid claimants a

negotiated termination fee of \$475,000. Respondents agreed to the termination fee solely to avoid the inherent costs of litigation.

Daniel Schwalbe and Daniel A. Schwalbe, Inc. v. The Quizno's Franchise Corporation, The Quizno's Corporation, and The Quizno's Franchise Company, LLC, Case No. 77 114 00482 04 VSS (American Arbitration Association). Claimant, a former area director, initiated an arbitration proceeding in Denver, Colorado against the respondents on December 23, 2004 asserting various claims arising from the termination of his area director marketing agreement. The amount claimed was \$300,000 plus certain fees and costs. After completion of the arbitration in September 2005, claimant was awarded \$348,460, including attorneys' fees and costs.

Raymond Bonanno, Anthony Bonanno, Robert Peter, Rajan Desai, Nisha Desai aka Nisha Bhansali, Elisa Whitehall, Daljit Parmar, Manjit Parmar, Irving Brothman, Binita Patel and Hemlatta Patel, individually and on behalf of others similarly situated v. The Quizno's Master LLC, et. al., Civil Action No. 1:06-cv-2358-WYD-BNB (United States District Court for the District of Colorado). On February 16, 2006, plaintiffs, on behalf of themselves and others similarly situated, filed a class action complaint in the Superior Court of New Jersey against TQM, TQC, QFA, Kevin Bednowski, a Quizno's employee, Robert Tobias, an Area Director, and certain former Quizno's employees alleging that defendants fraudulently induced them to sign franchise agreements by misrepresenting that they would receive exclusive trade areas with viable locations for QUIZNOS Restaurants. The complaint alleges fraudulent inducement, violation of the covenant of good faith and fair dealing, breach of fiduciary duty, unjust enrichment, breach of contract, negligent misrepresentation, and violations of the New Jersey Consumer Protection Act ("NJCPA"), and the New Jersey Franchise Practices Act ("NJFPA"). The complaint seeks, among other things, an unspecified amount of damages, rescission of the franchise agreements, and injunctive relief to prevent future sales of QUIZNOS franchises in New Jersey. On March 15, 2006, defendants filed a motion to dismiss the complaint and to transfer the case to the federal district court in Denver, Colorado. Plaintiffs filed a motion seeking to have notice of the action sent to the putative class members at defendants' expense. Defendants have filed their opposition to that motion, which is also presently pending. On November 17, 2006, the court denied the motion to dismiss, but granted defendants' motion to transfer the case to the federal district court in Denver, Colorado. Defendants filed a motion to dismiss in the federal district court in December 2006. Defendants intend to defend this action vigorously.

Inna Bogdanova, Yelena Vekshina and Annaden, Inc. v. The Quizno's Master LLC, et. al., Case No. L-368-06 (Superior Court of New Jersey, Law Division, Middlesex County). On January 20, 2006, plaintiffs, a former franchisee and its principals, filed a complaint against TQM, TQC, Brian Dershow, Eli Chediak (Quizno's employees), and certain other current and former Quizno's employees alleging that defendants fraudulently induced them to sign franchise agreements by misrepresenting that they would receive exclusive trade areas with viable locations for QUIZNOS Restaurants. Plaintiffs further alleged they were induced to accept a location inferior to what they contracted for. The complaint alleges fraudulent inducement, violation of the covenant of good faith and fair dealing, breach of fiduciary duty, breach of contract, negligent misrepresentation, and violations of the NJCPA and NJFPA. The complaint seeks, among other things, an unspecified amount of damages, rescission of the franchise

The Quizno's Corporation, The Quizno's Operating Company and Does 2 – 200, Case No. CV-06-5849MMM (U.S. District Court for the Central District of California). On August 10, 2006, plaintiff, on behalf of itself and all others similarly situated, filed a putative class action complaint against TQC and unidentified "Doe" defendants in the Superior Court of California, Los Angeles County. On August 14, 2006, plaintiff filed an amended complaint purporting to identify TQOC as one of the "Doe" defendants. The complaint alleges that from and after July 9, 2005, defendants sent unsolicited advertisements to plaintiff and the alleged members of the putative class via facsimile in asserted violation of the Telephone Consumer Protection Act ("TCPA"). The complaint alleges that the facsimiles violated the TCPA in various respects. The

complaint seeks injunctive relief against defendants, an award of damages in the minimum amount of \$500 per violation, trebling of damages, interest, costs, and attorneys' fees. Defendants removed the action to the U.S. District Court for the Central District of California on September 14, 2006. On October 13, 2006, defendants filed an answer denying the material allegations of the amended complaint and asserting various affirmative defenses. Discovery is underway. Defendants intend to defend this action vigorously.

On September 6, 2006, respondent filed a counter demand for arbitration against claimant (Harinderpal S. Ahluwalia dba Walia's Incorporated v. QFA Royalties LLC f/k/a Quizno's and Quizno's Master LLC) alleging unfair business practices, discrimination under the Unruh Civil Rights Act, negligent interference with prospective advantage, breach of contract, fraud, intentional interference with prospective business advantage, negligence, and intentional interference of emotional distress. The preliminary hearing with the arbitrator and a hearing has been scheduled to begin on April 11, 2007. Claimant intends to prosecute and defend this action vigorously.

The complaint alleges violation of the California Franchise Investment Law, breach of contract, and fraud and conspiracy. The complaint seeks, among other things, an unspecified amount of damages and costs and attorneys fees. The case was removed to federal court in December 2006. ITEM 5

INITIAL FRANCHISE FEE

Initial Franchise Fee. You currently must pay an initial franchise fee of \$25,000 for the first Franchise Agreement that you sign for a traditional location (“**Initial Franchise Fee**”). We currently charge \$20,000 for the second and each subsequent effective Franchise Agreement that you sign for a traditional location, although we may at any time change this practice and charge you our standard initial franchise fee for all effective Franchise Agreements signed after the first one. You must sign a separate Franchise Agreement for each Restaurant you operate and pay the Initial Franchise Fee in a lump sum when you sign each Franchise Agreement. We fully earn the Initial Franchise Fee when paid. It is not refundable under any circumstances. If a Franchisee refers a prospective Franchisee to us who ultimately purchases a franchise for a QUIZNOS Restaurant, we currently pay the referring Franchisee \$500, although we may stop this practice or change the amount at any time.

We currently have a program pursuant to which we facilitate transfers of certain existing QUIZNOS Restaurants operated by Franchisees who desire to sell their QUIZNOS Restaurants at an accelerated pace by introducing them to prospective Franchisees who desire to purchase an existing QUIZNOS Restaurant (the “ATT Program”). We determine which existing Franchisees qualify for participation in the ATT Program. If you are approved to participate in the ATT Program and purchase a franchise in connection with the purchase of an existing QUIZNOS Restaurant that is participating in the ATT Program, you will pay a reduced Initial Franchise Fee of \$12,500. \$500 of such fee is payable upon execution of the Franchise Agreement and the balance is paid when we consent to the transfer of an existing QUIZNOS Restaurant to you. Under the ATT Program, either we or you may terminate the Franchise Agreement without cause prior to your acquisition of a QUIZNOS Restaurant. In such event, we will refund you the \$500 fee upon execution of a general release. Otherwise, the Initial Franchise Fee is nonrefundable. If you desire to participate in the ATT Program, you must execute the First Addendum to Franchise Agreement attached as Exhibit N.

We reserve the right to waive or reduce the Initial Franchise Fee under other circumstances we deem appropriate. The Initial Franchise Fee during the last fiscal year for a QUIZNOS Restaurant and a Non-Traditional Restaurant franchise ranged from \$0 to \$25,000.

When a franchise is sold through an Area Director, the Area Director will receive a commission equal to 25% of the total Initial Franchise Fee paid by a Franchisee who purchases a QUIZNOS Restaurant franchise within that Area Director's territory, subject to the following conditions: (i) the Franchisee executed a Franchise Agreement with us, and we have received the Initial Franchise Fee, (ii) the sale for which the Initial Franchise Fee was paid is not a resale of any existing QUIZNOS Restaurant, and (iii) the Area Director has complied with all of its other obligations. This commission will be paid to the Area Director within 20 days after the sales conditions have been fulfilled. When an Area Director has performed all of its site services for a Franchisee, the Area Director will be paid a Site Services Commission equal to 25% of the total Initial Franchise Fee paid to us, payable within 20 days after the Franchisee's QUIZNOS Restaurant opens. Within 20 days after completion of a transfer, Area Directors are paid a commission of 50% of any transfer fee we actually receive from the transfer of a franchise within the Area Director's territory. An Area Director also is paid, within 20 days after the end of each 4 or 5-week period, 40% of the royalty fees (excluding certain fees) received from each Franchisee (with some exceptions) located in its territory.

When a franchise is sold through a Green Jacket, the Green Jacket will receive a commission equal to either 50% of the total Initial Franchise Fee paid by the Franchisee (if the Green Jacket performs both sales and site selection services) or 25% of the Initial Franchise Fee paid by the Franchisee (if the Green Jacket performs only sales services). In either case, one-half of the commission is paid when the Franchise Agreement is signed, and the balance is paid when the Restaurant opens for regular business. We do not provide Green Jackets with any other fees or compensation for their services.

Except for the portion of the Initial Franchise Fee paid to an Area Director or Green Jacket, we will pay a significant portion of the Initial Franchise Fee to TQSC, which will perform various franchise sales, site selection, and Restaurant pre-opening services for us (as well as post-opening services). However, as your franchisor, we are contractually responsible for making sure that these services are performed for you as required under the Franchise Agreement and are accountable to you if they are not properly performed.

Non-Traditional Restaurant. If you desire to operate a Non-Traditional Restaurant, you must sign our Franchise Agreement (and, if applicable, the Addendum for a Non-Traditional facility). (See Item 1). You must pay an Initial Franchise Fee of \$10,000 for each Non-Traditional Restaurant ("**Non-Traditional Restaurant Fee**"). You must sign a separate Franchise Agreement for each Non-Traditional Restaurant that you operate. Non-Traditional Restaurant Fees are not refundable under any circumstances. We fully earn Non-Traditional Restaurant Fees once paid. You must pay the fee in a lump sum when you sign the Franchise Agreement.

Lease Review. After you select a location for your Restaurant, we must approve that location. If approved, our authorized representative (which likely will be TQSC or another affiliate) will review and likely will negotiate certain lease provisions. We do not act as your legal counsel or representative in conducting those negotiations, although our interests, as Franchisor, are usually aligned with yours as the Franchisee and tenant. We encourage you to consult your own attorney if you need legal assistance in negotiating a lease with which you are satisfied. You must pay us or our authorized representative a "**Lease Review Fee**" of \$1,450 for

a full lease review or \$500 for a cursory review (if the lease meets certain criteria) upon submission of the lease for our review. The Lease Review Fee covers the costs of reviewing and (if applicable) negotiations we conduct with respect to the first lease that we review. You must pay only one Lease Review Fee unless you refuse to sign a lease that we have approved for your Restaurant and we or our authorized representative then must conduct one or more additional lease reviews for the Restaurant. In that case, you must pay a Lease Review Fee for the first lease review and another Lease Review Fee for each additional lease review conducted. We estimate that your monthly rent will be between \$1,000 and \$4,000, although it could be more or less depending on the area in which you lease, your Restaurant's size, and other factors. You do not have to pay the Lease Review Fee if you operate a Non-Traditional Restaurant and are providing the premises for the Restaurant, although we still have the right to approve the location.

Restaurant Equipment and Certain Construction Materials; Architectural Services.

You must buy from SOD (see Item 1) virtually all of your Restaurant's equipment (including the point-of-sale and credit card processing systems) and certain construction materials necessary for the Restaurant's build-out. The total payment to SOD for these items will range from \$82,740 to \$89,240 for a traditional Restaurant and \$48,240 to \$70,240 for a Non-Traditional Restaurant. (Also see Item 8) You must pay SOD a deposit for these items and services when you submit your lease for review. The deposit amount is subject to change but currently is \$40,000 for a traditional Restaurant and ranges from \$0 to \$40,000 for a Non-Traditional Restaurant. This typically will occur after you sign the Franchise Agreement and 2 to 9 months before you open your Restaurant. The balance is due before your equipment is shipped. SOD will credit your account for \$50 for each full 30-day period after your deposit check has cleared, with a maximum \$400 credit. SOD will deduct the credit from the total amount due for the equipment when it sends the final invoice. If the lease you submitted is not approved, SOD will refund your deposit (but excluding the credits described above to which you no longer will have the right).

You also must use architectural services from a firm we designate, which could be one of our affiliates. You must reimburse us for architectural fees, which will range from \$5,000 to \$8,500 and do not include permitting fees. The architectural fee is payable together with the final payment for the equipment (prior to shipment of the equipment).

You must buy from KSS certain uniforms and related accessories ("Teamwear in a Box") prior to opening your Restaurant. Teamwear in a Box currently costs \$653. You must also purchase from KSS a grand opening marketing kit ("Grand Opening in a Box") prior to opening your Restaurant. Grand Opening in a Box currently costs \$4,050.

- 1/ Except as otherwise noted, fees are imposed by us under the Franchise Agreement and collected by and payable to us or our designated affiliates. No fees are refundable. We will pay QFA most of the ongoing amounts that we receive from Franchisees under their Franchise Agreements (not including Initial Franchise Fees) as an intellectual property sublicense fee or a servicing fee. Much of the servicing fee then will be paid over to TQSC as the actual servicer.
- 2/ “**Gross Sales**” are defined as sales of any kind for all services or products from or through your Restaurant, including any sales made for cash or upon credit, or partly for cash and partly for credit, regardless of collection of charges for which credit is given, regardless of whether sales are conducted in compliance with or in violation of the terms of the Franchise Agreement, and regardless of whether sales occur at the site of your Restaurant or off-site, but excluding discounts, sales taxes, or other similar taxes and credits. “Gross Sales” also include the fair market value of any services or products you receive in barter or exchange for your services and products and all insurance proceeds that you receive for loss of business due to a casualty to or similar event at the Restaurant. We do not currently offer any Special Products, but we reserve the right to change the Royalty rate for certain Special Products depending on the arrangement with the particular third-party licensor.
- 3/ Before opening, you must sign and deliver all documents needed to permit our designated representative to debit your bank account for each week’s Royalty and Marketing and Promotion Fund payments and other payments due under the Franchise Agreement or otherwise. However, you must pay all amounts due by means other than automatic debit whenever we deem appropriate.
- 4/ You must use a designated vendor (which may be one of our affiliates) to provide bookkeeping services for you for the first 12 months your first Restaurant is operating or for your first 12 months as a Franchisee if you purchase a Restaurant from an existing Franchisee, regardless of the age of the Restaurant. After that, you may discontinue the service 90 days after you retain a full-time professional accountant (approved by us in writing) to provide bookkeeping services and that accountant agrees in writing (on a form acceptable to us) to provide required financial statements when required and in the forms and formats we require. If you fail to provide those financial statements more than 2 times in any 12-month period, we may require you to use our designated bookkeeping services at the then-current fee. We can terminate the services upon 90 days’ notice. Your right to discontinue bookkeeping services after the first 12 months your first Restaurant is operating does not include discontinuing payroll services. If you purchase a franchise for a Traditional Restaurant, you must continue to use our designated vendor for payroll services unless we approve another vendor. You may only propose a new vendor after the first 12 months of operations. You do not pay us or an affiliate for payroll services.
- 5/ Expenses associated with travel, meals, and lodging while you attend initial training sessions, as well as any fees charged by test facilities. All of these expenses are paid to third parties. Although we currently do not do so, we may in the future charge a tuition fee for training additional managers. (See Item 11)

^{6/} You agree not to engage in certain businesses defined as “Competitive Businesses” during the franchise term; not to engage in a “Branded Business” within ¼ mile of your Restaurant without our consent during the franchise term; and not to engage in any Competitive Business located or operating within a 5-mile radius of your former Restaurant (including at the former Franchised Location) or any other QUIZNOS franchised or company-owned Restaurant for 2 years following the termination or expiration of the Franchise Agreement. These restrictions may be modified if you sign an agreement to operate a Non-Traditional Restaurant.

^{1/} These figures represent approximate costs for purchasing, installing, and equipping a Non-Traditional Restaurant. Because they are located in a host facility, these Non-Traditional Restaurants require fewer leasehold improvements and equipment expenditures than traditional QUIZNOS Restaurants. Opening inventory expenditures usually are lower as well, but the initial investment in a Non-Traditional Restaurant depends on the type, location, and configuration of the host facility and the type of Non-Traditional Restaurant established.

^{2/} Investment figures represent approximate costs based on the size of your traditional QUIZNOS Restaurant, location, and the extent of renovations required. A lower cost Restaurant is one that would require fewer leasehold improvements, less seating, and fewer equipment expenditures. A higher cost Restaurant might require extensive interior renovations, extensive seating, and additional equipment. It might not be possible to build a Restaurant for the lower total investment cost listed.

^{3/} These amounts might be reduced if the landlord contributes any tenant finish allowance. The amounts do not include any applicable sales taxes (which are your responsibility).

^{4/} Included in the equipment and construction materials are HVAC, electrical panel, and one sign.

5/ These amounts do not include plan review fees assessed by the municipality in which the Restaurant will be located.

6/ You are responsible for arranging transportation and paying the expenses for meals and lodging for any persons attending the training program. The amount expended will depend on the distance you travel and the type of accommodations you choose. The estimate contemplates attendance by 1 person. Your expenses will be higher if more than 1 individual attends the training program.

7/ Real estate costs depend on whether you owned the Franchised Location before signing the Franchise Agreement or instead purchase or lease your Franchised Location. A traditional Restaurant typically is located in an outdoor or enclosed mall or a strip shopping center and generally is from 1,200 to 1,600 square feet. Regardless of the amount of space covered by the lease, we will not approve the build-out of more than 1,600 square feet of space. Leasehold improvement costs, including floor covering, wall treatment, counters, ceilings, painting, window coverings, electrical, carpentry and similar work, and contractor's fees, depend on the site's condition, location, and size; the demand for the site among prospective lessees; the site's previous use; the build-out required to conform the site for your Restaurant; and any construction or other allowances the landlord grants. If you lease your Franchised Location, the amount of rent depends on the market, Restaurant size, and common area expenses passed through to tenants. Rent for enclosed mall locations generally will be higher.

8/ Once you select a proposed location that we approve, we (or our designated supplier) review the lease. The standard lease review fee is \$1,450. However, if your lease meets certain criteria, we (or the designated supplier) will perform a cursory review and charge you only a \$500 lease review fee.

9/ This estimates the funds needed to cover your initial expenses for the first 3 months of operation. It includes payroll costs (but not any draw or salary for you), utilities, and miscellaneous supplies. However, this is only an estimate, and it is possible that you will need additional working capital during the first 3 months you operate your Non-Traditional Restaurant or Restaurant and for a longer time period after that. This 3-month period is not intended, and should not be interpreted, to identify a point at which your Non-Traditional Restaurant or Restaurant will break even. We cannot guarantee when or if your Non-Traditional Restaurant or Restaurant will break even. Your costs will depend on your management skill, experience, and business acumen; local economic conditions; the prevailing wage rate; competition; and your Restaurant's sales during the initial period. This also includes expenses associated with travel, meals, and lodging while you attend initial training sessions. All of these expenses are paid to third parties.

10/ This amount does not include real estate costs (other than the Lease Review Fee). We have relied on our affiliates' (including QF and TQFC) and our principals' many collective years of experience in this business to compile these estimates. Because these figures are only estimates, it is possible both to reduce and to exceed costs in any of the areas listed above. Actual costs will vary depending on physical size and current condition of the premises. In addition, actual costs may substantially exceed these

estimates in a few major metropolitan markets. To avoid excessive construction costs, we strongly recommend that you pick contractors carefully by obtaining several competitive bids beforehand. These estimates do not include extensive exterior renovations. You should review all figures in this Item 7 carefully with a business advisor before you decide to purchase the franchise. Except as noted in Item 10, neither we nor our affiliates offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing depend on the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions. The estimate does not include any finance charge, interest, or debt service obligation.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

For certain products and services, Franchisees are required to use designated or approved vendors (which may be us or our affiliates) and are required to enroll in certain mandatory service programs, as set forth below. Except as noted in this Item, we and our affiliates currently are not approved suppliers of any item, although our affiliates may become approved suppliers at any time in the future and may even be the designated or sole suppliers of one or more items, in which case you would have to buy the items from our affiliates at their then current prices.

If you desire to purchase equipment, products, services, supplies, or materials from manufacturers, suppliers, or distributors other than those previously approved, you first must submit a written request to change the supplier. Presently, AFD and KSS review these requests on our behalf (depending on the type of supplier), and either AFD or KSS will notify you in writing of its approval or rejection of the proposed supplier within a reasonable time after completing its investigation. AFD or KSS may withhold approval of the manufacturer, supplier, or distributor for any reason. In order to make its decision, AFD may require that samples of a proposed new product first be delivered for testing. Permission for inspection will be a condition of the continued approval of any manufacturer, supplier, or distributor. You will pay a charge not to exceed the actual cost of the test. We and our affiliates reserve the right periodically to inspect the facilities and products of any approved supplier and to revoke approval upon the supplier's failure to continue to meet any of the then current QUIZNOS criteria. If an exclusive supplier already has been designated for the equipment, products, services, supplies, or materials proposed to be offered by a new supplier, your request for a new supplier likely will be rejected without further review or investigation.

Lease Review. TQSC or another designated supplier reviews (and typically negotiates, for our benefit) your lease. The Lease Review Fee (see Item 5) pays the cost for the lease review and (if applicable) negotiations we conduct for our purposes. This lease review and certification are for our benefit and designed to satisfy us that the proposed lease complies with minimum QUIZNOS requirements, based on the assumption that the lease has not previously been reviewed by counsel. It is important that you review the lease closely and understand all of the terms and conditions before signing it. You might want to have your own attorney review the lease on your behalf before signing it. These fees are paid to either us or QFA, depending on which entity is the franchisor with respect to the particular site. During fiscal year ended

December 31, 2005, we received \$321,575 from Franchisees in Lease Review Fees which represents 2.7% of our total revenue of \$11,944,835. During fiscal year ended December 31, 2005, QFA received \$496,750 from Franchisees in Lease Review Fees.

Architectural and Construction Services. As described in Item 5, you must use architectural services from a firm we designate, which could be one of our affiliates. You must reimburse us for fees charged us by the architectural firms. Our affiliates received revenue from franchisees for these architectural fees. You must also use contractors who are approved by us. Neither we nor our affiliates receive any compensation from approved contractors. Our internal construction department may provide assistance and guidance to you during the construction process, but we do not retain your contractor and do not act as your general contractor. Neither we nor our affiliates will provide construction services directly to you or eliminate your need to employ construction contractors. However, the construction department might provide an indirect benefit to you in the form of shorter construction times.

Equipment and Fixtures. You must follow all QUIZNOS standards and specifications for construction, design, and remodeling of your Restaurant premises, food products, packaging, advertising materials, supplies, ingredients, equipment, computerized cash register, fixtures, furnishings, and other items used in operating your Restaurant. You must purchase or lease (as designated) these items only from suppliers or other sources approved and/or designated for the QUIZNOS System. We and our affiliates may designate a single approved supplier for certain items, and our affiliates may be an approved or the designated supplier for certain items. If there is no approved or designated supplier for a particular item, you must obtain all products and services from suppliers who meet QUIZNOS specifications and standards as to quality, composition, appearance, and service and adequately demonstrate their capacity to supply your needs in the quantities, at the times, and with the reliability required for an efficient operation. AFD, one of our affiliates, is the sole wholesale supplier of virtually all proprietary and branded items manufactured specially for the QUIZNOS System. AFD sells these items to unaffiliated suppliers, who then resell the items to QUIZNOS Franchisees. AFD also has the right (delegated from QFA and us) to choose the suppliers to the QUIZNOS System. AFD will pay license fees directly to QFA and indirectly to us for those product designation rights and for the right to use the QUIZNOS IP.

Ba-Bing!, one of our affiliates, is the sole supplier of the point-of-sale system and credit card processing terminals, although another affiliate may supply these systems and terminals in the future.

SOD is the sole supplier of certain restaurant equipment and building materials for your Restaurant. QUIZNOS standards and specifications will be formulated and modified based on our affiliates' and Franchisees' experience in operating Restaurants. The QUIZNOS Operations Manual or other communications will identify QUIZNOS standards and specifications and names of approved or designated suppliers. QFH, one of our affiliates, or another affiliate we designate, will lease to you at no cost certain beverage dispensing equipment, including fountain equipment for carbonated beverages and bubbler equipment for fruit drinks. You must sign the Equipment Lease Agreement (Exhibit M). You may use this equipment only while operating your Restaurant and must return the equipment to our affiliate when the Franchise Agreement expires or is terminated.

Bookkeeping. As described in Item 6, you must use our designated vendor to provide all bookkeeping services for your first Traditional Restaurant for the first 12 months of operation or for your first 12 months as a Franchisee if purchasing your Restaurant from an existing Franchisee. Our affiliates received revenue from the participation of franchisees in required bookkeeping services programs in fiscal year 2005.

Payroll. During your first 12 months of operation of a Traditional Restaurant or for your first 12 months as a Franchisee if purchasing your Traditional Restaurant from an existing Franchisee, you must use our designated vendor to provide payroll services. Thereafter, you may submit another vendor for our prior approval. Our affiliates received revenue from the participation of franchisees in required payroll services programs in fiscal year 2005.

Facilities Services. During your first 12 months of operation or for your first 12 months as a Franchisee if purchasing your Restaurant from an existing Franchisee, you must use our designated vendor of certain facilities services (for example, mats, mops, and towels). Our affiliates received revenue from the participation of franchisees in required facilities services programs in fiscal year 2005.

Music Services. In order to standardize and enhance the customers' experience in Quizno's Restaurants, we require that franchisees subscribe to music services provided by Muzak LLC, which is currently the sole approved supplier of music services. Our affiliates received revenue from the participation of franchisees in required music services programs in fiscal year 2005.

Insurance. You are required throughout the term of the Franchise Agreement to maintain certain minimum amounts and types of insurance coverage as we specify in the Operations Manual from time to time. Currently, we require that, at a minimum, you must maintain the following types and minimum amounts of insurance coverage, described in greater detail in the Operations Manual: comprehensive general liability — bodily injury and property damage (\$1 million per occurrence), including products/completed operations (\$2 million general aggregate); automobile liability — any owned vehicles, hired and non-owned auto liability (\$1 million per accident, which is a separate limit from the comprehensive general liability limit); workers' compensation — comply with state and local laws. The minimum coverages we specify are for our benefit and are not intended to be relied upon by you as a recommendation as to the types of coverages and coverage limits which are or might be appropriate for your particular business. Additional coverages and limits might be appropriate based, for example, on the location of your Restaurant, and we encourage you to consult your insurance advisor regarding such additional coverages. If you fail to purchase this insurance, our affiliates may obtain insurance for you, and you must reimburse them for its cost, which might be higher than the cost of insurance you could obtain for yourself. All insurance policies must name us and any affiliates that we designate as additional insureds and give all of us at least 30 days' prior written notice of termination, amendment, or cancellation. You also must provide certificates of insurance evidencing your insurance coverage in compliance with these minimums no later than 10 days before your Restaurant opens and each year when your policies renew. Our affiliate, CLG, received revenue from the participation of franchisees in required insurance carriers in fiscal year 2005.

Marketing. All marketing and promotion of your Restaurant must conform to QUIZNOS standards and specifications. You must submit (through the mail, return receipt requested) for prior approval samples of all advertising and promotional materials that you want to use that we or our affiliates have not prepared or previously approved. Any proposed uses not previously approved by us or our affiliates must be submitted to us or our affiliates at least 10 days prior to use.

As noted above, our affiliates receive revenue directly from sales to franchisees of required products or services. In addition, we and our affiliates have the right to receive payments from unaffiliated suppliers on account of their actual or prospective dealings with you and other Franchisees and to use the amounts received without restriction (unless we or our affiliates agree otherwise with the supplier) for any purpose we or our affiliates deem appropriate. Our affiliates negotiate purchase arrangements with suppliers for the benefit of the QUIZNOS System, which often include volume discounts. Some suppliers pay fees to us and/or our affiliates for products purchased through these negotiated agreements, and willingness to pay us and/or our affiliates fees may be a condition for approving a supplier. These fees are usually based on an amount per case of product ordered and generally range from \$1 to \$3 per case or, in the case of equipment suppliers, 2% to 5% of equipment sales. Revenues received from equipment suppliers are used, in part, to fund an in-house construction department primarily responsible for overseeing all aspects of designing and constructing Franchisees' Restaurants and facilitating openings in as short a period and as cost-effectively as possible. Following is a list of our affiliates and the revenue received from sales to Franchisees and from approved suppliers based on Franchisee purchases based on internally prepared unaudited financial statements of each affiliate:

AFD: For fiscal year ended December 31, 2005, AFD received revenue of \$93,324,012 from the sale of food products to franchisees. AFD received payments from approved suppliers totaling \$33,353,377 (AFD contributed \$17,500,000 to the National Marketing Fund).

SOD: For the fiscal year ended December 31, 2005, the Quizno's affiliate's portion of SOD's revenue from selling and providing certain restaurant equipment, building materials, architectural and design services to Franchisees was \$60,365,204 (note: revenue numbers represent gross revenue before cost of goods and operating expenses and do not represent profits or net income to our affiliate). The Quizno's affiliate's portion of SOD's payments received from approved suppliers was \$4,809,233.

CLG Leasing LLC: For fiscal year ended December 31, 2005, CLG had revenue of \$460,400 from leasing point-of-sale and credit card processing terminals to Franchisees. (Note: revenue numbers represent gross revenue before cost of goods and operating expenses and do not represent profits or net income to our affiliate.)

Ba-Bing!: For fiscal year ended December 31, 2005, the Quizno's affiliate's portion of Ba-Bing!'s revenue from selling and servicing point-of-sale terminals, credit card processing terminals, and in-store music to franchisees was \$8,920,230 (note: revenue numbers represent gross revenue before cost of goods and operating expenses and do not represent profits or net income to our affiliate). The Quizno's affiliate's portion of payments received by Ba-Bing! from approved suppliers was \$165,194.

KSS: For fiscal year ended December 31, 2005, KSS received revenue of \$2,149,833 from the sale to Franchisees of certain branded items like logowear, uniforms and printed items and from managing relationships with certain other approved or designated vendors such as payroll and facilities services (note: revenue numbers represent gross revenue before cost of goods and operating expenses and do not represent profits or net income to our affiliate). KSS received payments from approved suppliers totaling \$1,114,421.

CLG: For fiscal year ended December 31, 2005, CLG received payments from approved insurance suppliers totaling \$415,992.

TQRC: For fiscal year ended December 31, 2005, TQRC received payments from franchisees of \$9,139, representing fees associated with the former Lease Assistance Program pursuant to which TQRC would execute a master lease then sublease the premises to the franchisee. That program has been discontinued, but a few Franchisees will continue to pay fees pursuant to the program until their subleases expire.

TQSC II LLC: For fiscal year ended December 31, 2005, TQSCII received payments from approved suppliers in the amount of \$1,852,752.

Currently, our affiliates are the only suppliers for lease review, architectural services, virtually all proprietary and branded items, point-of-sale systems, credit card processing terminals, and certain restaurant equipment and building materials. Our affiliates also currently derive revenue from approved suppliers of bookkeeping services, payroll services, facilities services, music services and insurance carriers.

We do not provide any other material benefits to Franchisees for using designated or approved suppliers. We estimate that the cost of your purchases from designated or approved suppliers, or according to QUIZNOS standards and specifications, will range from 80% to 100% of the total cost of establishing, and approximately 35% to 45% of the total cost of operating, your Restaurant. These estimates are the same for Franchisees operating under the Development Program and any Special Product Program. There currently are no purchasing or distribution cooperatives within the QUIZNOS System.

ITEM 10

FINANCING

We or our affiliates occasionally might sell the notes receivable received from Area Directors (or received in the past from Franchisees under equipment leases) to third-party lenders. In that event, the Area Directors and Franchisees make payment directly to the third-party lender. Notes receivable from Area Directors and Franchisees also might be used to secure lines of credit with, or other loans by, third-party lenders. If we and our affiliates presently do not transfer or assign notes, contracts, or other instruments to third parties, we reserve the right to do so in the future. We and our affiliates will remain primarily liable to provide all services, if any, due to Area Directors and Franchisees under the notes receivable from them, and the third party who acquires these notes might be immune under the law to any defenses to payment the Area Directors or Franchisees have against us. We and our affiliates have no other practice or

intent to sell, assign, or discount to a third party all or a part of any financing arrangement. We and our affiliates receive no payments for placing financing with any lender.

Under the Equipment Lease Agreement, one of our affiliates will lease to you certain beverage dispensing equipment at no cost. (See Item 8) You may use this equipment only while operating your Restaurant and must return the equipment to our affiliate when the Franchise Agreement expires or is terminated.

We do not have a fixed financial assistance program for our Franchisees. However, we periodically may offer financial assistance to existing Franchisees for the operation of their Restaurants. We have no formal criteria to determine which Franchisees will receive financial assistance or the amount or timing of the assistance. The terms of any financial assistance, including amount, interest rate, and repayment terms, will depend on our agreement with the Franchisee and its particular circumstances. We need not offer financial assistance to any particular Franchisee. Our decision to offer financial assistance depends on what we think is best for the QUIZNOS System.

Except as described above, neither we nor our affiliates offer, either directly or indirectly, any financing arrangements nor guarantee your note, lease, or other obligations. Our Franchisees are generally eligible for expedited and streamlined Small Business Administration loan processing through the SBA's Franchise Registry Program (www.franchiseregistry.com). You agree in the Franchise Agreement that you will not, without our prior written consent, borrow more than the maximum allowed debt we prescribe for you. Currently, the maximum amount of debt we allow a Franchisee to service ranges from \$0 to \$140,000, although we may consider higher limits in certain urban markets in which construction costs are generally higher. We will establish your maximum allowed debt based upon your financial condition, the estimated initial investment necessary to open your particular Restaurant, and the location of your Restaurant. We periodically may change this amount for you and other Franchisees (that is, the amount may differ from Franchisee to Franchisee because of each Franchisee's particular circumstances). We impose this requirement because excess debt and debt service will adversely affect your Restaurant's operational results.

ITEM 11

FRANCHISOR'S OBLIGATIONS

Except as listed below, we need not provide any assistance to you.

Pre-Opening Assistance. Before you open a Restaurant, an Area Director, a Green Jacket, TQSC, or another authorized representative (which may be another affiliate of ours) will perform for you the services listed below. As noted earlier, TQSC provides pre-opening and post-opening services to our Franchisees on our behalf under a Servicing Agreement in exchange for certain servicing fees. However, as your franchisor, we are contractually responsible for making sure that these services are performed as required under the Franchise Agreement and are accountable to you if they are not properly performed.

1. Give you specifications for the Restaurant's site if you do not have an approved location when you sign the Franchise Agreement. Approval of any proposed site is based on information you submit in a form sufficient for us to assess the location. While we may provide you with certain third-party demographic information regarding the market area around your proposed site, you are responsible for compiling the information necessary for us to evaluate your site (Section 9.1(a), Franchise Agreement). TQSC (or another representative) also will provide certain lease review, lease negotiation, and lease assistance services, the terms of which are fully disclosed in Items 5, 8, and 10 above and referenced again later in this Item 11. (Sections 6.1 and 6.2, Franchise Agreement)

2. Give you advice regarding the required build-out, interior design, layout, floor plan, signs, design, color, and decoration of the Restaurant's premises. You must use our designated architectural services firm, which may be an affiliate of ours. (Section 9.1(b), Franchise Agreement)

3. Give you advice regarding QUIZNOS standards and specifications for the equipment, supplies, and materials used in, and the menu items offered for sale by, your Restaurant and the selection of suppliers. You receive a list of designated and approved suppliers of equipment, supplies, and materials and, if available, a description of any national or central purchase and supply agreements that approved suppliers offer to QUIZNOS Franchisees. (Section 9.1(c), Franchise Agreement)

4. Train you and your employees in Denver, Colorado or at another specified location. (Sections 7.1 and 9.1(e), Franchise Agreement)

5. Loan you one copy of an Operations Manual (and appropriate updates and revisions), covering the Restaurant's operating and marketing techniques. (Sections 8 and 9.1(g), Franchise Agreement)

6. Provide opening assistance to assist you in opening your Restaurant. (Section 9.1(f), Franchise Agreement)

7. Guide you in implementing advertising and marketing programs, operating and sales procedures, and bookkeeping and accounting programs. (Section 9.1(d), Franchise Agreement)

Continuing Assistance. During the operation of your Restaurant, an Area Director, TQSC, or another authorized representative (which may be another affiliate of ours) will perform for you the services listed below.

1. If you request, provide telephone consultation regarding the continued operation and management of your Restaurant and advice regarding Restaurant services, product quality control, menu items, customer relations, and similar matters. (Section 10.1(a), Franchise Agreement)

2. Give you access to advertising and promotional materials developed for the QUIZNOS System, the cost of which may be passed on to you. (Section 10.1(b), Franchise Agreement)

3. Provide you, as deemed necessary, on-going updates of information and programs regarding menu items and their preparation, the Restaurant business, and related Licensed Methods, including information about special or new services, products or methods of operation developed for the QUIZNOS System and made available to Franchisees. (Section 10.1(c), Franchise Agreement)

4. Train replacement or additional managers for your Restaurant (“**Designated Managers**”) during the franchise term. You might have to pay a tuition or fee for training, payable in advance, equal to then current rates. (See Item 6) You must pay all travel and living expenses for your personnel during the training program. The availability of the training programs depends on space considerations and prior commitments to new QUIZNOS Franchisees. (Sections 7.2 and 10.1(d), Franchise Agreement)

5. Provide guidance and consultation to you and your payroll and bookkeeping service providers, as we deem appropriate, with respect to compliance with QUIZNOS standards and specifications for the provision of those services. (Section 15.1, Franchise Agreement) (See Items 6 and 8)

Marketing and Promotion. You must pay a Marketing and Promotion Fee of 1% of your weekly Gross Sales (see Item 6), which is deposited in a bank, commercial account, or savings account (“**Marketing Fund**”). All affiliate-owned Restaurants must pay into the Marketing Fund on an equal percentage basis with all franchised Restaurants. Because the Marketing Fund is not audited, audited financial statements are not available to Franchisees. Annual unaudited financial statements for the Marketing Fund are available 120 days after the end of the Marketing Fund’s fiscal year.

One or more of our affiliates administer and control the Marketing Fund, which is used to create, produce, and place advertising, in-store signs, in-store promotions, and commercial advertising; to pay agency costs and commissions; to create and produce video, audio, and written advertisements; to administer multi-regional advertising programs, including direct mail and other media advertising; to employ advertising agencies and in-house staff assistance; and to support public relations, market research, and other advertising and marketing activities. The advertising may be disseminated in print, television, or radio. The coverage has been local or regional, and, since early 1998, the QUIZNOS System has used a national cable television campaign. There is no current franchisee advertising council although we may implement one in the future. We and our affiliates do not directly solicit Franchisees through the Marketing Fund.

Our affiliates may be reimbursed from the Marketing Fund for administrative costs, salaries, and overhead expenses related to administering the Marketing Fund and its marketing programs, including conducting market research, preparing material, and collecting and accounting for Marketing Fund contributions. In any fiscal year, the Marketing Fund may spend more or less than the aggregate contribution of all QUIZNOS Restaurants to the Marketing Fund in that year. QUIZNOS affiliates have, from time to time and in our discretion, made additional investments into the Marketing Fund to supplement the efforts of that fund. We may, but are not obligated to, follow this practice in the future. In fiscal year ended December 31, 2005, our affiliates contributed \$30,700,000 to the Marketing Fund. The Marketing Fund may also borrow from QUIZNOS affiliates (at commercially reasonable rates) or third party lenders to cover

deficits or invest any surplus for future use. Any amounts that remain in the Marketing Fund at the end of each year accrue and are applied toward the next year's expenses. The Marketing Fund is not our or any affiliate's asset. The Marketing Fund is to maximize recognition of the Marks and patronage of Restaurants. Although our affiliates will try to use the Marketing Fund to develop advertising and marketing materials and programs and to place advertising and marketing that will benefit all Franchisees, they need not ensure that Marketing Fund expenditures in or affecting any geographic area are proportionate or equivalent to Marketing Fund contributions by Restaurants operating in that geographic area or that any Franchisee benefits directly or in proportion to its Marketing Fund contribution from the development of advertising and marketing materials or the placement of advertising. We and our affiliates have the right to deposit into the Marketing Fund any advertising, marketing, or similar allowances paid by suppliers. (See Item 8) We and our affiliates assume no other direct or indirect liability or obligation to you for collecting amounts due to or maintaining, directing, or administering any advertising account.

Our affiliates may use collection agents and institute legal proceedings to collect Marketing Fund contributions at the Marketing Fund's expense. Our affiliates also may forgive, waive, settle, and compromise all claims by or against the Marketing Fund. Our affiliates may at any time defer or reduce a Franchisee's contributions and, upon 30 days' prior written notice to you, reduce or suspend Marketing Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Marketing Fund. If the Marketing Fund is terminated, our affiliates will distribute all unspent monies to the contributors in proportion to their respective Marketing Fund contributions during the preceding 12-month period.

You may create your own advertising and promotion materials; however, all your advertising and promotion must be in approved media and formats, be conducted in a dignified manner, and conform to QUIZNOS standards and requirements. You may not use any advertising or promotional plans or materials until you receive our written approval.

You must participate in any promotion campaigns and advertising and other programs periodically established or approved for QUIZNOS Restaurants, whether on a national, regional or local basis. In some instances, while participation is mandatory, we may allow you to participate at different price points (subject to our right to establish maximum pricing).

Local Advertising. As long as we require you to contribute to the Regional Advertising Program (described below) you must spend 1% of Gross Sales each calendar quarter on local advertising. If we cease to require contributions to the Regional Advertising Programs, you must contribute 3% of Gross Sales each calendar quarter on local advertising. We may require an accounting from you of the amounts spent on local advertising within 10 days following the end of each calendar quarter. We and our affiliates have the right to collect and designate all or a portion of the Local Advertising Fee for either a regional advertising program or the Marketing Fund for the benefit of either the Restaurants within your particular region or all Restaurants operating under the QUIZNOS Marks. All affiliate-owned Restaurants spend money for local advertising on an equal percentage basis with all franchised Restaurants. You may purchase local advertising separately through local marketing and media sources within a geographical

area. Local advertising is your responsibility subject to our approval of any advertising or promotional plans or materials you intend to use or implement.

Grand Opening. You must conduct a grand opening advertising and promotion program for your Restaurant when and in the manner specified (depending on your particular circumstances). You must spend a minimum of \$6,000 on the grand opening program for traditional Restaurants and \$3,000 for Non-Traditional Restaurants.

Regional Advertising Programs. We and our affiliates may, upon notice to you, create a regional advertising program (“**Regional Advertising**”) for the benefit of the Restaurants located within a particular region. (See discussion below regarding 3 Regional Advertising programs formed for the QUIZNOS System in July 2000.) We and our affiliates have the right to (i) allocate any portion of the Marketing Fund to the Regional Advertising program; and (ii) collect and designate all or a portion of the Local Advertising Fee for a Regional Advertising program. If a Regional Advertising program is established, we and our affiliates may increase the Local Advertising Fee by 1%; provided that in no event must you spend more than a total of 5% of your gross sales, in the aggregate, for the Local Advertising Fee, Regional Advertising, and Marketing Fund contributions, including Yellow Pages advertising. We currently collect 3% of Gross Sales for contribution to the Regional Advertising, except with respect to Restaurants in the Las Vegas market where we currently collect 4%. We and our affiliates may determine the composition of all geographical territories and market areas for Regional Advertising and promotion campaigns and require that you participate in the Regional Advertising programs as and when established. We and our affiliates may at any time, upon 30 days’ prior written notice to you, suspend a Regional Advertising program for 1 or more periods of any length and terminate (and, if terminated, reinstate) the Regional Advertising program.

In July 2000, 3 Regional Advertising programs were formed for the QUIZNOS System in the following regions in the continental United States:

ATLANTIC	CENTRAL	PACIFIC
ALABAMA, CONNECTICUT, DELAWARE, FLORIDA, GEORGIA, KENTUCKY, MAINE, MARYLAND, MASSACHUSETTS, MICHIGAN, NEW HAMPSHIRE, NEW JERSEY, NEW YORK, NORTH CAROLINA, OHIO, PENNSYLVANIA, PUERTO RICO, RHODE ISLAND, SOUTH CAROLINA, TENNESSEE, VERMONT, VIRGINIA, WEST VIRGINIA, WASHINGTON DC	ARKANSAS, ILLINOIS, INDIANA, IOWA, KANSAS, LOUISIANA, MINNESOTA, MISSISSIPPI, MISSOURI, NEBRASKA, NORTH DAKOTA, OKLAHOMA, SOUTH DAKOTA, TEXAS, WISCONSIN	ALASKA, ARIZONA, CALIFORNIA, COLORADO, HAWAII, IDAHO, MONTANA, NEVADA, NEW MEXICO, OREGON, UTAH, WASHINGTON, WYOMING

Our affiliates administer these Regional Advertising programs directly. The state in which your Restaurant opens will determine the region in which you will participate. Our affiliates currently collect and designate all of the Local Advertising Fee for these 3 Regional Advertising programs. Our affiliate-owned Restaurants pay into the Regional Advertising programs on an equal percentage basis with franchised Restaurants. The fees designated to the

Regional Advertising programs may be used to pay regional, multi-regional, or national marketing expenses, as these Regional Advertising programs may establish and administer, and/or participate in, regional, multi-regional, and/or national advertising programs benefiting Restaurants in the region. Our affiliates do not plan to audit the Regional Advertising programs, although annual unaudited financial statements are available for review 120 days after the end of the programs' fiscal year. We and our affiliates do not directly solicit Franchisees through Regional Advertising programs, although consumer advertising might passingly reference the availability of franchises. Participation in the Regional Advertising programs requires franchisees to comply with maximum pricing policies and to accept coupons.

Our affiliates may be reimbursed from the Regional Advertising programs for administrative costs, salaries, and overhead expenses related to administering the Regional Advertising programs and their marketing programs. In any fiscal year, any or all of the Regional Advertising programs may spend more or less than the aggregate contribution of all QUIZNOS Restaurants in the region or regions in that year. Our affiliates may, from time to time and in our discretion, make additional investments into the Regional Advertising programs to supplement the efforts of those programs. The Regional Advertising programs may also borrow from our affiliates (at commercially reasonable rates) or third party lenders to cover deficits or invest any surplus for future use. Any amounts that remain in the Regional Advertising programs at the end of each year accrue and are applied toward the next year's expenses. The Regional Advertising program funds are not our or any affiliate's asset. Although our affiliates will try to use each Regional Advertising program to develop advertising and marketing materials and programs and to place advertising and marketing that will benefit all Franchisees in that region, they need not ensure that the expenditures in or affecting any geographic area are proportionate or equivalent to Regional Advertising program contributions by Restaurants operating in that region, or that any Franchisee benefits directly or in proportion to its Regional Advertising program contribution from the development of advertising and marketing materials or the placement of advertising. We and our affiliates have the right to deposit into the Regional Advertising programs any advertising, marketing, or similar allowances paid by suppliers. (See Item 8) We and our affiliates assume no other direct or indirect liability or obligation to you for collecting amounts due to or maintaining, directing, or administering any advertising account.

In-house personnel and outside ad agencies create advertising and promotions for the Marketing Fund and Regional Advertising programs. During the fiscal year ending December 31, 2005, the Marketing Fund, and the Regional Advertising programs spent 23.78% of their total expenses on production of marketing materials (including television and radio, research, shipping, and direct marketing promotions), 74.63% for media placement and other forms of direct advertising, and 1.58% for administrative expenses (including amounts paid to QAFT, which administered the Marketing Fund).

Local Advertising Cooperative. We may develop a Local Advertising Cooperative program to permit QUIZNOS Restaurants in a geographic region to establish a local advertising cooperative ("Local Advertising Cooperative") in accordance with the policies prescribed by us. If we implement such a program, formation of a Local Advertising Cooperative will be at the option of the franchisees of QUIZNOS Restaurants in the geographical area. However, each cooperative will be organized and operate under the form of document we designate. All

advertising, marketing or promotional plans or materials created by the cooperative must have our written approval before use.

Computer Hardware and Software/Cash Register Systems. You must obtain point-of-sale work stations or cash registers for taking customer orders, recording sales, and running local reports. You must use a point-of-sale system or cash register designated in the Operations Manual or elsewhere. You also must use the designated music system and credit card processing system. You currently must use a CRS 4000 (also sold as NEC ResCounter 4000) for your POS System. (This requirement for new QUIZNOS Franchisees has been in place since April 2002.) We and our affiliates reserve the right to update specifications from time to time. You must use a personal computer in operating your Restaurant and a letter quality printer to print reports generated by your personal computer. You may purchase any personal computer that is an MS-DOS system with a minimum 486 microchip capacity and any letter quality printer. You must also purchase a compact disk interactive player and TV/VCR unit used for training. We and our affiliates may require you to use specific software programs (although that obligation does not yet exist). All hardware components are the proprietary property of their manufacturers, who need not provide ongoing maintenance, repairs, upgrades, or updates unless you pay for them. Their charges vary. We and our affiliates will have independent access to the sales information and data produced by your computer system but no independent access to any other information. There are no contractual limitations on our and our affiliates' right to access this information and data. You have a contractual obligation to update hardware components and software to meet then current QUIZNOS standards and specifications and to address technological developments or events.

Operations Manuals. Exhibit G to this Offering Circular is the table of contents of the QUIZNOS Operations Manual. The total number of pages in the Operations Manual is 474.

Site Selection Assistance. While we may provide certain assistance in finding a site for you, it is your responsibility to locate suitable premises for your Restaurant. We make no guaranty or assurance that any particular site or area in which you have expressed an interest prior to signing your Franchise Agreement will be available, and your obligations under the Franchise Agreement are not conditioned upon securing any particular site or a site in a particular area.

We, either directly or through our affiliate, will make the final determination to approve or reject any site which you propose to us. That determination may be based on various criteria and procedures which may change from time to time in our discretion. If you propose a site and we determine that it does not meet our criteria, it will be rejected, and you will be required to propose an alternative site.

Currently, the procedure we utilize involves us identifying a general area in which you will focus your efforts to find an acceptable location. This search area, if designated, is simply the area in which you will concentrate your efforts to find an acceptable location and is not the grant of, or right to, an exclusive or protected territory nor does it prevent you from searching for sites in other areas. (See Item 12) If a search area is identified, it is identified in order to facilitate the orderly development of the market and not for purposes of granting you any exclusivity or protection within the area. Other Franchisees will be allowed to search for sites in

the area in which your efforts may be focused. In addition, if you are presented with a site that meets QUIZNOS criteria (as determined in our or our affiliate's sole discretion) and you refuse to secure the site for any reason, (including because you do not agree with lease provisions we negotiate on your behalf as described below), we may present the site to another Franchisee. Nothing contained in the Franchise Agreement obligates us to continue to utilize the procedure described above.

Unless we approve otherwise, our affiliate or designated representatives will negotiate the terms of your lease, including review by our affiliate for the benefit of the QUIZNOS system to ensure that it meets minimum QUIZNOS requirements. When a negotiated lease is presented to you, you will have the option of proceeding with or passing on the site. It is important that you understand that you have been advised to obtain the advice of your own professional advisors before you sign a lease. If you do not agree with the lease provisions that our affiliate or representative has negotiated, you need not move forward with the particular site, but you would then have to find another suitable site for the Franchised Location. If you reject a site because you do not agree with the lease provisions that our affiliate or representative has negotiated, we may permit another franchisee to enter into a lease for the site, whether on the terms rejected by you or on other terms, or to search for a site in your initially identified area. You will then have to search for another suitable site, which may be in that area or outside of that area. You must not, without our prior written consent, enter into any contract to purchase or lease the premises you intend to use as a Franchise Location. (See Items 6, 7, 8, and 10) Doing so may result in your being obligated on a lease for premises which we will not allow to be developed as a QUIZNOS Restaurant.

Our lease negotiations and approval of locations are for our sole benefit and are not intended to imply or guarantee the success or profitability of the Franchised Location. You understand that you are not relying on our lease negotiations or site approval for such purposes.

Generally, it may take from 8 to 18 months to find an acceptable site and/or obtain an acceptable lease. If you do not find an acceptable site and/or have an acceptable lease so that you can open your Restaurant within 12 months after signing the Franchise Agreement, we may terminate the Franchise Agreement, unless we determine, in our sole discretion, that you are continuing to actively and diligently obtain a suitable location and/or lease. If we determine at the end of 12 months that you are continuing to actively and diligently obtain a suitable location and/or lease so that you can reasonably be expected to open your Restaurant within 24 months after signing the Franchise Agreement, we will not terminate the Franchise Agreement until the earlier of 24 months after signing the Franchise Agreement or such time as we determine, in our sole discretion, that you are no longer actively and diligently seeking to obtain a suitable location and/or lease.

Schedule For Opening. We estimate that the typical length of time between the date you sign the Franchise Agreement and open your Restaurant is 12 to 24 months. This depends on your ability to locate a site, secure financing, and obtain a lease; the extent to which you must upgrade or remodel an existing location; the delivery schedule for equipment, inventory, and supplies; and completing training. You must open your Restaurant within 12 months after you sign the Franchise Agreement unless at that time we determine, in our sole discretion, that you are continuing to actively and diligently obtain a suitable location and/or lease so that you can

reasonably be expected to open your Restaurant within 24 months. In that case, we will not terminate the Franchise Agreement until the earlier of 24 months after signing your Franchise Agreement or such time as we determine, in our sole discretion, that you are no longer actively and diligently seeking a suitable location and/or lease.

Additional Training Information. After you sign the Franchise Agreement and no later than 60 days before you open your Restaurant, you (or your managing owner) and your Designated Manager must attend and satisfactorily complete the initial QUIZNOS training program. There is no charge for up to 3 individuals, although you must pay travel and living expenses, wages, and applicable test facility fees for all employees who attend the training session. We may charge a training fee for each Special Product in which you participate. Training may be conducted in Denver, Colorado, a certified regional training store, or a combination of both.

Quizno's University ("QU") training currently is a 24-day program (plus homework and self-paced study), with 18 days focused on training in a Restaurant. The program includes on-the-job training, homework and activities, and classroom training. The QU training program and curriculum may change at any time. Successful completion of the initial training program will require that attendees be able to demonstrate that they can perform basic math and read, write, and converse in the English language by passing a basic skills test. If you are a corporation, partnership, or limited liability company, you must have a managing owner who owns at least 25% of the entity's ownership interests. That managing owner and your Designated Manager, if known, must pass the basic skills test when you sign the Franchise Agreement. All other attendees must pass the basic skills test before they begin training. There may be additional tests that attendees must pass before beginning certain portions of training. These tests may be administered at test facilities operated by independent third parties. If a third party administers a test, you must pay any test fees charged by these third parties, which we estimate will not be more than \$75 per person per test, although test fees may exceed that amount depending on the facility. You also will bear any other costs related to taking these tests, including travel and lodging costs.

We may require you (or your managing owner) or your Designated Manager to attend, at your expense (although without a tuition charge), meetings, seminars, or conferences presented to discuss topics such as advertising programs, new operations methods, training, management, sales, or sales promotion. Attendance at periodic market meetings is mandatory.

Although QU classes customarily are conducted at least three times a month, the schedule could change in the future. Currently, the following training is provided:

Subject¹	Hours of Classroom Training	Instructional Material	Hours of On the Job Training and Activities	Hours of Homework	Instructor
Position or Hourly Task Training	0 Hours	Operations Manual	72 Hours	11 Hours	Note 3
Management of Daily Operations	15 Hours	Operations Manual, QU 102 Workbook, QU 103 Workbook	43 Hours	11 Hours	Note 3
Customer Service ²	4 Hours	Operations Manual, QU 103 Workbook	15 Hours	5 Hours	Note 3
Financial Management ²	7.5 Hours	Operations Manual, QU 103 Workbook	8 Hours	5 Hours	Note 3
Building and Leading a Quality Team ²	6 Hours	Operations Manual, QU 103 Workbook	8 Hours	5 Hours	Note 3
Point-of-Sale System Training	15 Hours	Point-of-Sale Workbook	36 Hours	0 Hours	Note 3

- ^{1/} There may be additional training required for each Special Product, which will not exceed 11 days.
- ^{2/} These topics are interwoven throughout the 24 days of on-the-job training, classroom, and homework; actual hours depend on location of training, class size, etc.
- ^{3/} James Johnson (see Item 2) supervises all training and curriculum development for training. Other TQSC employees, employees of certified regional training stores (who concentrate in the areas they will teach), and area directors in your area also will train you.

ITEM 12

TERRITORY

You do not have any exclusive or protected territory. We and our affiliates may establish other franchised and company-owned units anywhere we want that compete with you, regardless of proximity to your Restaurant. Under the Franchise Agreement, you must operate your Restaurant at a specific location identified in the Franchise Agreement. That location will be a specific numbered street or mall address. You may be authorized to provide delivery services from the Restaurant in accordance with our standard operating procedures, but you may not provide such services until you have been certified by us to do so. You may not conduct business from any other site, including unapproved catering and delivery services. If the location has not yet been identified when we and you sign the Franchise Agreement, you will look for an acceptable site after signing the Franchise Agreement.

You will propose a location to us for approval. If a site you propose is not approved, you must propose a new site for our review. The site you propose for approval may be a site you present to us, or a site that has been presented to you by our authorized representatives. Our affiliate may approve or disapprove the proposed location according to the terms of the Franchise Agreement and then-current QUIZNOS site selection and approval criteria and procedures. Our affiliate may use various criteria and procedures to evaluate a location you propose, which may change from time to time. Currently, the procedure we utilize in Non-Area Director markets involves identifying a general area (the size of which will depend upon the characteristics of the particular market involved) in which you will focus your efforts to find an acceptable location. This search area, if designated, is simply the area in which you will concentrate your efforts to find an acceptable location and is not the grant of, or right to, an exclusive or protected territory. If a search area is identified, it is identified in order to facilitate the orderly development of the market and not for purposes of granting you any exclusivity or protection within the area or to restrict you from searching for sites in other areas. Other Franchisees will also be allowed to search for a site in that area. In addition, if you are presented with a site that meets QUIZNOS criteria (as determined in our or our affiliate's sole discretion) and you refuse to secure the site for any reason, the site may be offered to another Franchisee. There are no restrictions on us in any area, either before or after you select and we approve a location.

Once you select and propose a site that we approve, it will be the Franchised Location. While you are required to continuously operate the Restaurant in accordance with the Licensed Methods and as set forth in the Operations Manual, you are not required to achieve any minimum sales quota. You may not relocate the Restaurant without our written consent. You may advertise your Restaurant and solicit customers from any area and serve all customers who enter your Restaurant. We do not grant you any options or similar rights to acquire additional franchises in any area contiguous to your Restaurant.

We and our affiliates retain the right under the Franchise Agreement: (1) to use, and to license others to use, the Marks and Licensed Methods to operate QUIZNOS Restaurants at any location other than your Franchised Location; (2) to use the Marks and Licensed Methods with services and products, in promotional and marketing efforts or with related items, or in alternative channels of distribution, without regard to location; (3) to use and license the use of alternative proprietary marks or methods for the operation of restaurants or other businesses under names that are not the same as or confusingly similar to the Marks, which businesses may be the same as, or similar to, or different from QUIZNOS Restaurants; and (4) to engage in any other activities not expressly prohibited in the Franchise Agreement.

ITEM 13

TRADEMARKS

Under the Franchise Agreement, we grant you the non-exclusive right to use the Marks to operate your Restaurant. Except as noted below, all of the primary Marks are registered on the Principal Register of the United States Patent and Trademark Office (USPTO):

Mark	Registration Number	Registration Date	Intl. Class
“QUIZNO’S”	1,317,421	January 29, 1985	42

“QUIZNOS”	2,820,292	March 2, 2004	29 & 30
“QUIZNO’S & Design”	1,716,834	September 15, 1992	42
“QUIZNO’S SUBS OVEN BAKED CLASSICS and DESIGN”	2,228,680	March 2, 1999	42
“OVEN TOASTED TASTES BETTER”	2,540,306	February 19, 2002	30
“QUIZNOS SUB” stylized	2,843,107	May 18, 2004	43
“Q” stylized	2,714,443	May 6, 2003	42
“Q” stylized	2,722,381	June 3, 2003	30
“QUIZNOS”	3,013,409	November 8, 2005	30
“QUIZNOS SUB” (stylized with rights in the colors green and red claimed)	3,013,410	November 8, 2005	43

As described in Item 1, QIP currently owns the Marks. TQM (or TQC, its predecessor) filed all required affidavits of use. TQM previously renewed registration number 1,716,834. No other registration is due to be renewed (although all important Marks will be renewed when required).

Under its February 9, 2005 License Agreement with QFA, QIP licensed QFA the right to use the Marks and to sublicense them (a) to us to use and sublicense in granting new QUIZNOS Restaurant franchises to our Franchisees and granting new Area Director rights in the United States and Puerto Rico, (b) to its own existing QUIZNOS Restaurant Franchisees and Area Directors in the United States and Puerto Rico, and (c) to AFD for use in, among other things, manufacturing, distributing, buying, and reselling QUIZNOS branded food and other products for QUIZNOS Restaurants in the United States and Puerto Rico. The IP License Agreement between QIP and QFA will be for 99 years. QFA must maintain minimum quality and usage standards for the Marks.

If QFA materially violates any of the terms of the IP License Agreement (most of which relate to ensuring proper trademark usage by QFA, Franchisees, and other sublicensees) and does not cure that violation within 30 or (if it has started diligent cure efforts) 60 days after notice of the breach, QIP or its representative may cure the violation at QFA’s expense or seek an injunction to enforce compliance. If QIP violates the IP License Agreement’s material terms and does not cure that violation within 30 or (if it has started diligent cure efforts) 60 days after notice of the breach (potentially resulting in QFA’s loss of the right to use and sublicense the Marks), or if, among other things, QIP becomes insolvent, files a petition for bankruptcy (or has one filed against it that remains in effect for more than 60 days), or makes an assignment for the benefit of creditors, QFA may exercise its rights as a secured party, including foreclosing on and continuing to use the Marks. The IP License Agreement may not be terminated before the end of

its 99-year term for an uncured breach if either QFA or we are the franchisor of the QUIZNOS System in the United States and Puerto Rico.

The IP Sublicense Agreement between us and QFA, also dated February 9, 2005, likewise will be for 99 years. Under that Agreement, we will have the right to use the Marks, among other things, in granting new QUIZNOS Restaurant franchises to our Franchisees and granting new Area Director rights in the United States and Puerto Rico. If we materially violate any of the terms of the IP Sublicense Agreement (most of which relate to ensuring proper trademark usage by us, Franchisees, and other sublicensees) and do not cure that violation within 30 or (if we have started diligent cure efforts) 60 days after notice of the breach, QFA or its representative may cure the violation at our expense or seek an injunction to enforce compliance. The IP Sublicense Agreement contains no grounds for termination if there has been a breach. (While the IP Sublicense Agreement would terminate automatically upon the termination of the IP License Agreement between QFA and QIP, it is not anticipated (as noted above) that the IP License Agreement will be terminated before the end of its 99-year term.)

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, nor are there any pending infringement, opposition, or cancellation proceedings or material litigation, involving the Marks. Except as provided above, no agreements limit our right to use or sublicense the use of the Marks.

You must follow our and our affiliates' rules when you use the Marks. The Marks are the only Marks you may use to identify your Restaurant. There might be additional requirements for use of the Marks if you participate in a Special Product. You must identify yourself as the independent owner of the Restaurant as we require. You may not use any Mark as part of any corporate or trade name; with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos licensed to you); as part of any domain name or electronic address you maintain on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system; to advertise unauthorized services or products; or in any other manner not expressly authorized in writing.

You must modify or discontinue your use of a Mark, at your own expense, if we so require. We and our affiliates need not reimburse you for your direct expenses of changing the Restaurant's signs, for any loss of revenue due to any modified or discontinued Mark, or for your expenses of promoting a modified or substitute mark.

You must immediately notify us of any apparent infringement or challenge to your use of any Mark and may not communicate with any person other than us and our affiliates, or our counsel, regarding this matter. You may not settle any claim without our and our affiliates' written consent. We and our affiliates may take the action we collectively deem appropriate and control exclusively any litigation, USPTO proceeding, or other administrative proceeding arising out of any infringement, challenge, or claim.

We and our affiliates are not contractually obligated to protect you against claims of infringement or unfair competition regarding your use of the Marks but might do so when, in the opinion of our legal counsel, your rights require protection. In that case, we and our affiliates

pay all costs, including attorneys' fees and court costs, associated with any litigation required to defend or protect your authorized use of the Marks. We and our affiliates will not pay any of your attorneys' fees if you hire your own attorney. You must cooperate with us and our affiliates in any litigation.

We and our affiliates do not know of any infringing uses or superior prior rights that could materially affect your use of the Marks.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the franchise. The QUIZNOS Operations Manual, recipes, and related materials are considered proprietary and confidential, to be used only as described in the Franchise Agreement. We and our affiliates claim copyrights in the Operations Manual, advertising and marketing materials, and similar items used in operating the franchise. We and our affiliates have not registered these copyrights with the United States Registrar of Copyrights but need not do so to protect them. You may use these items only as specified while operating your franchise (and must stop using them if so directed). QF has sublicensed to us the right to use certain confidential and proprietary materials and information (non-trademark QUIZNOS IP) and to sublicense them to our Franchisees. We describe this sublicense agreement in Item 13. Our right to use and sublicense non-trademark QUIZNOS IP comes from QFA under the IP Sublicense Agreement. QFA also has the right to use and sublicense non-trademark QUIZNOS IP to its QUIZNOS Franchisees under its IP License Agreement with QIP (also described in Item 13).

There currently are no effective determinations of the Copyright Office (Library of Congress) or any court regarding the copyrighted materials. Except for our current agreement with QFA and QFA's agreement with QIP, no agreement limits our right to use or allow others to use the copyrighted materials. We do not actually know of any infringing uses that could materially affect your using the copyrighted materials in any state. We and our affiliates need not protect or defend copyrights, although we intend to do so if in the System's best interests. We and our affiliates may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We and our affiliates need not participate in your defense or indemnify you for damages or expenses in a proceeding involving a copyright.

The Operations Manual and other materials contain QUIZNOS confidential information. This information includes site selection criteria; methods, formats, specifications, standards, systems, recipes, procedures, sales and marketing techniques, knowledge, and experience in developing and operating Restaurants; marketing and advertising programs for Restaurants; knowledge of specifications for and suppliers of certain equipment, products, materials, and supplies; and knowledge of the operating results and financial performance of Restaurants other than your Restaurant.

All ideas, concepts, techniques, or materials concerning a QUIZNOS Restaurant, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed to be QIP's sole and exclusive

property, part of the QUIZNOS System, and works made-for-hire for QIP. To the extent any item does not qualify as a “work made-for-hire” for QIP, you assign ownership of and all related rights to that item to QIP and must sign whatever assignment or other documents QIP requests to show its ownership or to help QIP obtain intellectual property rights in the item.

You may not use confidential information in an unauthorized manner. You must take reasonable steps to prevent its improper disclosure to others and use non-disclosure agreements with those having access.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Under the Franchise Agreement, you personally (or, if you are not an individual, your managing owner) or your Designated Manager must devote full time and best efforts to manage and operate your Restaurant, and you (or your managing owner) and your Designated Manager must successfully complete our mandatory initial training program and pass our basic skills test. Although we recommend it, you (or your managing owner) need not participate personally in the Restaurant’s on-site operation. In that case, however, your Designated Manager must manage the Restaurant’s daily operations on a full-time basis. (See Item 11) You must keep your Restaurant open during the business hours we designate.

If you are a corporation, limited liability company, or partnership, we do not require your Designated Manager to have an equity interest in you. However, your Designated Manager and all of your officers, directors, partners, shareholders, and members (and, if you are an individual, your spouse) must agree to be bound by the nondisclosure provisions of the Franchise Agreement.

We require each of your owners (and their spouses) to sign the Guaranty and Assumption of Franchisee’s Obligations (which is attached to the Franchise Agreement) personally assuming and agreeing to perform all obligations of the Franchisee and to be bound by the terms of the Franchise Agreement. In addition, your landlord might require you personally to guaranty the tenant’s obligations under your lease.

We make no other recommendations and have no other requirements regarding employment or other written agreements between you and your employees.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer for sale and sell all of the products and provide all the services, and only those products and services, that we approve or specify for the Restaurant. You may not offer for sale any products or offer any services that we have not approved. (See Items 8 and 9) We have the right to change the types of authorized products and services periodically. There are no limits on our right to do so. We may prescribe maximum prices that you may charge customers for products and services offered and sold by your Restaurant.

You must obtain our prior written approval in order to provide delivery services. We impose no other restrictions on goods or services you offer or the customers to whom you may sell.

ATTACHMENT

Guaranty and Assumption of Franchisee's Obligations

THIS AGREEMENT (the "**Agreement**") is entered into between **QUIZNO'S FRANCHISING II LLC**, a Delaware limited liability company located at 1475 Lawrence Street, Suite 400, Denver, Colorado 80202 ("**Franchisor**"), and the person(s) or entity listed as the Franchisee on the signature block of this Agreement ("**Franchisee**"), as of the date signed by Franchisor and set forth opposite Franchisor's signature on this Agreement (the "**Effective Date**").

1. PURPOSE

1.1 Franchisor and its affiliates have developed methods for establishing, operating, and promoting restaurants offering submarine sandwiches, salads, other food products and beverages, and related restaurant and carry out services ("**QUIZNOS Restaurants**" or "**Restaurants**"), which include the use and license of certain valuable trade names, service marks, and trademarks (the "**Marks**") owned by an affiliate of Franchisor and licensed to Franchisor, including the Mark "QUIZNOS," and the affiliate's distinctive techniques, expertise, and knowledge in establishing, operating, and promoting restaurants and related licensed methods of doing business (the "**Licensed Methods**").

1.2 Franchisor grants the right to others to establish and operate Restaurants under the Marks and using the Licensed Methods.

1.3 Franchisee recognizes and acknowledges the benefits to be derived from being identified and associated with Franchisor, and being able to utilize the Restaurant system and concepts, and therefore desires to establish a Restaurant at an approved location. Franchisor is willing to grant Franchisee the right to operate a Restaurant under the terms and conditions contained in this Agreement.

2. GRANT OF FRANCHISE

2.1 **Grant of Franchise.** Franchisor grants to Franchisee, and Franchisee accepts from Franchisor, the right to use the Marks and Licensed Methods in connection with establishing and operating a Restaurant at the location described in Section 3. Franchisee agrees to use the Marks and Licensed Methods, as they are changed, improved, and further developed by Franchisor and its affiliates from time to time, only in accordance with the terms and conditions of this Agreement.

2.2 **Scope of Franchise Operations.** Franchisee agrees at all times faithfully, honestly, and diligently to perform its obligations under this Agreement, to use best efforts to promote its Restaurant, and not to engage in any other business or activity that conflicts with the operation of the Restaurant in compliance with this Agreement. Franchisee agrees to utilize the Marks and Licensed Methods to operate all aspects of Franchisee's Restaurant in accordance with the methods and systems developed and prescribed from time to time by Franchisor, all of which are a part of the Licensed Methods. Franchisee's Restaurant shall offer all products and services designated by Franchisor. Franchisee shall implement any additions and changes to the products and services offered by its Restaurant that Franchisor requires.

3. FRANCHISED LOCATION

3.1 **Franchised Location.** Franchisee is granted the right to own and operate a Restaurant at a specific address and location ("**Franchised Location**") which will have been approved by Franchisor pursuant to this Section and Section 6 of this Agreement. Franchisee shall select and propose to Franchisor for approval a specific site for the Franchised Location. Franchisor, at its option, may also present sites to Franchisee for consideration. Franchisor will approve or disapprove a proposed location in accordance with the terms of this Agreement and Franchisor's then-current site selection and approval criteria and procedures. Franchisor may use a variety of criteria and procedures to evaluate a site Franchisee proposes and, if more than one franchisee is seeking a site in a particular area, to determine which franchisee will operate a Restaurant at a particular location. Franchisor may change its procedures from time to time. Franchisee agrees that, if Franchisor identifies a general area in which Franchisee is to concentrate its efforts to search for an acceptable site for the Franchised Location, this area is designated simply for purposes of focusing Franchisee's search and is not the grant of, or right to, an exclusive or protected territory. If Franchisee is unable or refuses to locate or secure a site that meets Franchisor's criteria within that area within the timeframe Franchisor specifies, Franchisor may allow another franchisee to search for a site in that area. In addition, if Franchisee is presented with a site that meets Franchisor's criteria, as determined in its sole discretion, and Franchisee refuses to secure the site for any reason, including because Franchisee does not agree with the lease provisions Franchisor negotiates on Franchisee's behalf, Franchisor may present the site to another Franchisee. Nothing contained herein obligates Franchisor to continue to utilize the procedure described above. Franchisor makes no guaranty or assurance that any particular site in which Franchisee has expressed an interest prior to signing this Agreement will be available or approved by Franchisor, and Franchisee agrees that its obligations under this Agreement are not conditioned upon securing any particular site. There are no restrictions on Franchisor in any area, either before or after the Franchised Location is selected and approved, as provided in Section 3.5 below.

Franchisor has the right to designate a real estate broker whom Franchisee must use to contact the landlord of a proposed site, in which case Franchisee may not contact the landlord directly without Franchisor's approval.

Franchisee acknowledges and agrees that the Franchised Location will be a specific numbered street or mall address at which Franchisee's Restaurant will be physically located. The "Franchised Location" cannot and will not under any circumstances be defined as a geographic area or be described in terms other than a specific numbered street or mall address. During the term of this Agreement, the Franchised Location shall be used exclusively to operate a Restaurant.

Franchisee further acknowledges and warrants that Franchisor's approval of the Franchised Location does not constitute a guarantee, recommendation, or endorsement of the Franchised Location and that the success of the Restaurant to be operated at the Franchised Location depends upon Franchisee's abilities as an independent businessperson. Once Franchisor has approved the Franchised Location, Franchisor will be deemed to have complied with its obligations under this Agreement to assist Franchisee by providing criteria for the

Franchised Location and determining fulfillment of the requisite criteria for the Franchised Location, such determination based on information provided by Franchisee.

3.2 **Limitation on Franchise Rights.** The rights granted to Franchisee are for the specific Franchised Location and cannot be transferred to any other location, except with Franchisor's prior written approval. The Marks and Licensed Methods are licensed only for the Franchised Location.

3.3 **Non-Traditional Restaurants.** Franchisee may not operate a Restaurant located within a host facility (such as a gas station, convenience store, airport, stadium, university, or hotel), in another "non-traditional" venue, or at any other location where the operation of the Restaurant will, because of its location, vary from the operation of a traditional Restaurant (all referred to as "**Non-Traditional Restaurants**"), except with Franchisor's prior written consent. Franchisor and Franchisee shall execute an Addendum for Non-Traditional Restaurant if the Restaurant will be located in a convenience store, gas station or other non-traditional or non-standard facility as determined by Franchisor. Franchisor will determine whether a proposed Restaurant should be classified as a Non-Traditional Restaurant.

3.4 **Special Products.** From time to time, Franchisor may offer supplemental programs to be incorporated in certain Restaurants ("**Special Products**"). Franchisee may not offer a Special Product except with Franchisor's prior written permission, in which case Franchisor and Franchisee shall execute an addendum to this Agreement specified by Franchisor.

3.5 **Franchisor's Reservation of Rights.** Franchisee acknowledges that the franchise granted under this Agreement is nonexclusive, that Franchisee has no territorial protection, and that Franchisor and all of its affiliates retain the right: (1) to use, and to license others to use, the Marks and Licensed Methods for the operation of Restaurants at any location other than the Franchised Location; (2) to use the Marks and Licensed Methods in connection with services and products, in connection with promotional and marketing efforts or related items, or in alternative channels of distribution, without regard to location; (3) to use and license the use of alternative proprietary marks or methods in connection with the operation of restaurants or other businesses under names which are not the same as or confusingly similar to the Marks, which businesses may be the same as, or similar to, or different from Restaurants; and (4) to engage in any other activities not expressly prohibited in this Agreement.

4. INITIAL FEES

4.1 **Initial Franchise Fee.** Franchisee agrees to pay to Franchisor, concurrently with signing this Agreement, an initial franchise fee ("**Initial Franchise Fee**") in the amount set forth in Section 23.14. Franchisee acknowledges and agrees that the Initial Franchise Fee represents payment for the initial grant of the right to use the Marks and Licensed Methods, that Franchisor has earned the Initial Franchise Fee upon receipt, and that the Initial Franchise Fee is not refundable to Franchisee after it is paid.

5. ROYALTIES

5.1 **Royalty.** Franchisee will pay to Franchisor a weekly royalty ("**Royalty**") equal to seven percent (7%) of the total amount of its Gross Sales, defined in Section 5.2, generated from or through its Restaurant.

5.2 **Gross Sales.** "**Gross Sales**" is defined as sales of any kind for all services or products from or through the Restaurant, including any sale of services or products made for cash or upon credit, or partly for cash and partly for credit, regardless of collection of charges for which credit is given, and regardless of whether such sale is conducted in compliance with or in violation of the terms of this Agreement, or whether such sale is at the Franchised Location or off-site, but exclusive of discounts, sales taxes, or other similar taxes and credits. Gross Sales also include the fair market value of any services or products received by Franchisee in barter or exchange for its services and products and all insurance proceeds received by Franchisee for loss of business due to a casualty to or similar event at the Franchised Location.

5.3 **Royalty Payments.** Royalty payments will be paid weekly and sent to Franchisor or for Franchisor's and its affiliates' benefit by electronic funds transfer, due on Thursday (for the preceding Monday through Sunday period) or such other specific day of the week which Franchisor designates from time to time ("**Due Date**").

On the Due Date each week, Franchisee shall report by telephone, electronic means, or in written form, as Franchisor directs (as more fully described in Section 15), Franchisee's Gross Sales and such additional information requested by Franchisor. Franchisor shall have the right to verify such Gross Sales reports from time to time as it deems necessary in any reasonable manner. If Franchisee fails to have sufficient funds in its account or otherwise fails to pay any Royalties due as of the Due Date, Franchisee shall owe, in addition to such Royalties, a late charge equivalent to two percent (2%) per month of any late Royalty payment; provided, however, in no event shall Franchisee be required to pay a late payment at a rate greater than the maximum commercial contract interest rate permitted by applicable law.

5.4 **Electronic Funds Transfer.** Franchisee authorizes Franchisor and its affiliates to initiate debit entries and credit correction entries to Franchisee's checking, savings or other account for the payment of Royalties, Marketing and Promotion Fees, and any other amounts due from Franchisee under this Agreement or otherwise. Franchisee shall comply with Franchisor's and its affiliates' procedures and instructions in connection with the direct debit process, and shall sign any document or take any action that may be required to effect this authorization.

Franchisor may require Franchisee to pay the Royalty, Marketing and Promotion Fees, and other amounts due under this Agreement or otherwise by means other than automatic debit whenever Franchisor deems appropriate, and Franchisee agrees to comply with Franchisor's payment instructions.

5.5 **Application of Payments.** Notwithstanding any designation Franchisee might make, Franchisor may apply any payments made by Franchisee to any of Franchisee's past due indebtedness to Franchisor or its affiliates. Franchisee acknowledges that Franchisor has the

right to set-off any amounts Franchisee owes Franchisor or its affiliates against any amounts Franchisor or its affiliates might owe Franchisee.

6. DEVELOPMENT OF FRANCHISED LOCATION

6.1 **Approval of Franchised Location.** Franchisor, either directly or through its affiliate, shall make the final determination to approve or reject any site which Franchisee proposes to Franchisor. That determination may be based on various criteria and procedures which may change from time to time in Franchisor's discretion. If Franchisee proposes a site, and Franchisor determines that it does not meet its criteria, it will be rejected, and Franchisee will be required to propose an alternative site. Franchisee may operate a QUIZNOS Restaurant only at a site approved by Franchisor. Franchisee shall follow Franchisor's site selection procedures in locating a Franchised Location for the Restaurant, as provided in Section 3.1 above. Franchisee shall submit a completed site submittal package, including demographics and other materials requested by Franchisor, containing all information reasonably required by Franchisor to assess a proposed Franchised Location. The Franchised Location shall be deemed approved upon approval by Franchisor of the site and lease pursuant to this Section 6.

6.2 **Lease Approval.** Unless Franchisor approves otherwise, its affiliate or designated representatives will negotiate the terms of Franchisee's lease, including review by our affiliate for the benefit of the QUIZNOS system to ensure that it meets minimum QUIZNOS requirements. When a negotiated lease is presented to Franchisee, Franchisee will have the option of proceeding with or passing on the site. Franchisee acknowledges that it has been advised to obtain the advice of its own professional advisors before Franchisee signs a lease. If Franchisee does not agree with the lease provisions that Franchisor's affiliate or representative has negotiated, Franchisee may elect not to sign the lease, but Franchisee would then have to find another suitable site for the Franchised Location. If Franchisee rejects a site because Franchisee does not agree with the lease provisions that Franchisor's affiliate or representative has negotiated, Franchisor may permit another franchisee to enter into a lease for such site, whether on the terms rejected by Franchisee or on other terms, or to search for a site in Franchisee's initially identified area. Franchisee will then have to search for another suitable site, which may be in that area or outside of that area. Franchisee must not, without Franchisor's prior written consent, enter into any contract to purchase or lease the premises Franchisee intends to use as a Franchise Location. Franchisee acknowledges that doing so may result in its being obligated on a lease for premises which Franchisor will not allow to be developed as a QUIZNOS Restaurant.

Franchisee acknowledges that Franchisor's lease negotiations and approval of locations are for Franchisor's sole benefit and are not intended to imply or guarantee the success or profitability of the Franchised Location, and Franchisee agrees that it is not relying on Franchisor's lease negotiations or site approval for such purposes. Upon submission of a proposed Franchised Location for the Restaurant, Franchisee shall pay Franchisor or its designated supplier (which may be an affiliate of Franchisor) a lease review fee of One Thousand Four Hundred Fifty Dollars (\$1,450) for a full lease review, or Five Hundred Dollars (\$500) for a cursory review (if the lease meets certain criteria) ("**Lease Review Fee**"). The Lease Review Fee pays the expenses incurred to review and (if Franchisor so chooses) to negotiate certain provisions of the lease. Franchisee is not a third-party beneficiary of the lease

negotiation or review. Franchisee agrees that Franchisor does not guarantee that the terms, including rent, will represent the most favorable terms available in that market. Franchisor shall charge Franchisee only one (1) Lease Review Fee unless Franchisee refuses to sign a lease that Franchisor has certified as acceptable for the Franchised Location, and Franchisor then is required to engage in one or more additional lease reviews for the Franchised Location (or for a different Franchised Location if Franchisee refuses to sign any lease for the first proposed Franchised Location), in which case Franchisee shall pay Franchisor or its designated supplier a Lease Review Fee for the first lease review as well as a Lease Review Fee for each additional lease review.

6.3 **Schedule.** Franchisee acknowledges and agrees that it has twelve (12) months from the Effective Date of this Agreement within which to obtain an executed lease for the Franchised Location, complete the initial training program described in Section 7.1, perform all other pre-opening obligations and commence operation of the Restaurant. If Franchisee does not commence operation of the Restaurant by the end of such twelve (12) month period, and Franchisor determines, in its sole discretion, that Franchisee is making reasonable and continuing efforts to actively and diligently obtain a site acceptable to Franchisor so that Franchisee can reasonably be expected to open the Restaurant within twenty-four (24) months from the Effective Date of this Agreement, Franchisor will extend the deadline to commence operation for another twelve (12) months so long as Franchisee continues to actively and diligently seek to obtain a suitable location and/or lease and otherwise pursue the opening of the Restaurant. Franchisee acknowledges and agrees that, unless Franchisor extends the deadline, Franchisor may terminate this Agreement any time after the expiration of the first twelve (12) month period if Franchisee has not commenced operation of the Restaurant. Franchisee further acknowledges and agrees that, if Franchisor extends the deadline and Franchisee fails, in Franchisor's sole discretion, to actively and diligently pursue the opening of the Restaurant during such period, Franchisor may, upon notice, rescind the extension and terminate this Agreement. Franchisor also has the right to terminate this Agreement upon the expiration of the twenty-four (24) month period. Any lease for the Franchised Location shall be collaterally assigned to Franchisor as security for Franchisee's performance of its obligations under this Agreement. Franchisee shall deliver a copy of the signed lease for the Franchised Location to Franchisor within five (5) days after it is signed.

6.4 **Conversion and Design.** Franchisee acknowledges that the layout, design, decoration, and color scheme of Restaurants are an integral part of the Licensed Methods, and, accordingly, Franchisee shall convert and decorate the Franchised Location in accordance with Franchisor's plans, designs, and specifications. Franchisee also shall obtain Franchisor's written consent to any conversion, design, or decoration of the Franchised Location before remodeling or decorating begins, recognizing that such remodeling and decoration, and any related costs, are Franchisee's sole responsibility.

6.5 **Signs.** Franchisee shall purchase or otherwise obtain for use at the Franchised Location and in connection with the Restaurant the maximum number and size of signs allowed by applicable building codes, which signs shall comply with Franchisor's standards and specifications. It is Franchisee's sole responsibility to ensure that all signs comply with applicable local ordinances, building codes, and zoning regulations. Any modifications to

Franchisor's standards and specifications for signs due to local ordinances, codes, or regulations shall be submitted to Franchisor for prior written approval. Franchisee acknowledges that the Marks, or any other name, symbol, or identifying marks on any signs, shall be used only in accordance with Franchisor's standards and specifications and only with Franchisor's prior written approval.

6.6 **Equipment.** Franchisee shall purchase or otherwise obtain for use in connection with the Restaurant the equipment, including delivery vehicles (if the Restaurant is approved to offer delivery services) and computer hardware and software, of a type and in an amount which complies with Franchisor's and its affiliates' standards and specifications and only from suppliers or other sources approved and/or designated by Franchisor and its affiliates. Franchisor and its affiliates may approve one or more suppliers for certain items and/or may designate a single supplier for certain items. Franchisor and/or its affiliates may be an approved or the designated supplier for certain items. Franchisee acknowledges that the type, quality, configuration, capability, and performance of the Restaurant's equipment are all standards and specifications which are a part of the Licensed Methods. Franchisee shall purchase or lease (as Franchisor and its affiliates designate) for use in the Restaurant an electronic cash register or computer system, a music system, and a credit card processing system (the "**Systems**") approved by Franchisor and its affiliates. The cash register or computer system must accurately record every sale or other transaction. Franchisee shall purchase, or Franchisor or an affiliate may license to Franchisee for the license fee it determines, software to be used by Franchisee in conjunction with the Systems. Franchisee shall submit any required reports in a format designated from time to time by Franchisor. Franchisee grants Franchisor and its affiliates the right to access the Systems and to obtain sales, sales mix, and revenue information directly by modem or otherwise. Franchisee acknowledges that Franchisor and its affiliates will use information from required reports primarily to make business and marketing decisions. Franchisee shall be obligated to upgrade or update the Systems and the software, and any other equipment, at Franchisee's sole cost, to meet Franchisor's and its affiliates' then-current standards and specifications and to address technological developments or events. Franchisor and its affiliates have no obligation to reimburse Franchisee for any of these costs.

6.7 **Permits and Licenses.** Franchisee agrees to obtain all permits and licenses required for the lawful construction and operation of its Restaurant together with all certifications from government authorities having jurisdiction over the Franchised Location that all requirements for construction and operation have been met, including, without limitation, zoning, access, sign, health, fire, and safety requirements; building and other required construction permits; licenses to do business; fictitious name registrations; sales tax permits; health and sanitation permits; and ratings and fire clearances. Franchisee agrees to obtain all customary contractors' sworn statements and partial and final lien waivers for construction, remodeling, decorating, and installation of equipment at the Franchised Location. Franchisee shall keep copies of all health department, fire department, building department, and other reports of inspections on file and available for inspection by Franchisor. Franchisee shall immediately forward to Franchisor any such reports or inspections in which Franchisee has been found not to be in compliance with the underlying regulation.

6.8 **Commencement of Operations.** Franchisee shall obtain the written consent of Franchisor prior to commencing operation of the Restaurant, which consent shall not be unreasonably withheld, but cannot be granted until Franchisor has approved the Franchised Location and Franchisee has: (1) successfully completed the initial training program; (2) paid all fees and other amounts due to Franchisor and its affiliates; (3) furnished copies of all insurance policies required by this Agreement; (4) built out and equipped the Franchised Location in accordance with Franchisor's and its affiliates' standards and specifications and received a QUIZNOS certificate of occupancy from Franchisor; (5) purchased an inventory of approved products and supplies; and (6) otherwise completed all other aspects of developing the Restaurant as Franchisor has reasonably required. Notwithstanding the foregoing, Franchisee agrees to commence operation of the Restaurant within the deadline for commencement of operation described in Section 6.4 hereof and within ten (10) days after Franchisor has approved the Franchised Location for commencement of operation.

7. TRAINING

7.1 **Initial Training Program.** Franchisee (or, if Franchisee is a corporation, partnership, or limited liability company, its managing shareholder, partner, or member ("**Managing Owner**")) and the person designated by Franchisee to assume primary responsibility for managing the Restaurant ("**Designated Manager**") must attend and successfully complete the initial training program offered by Franchisor at one of Franchisor's designated training facilities. The Managing Owner must own at least twenty-five percent (25%) of the voting and economic interest of the franchisee entity. Franchisee acknowledges that successful completion of the initial training program will require, among other things, that each attendee be able to demonstrate that he/she can perform basic math and can read, write, and converse in English by passing a basic skills test. The Managing Owner and the Designated Manager (if designated at the time) must take and pass the basic skills test when Franchisee signs this Agreement and receive a passing score. Franchisee agrees that the Designated Manager will be fluent in the English language. Up to three (3) individuals (including the Managing Owner and Designated Manager) are eligible to participate in Franchisor's initial training program without paying any tuition or fee. Franchisor may require Franchisee (or its Managing Owner) and/or the Designated Manager (each a "**Trainee**") to pass certain tests prior to attending certain portions of the training program. These tests include the basic skills test, which each Trainee must have passed before he/she begins training (and which the Managing Owner must have taken and passed when Franchisee signed this Agreement). Franchisor may require a Trainee to take these tests at facilities operated by Franchisor and its affiliates or at test facilities operated by independent third parties. Any costs related to taking these tests, including travel, lodging or test administration fees charged by third parties, will be borne by Franchisee. Franchisee shall be responsible for any and all travel and living expenses incurred in connection with attending the training program as well as wages or salaries, if any, of the person(s) receiving training or undergoing testing. Franchisee (or its Managing Owner) and the Designated Manager must successfully complete the initial training program before Franchisee begins operating the Restaurant. Franchisor reserves the right to waive all or a portion of the training program or alter the training schedule.

Franchisee (or its Managing Owner) and its Designated Manager may request additional training during the initial training program, to be provided at no additional charge, if Franchisee (or its Managing Owner) and the Designated Manager do not feel completely trained in the operation of a QUIZNOS Restaurant. However, if Franchisee (or its Managing Owner) and the Designated Manager satisfactorily complete Franchisor's initial training program, and do not inform Franchisor in writing at the end of the initial training program that Franchisee (or its Managing Owner) and the Designated Manager do not feel completely trained in the operation of a QUIZNOS Restaurant, then Franchisee will be deemed to have been trained sufficiently to operate a QUIZNOS Restaurant.

7.2 **Additional Training Programs.** Franchisor reserves the right to conduct training programs or seminars at locations to be determined by Franchisor to discuss relevant business trends and share new information relating to the Restaurant business. Attendance at periodic market meetings by Franchisee (or its Managing Owner) or its Designated Manager is required. All such mandatory training will be offered without tuition or a fee; provided, however, Franchisee will be responsible for any and all transportation and living expenses incurred in attending such additional training programs or seminars.

8. OPERATIONS MANUAL

8.1 **Operations Manual.** Franchisor agrees to loan to Franchisee one (1) or more manuals, technical bulletins, or other written or videotaped materials (collectively referred to as "**Operations Manual**") covering the Restaurant's operating and marketing techniques and any Special Product(s) applicable to the Restaurant. Franchisee agrees that it shall comply with the Operations Manual, as amended from time to time, as an essential part of its obligations under this Agreement. Franchisee shall at all times be responsible for ensuring that its employees and all other persons under its control comply with the Operations Manual in all respects. Franchisee shall not duplicate the Operations Manual nor disclose its contents to persons other than employees or officers who need the information to perform their jobs. If Franchisee's copy of the Operations Manual is lost, destroyed, or significantly damaged, Franchisee agrees to obtain a replacement copy from Franchisor at Franchisor's then applicable charge.

At Franchisor's option, Franchisor may post some of all of the Operations Manual on a restricted Website, intranet, or extranet to which Franchisee will have access. (For purposes of this Agreement, "Website" means an interactive electronic document contained in a network of computers linked by communications software, including, without limitation, the Internet and World Wide Web home pages.) If Franchisor does so, Franchisee agrees to monitor and access the Website, intranet, or extranet for any updates to the Operations Manual. Any password or other digital identification necessary to access the Operations Manual on a Website, intranet or extranet will be deemed to be Franchisor's proprietary information, subject to Section 20.5 below.

8.2 **Changes to Operations Manual.** Franchisor reserves the right to revise the Operations Manual from time to time as it deems necessary to update operating and marketing techniques or standards and specifications in any manner, including updates contained in monthly newsletters. Franchisee shall in turn update its copy of the Operations Manual as

instructed by Franchisor and conform its operations with the updated provisions. Franchisee acknowledges that the master copy of the Operations Manual maintained by Franchisor at its principal office controls in the event of a dispute over its contents.

9. DEVELOPMENT ASSISTANCE

9.1 **Franchisor's Development Assistance.** To assist Franchisee in establishing the Restaurant, Franchisor and/or its designated representatives (which may include its affiliates) shall provide the following:

(a) Assistance related to accepting a site for the Restaurant, although Franchisee acknowledges that Franchisor has no obligation to select or acquire a site on behalf of Franchisee. Franchisor's assistance will consist of, at a minimum, providing general criteria for a satisfactory site, determining whether a proposed site fulfills the requisite criteria prior to formal acceptance of a site selected by Franchisee, and (at Franchisor's election) designating a real estate broker whom Franchisee must use to contact the landlord of a proposed site. Site selection, acquisition, and development shall be the sole obligation of Franchisee, except as set forth in this Agreement or any other written agreement executed by Franchisor. Franchisee acknowledges that Franchisor is under no obligation to provide additional site selection services other than as set forth in a written, executed agreement and that Franchisor's acceptance of the site does not imply or guarantee the success or profitability of the site in any manner whatsoever.

(b) Standards and specifications for the build out, interior design, layout, floor plan, signs, designs, color, and decor of the Restaurant.

(c) Advice regarding the standards and specifications for the equipment, supplies, and materials used in, and the menu items offered for sale by, the Restaurant and advice regarding selecting suppliers for and purchasing such items.

(d) Guidance in implementing advertising and marketing programs, operating and sales procedures, and bookkeeping and accounting programs.

(e) The initial training in accordance with Section 7.1.

(f) Opening assistance consisting of one (1) or more representatives on site at the Franchised Location for not less than five (5) days to assist Franchisee in opening the Restaurant; provided, however, that Franchisee shall hire and be exclusively responsible for the training, compensation, and control of its employees.

(g) One (1) copy of the Operations Manual, as described in Section 8, which shall be loaned to Franchisee during the term of this Agreement.

9.2 **Responsibilities of Area Director.** Franchisor reserves the right to retain the services of an area director ("**Area Director**") or other representative (including one or more of its affiliates) in the geographic area in which Franchisee's Restaurant will be located. In such event, the Area Director or other representative, on behalf of Franchisor, will perform certain sales, site assistance, and/or supervisory services directed by Franchisor. Franchisee agrees in

advance to any such delegation and assignment by Franchisor of any portion or all of Franchisor's obligations and rights under this Agreement. Franchisee also acknowledges that it is not a third party beneficiary of any Area Director Marketing Agreement or other agreement between Franchisor and any Area Director or other representative.

10. OPERATING ASSISTANCE

10.1 **Franchisor's Assistance.** Franchisor agrees that, during Franchisee's operation of the Restaurant, Franchisor and/or its designated representatives (which may include its affiliates) shall make available to Franchisee the following assistance:

(a) Upon the reasonable request of Franchisee, telephone consultation regarding the continued operation and management of a Restaurant and advice regarding Restaurant services, product quality control, menu items, and customer relations issues.

(b) Access to advertising and promotional materials developed by Franchisor and its affiliates through the Marketing and Promotion Fund (as defined below).

(c) On-going updates of information and programs regarding menu items and their preparation, the Restaurant business, and related Licensed Methods, including information about special or new services or products developed and made available to franchisees of Franchisor.

(d) The initial training program to replacement or additional Designated Managers during the term of this Agreement. Although Franchisor does not currently charge a tuition or fee, Franchisor reserves the right to charge a tuition or fee, payable in advance, commensurate with the then-current published prices of Franchisor for such training. Franchisee shall be responsible for all travel and living expenses incurred by its personnel during the training program.

11. FRANCHISEE'S OPERATIONAL COVENANTS

11.1 **Business Operations.** Franchisee acknowledges that it is solely responsible for the successful operation of its Restaurant and that its continued operation depends on, among other things, Franchisee's compliance with this Agreement and the Operations Manual. In addition to all other obligations contained in this Agreement and the Operations Manual, Franchisee agrees that:

(a) Franchisee shall maintain a clean, safe, and high quality Restaurant operation and promote and operate the business in accordance with the Operations Manual and otherwise conduct itself so as not to detract from or adversely reflect upon the name and reputation of Franchisor and the goodwill associated with the QUIZNOS name and Marks.

(b) Franchisee will conduct itself and operate its Restaurant in compliance with all applicable laws, regulations, and other ordinances and in such a manner so as to promote a good public image in the business community and to enhance the goodwill of QUIZNOS Restaurants, QUIZNOS name, and the Marks. Franchisee will be solely and fully responsible for

obtaining any and all licenses to operate the Restaurant. Franchisee shall keep copies of all health department, fire department, building department, and other similar reports of inspections on file and available for inspection by Franchisor and its affiliates. Franchisee shall immediately forward to Franchisor and/or its designated representatives (which may include its affiliates) any such reports or inspections in which Franchisee has been found not to be in compliance with the underlying regulation.

(c) Franchisee acknowledges that proper management of the Restaurant is important and shall ensure that Franchisee (or its Managing Owner) or a Designated Manager who has completed the initial training program will be responsible for managing the Restaurant after commencement of operations and be present at the Franchised Location during its operation. Franchisee (or its Managing Owner) or the Designated Manager must work full-time at the Restaurant.

(d) Franchisee acknowledges that the franchise requires and authorizes Franchisee to offer only authorized products and services as described in the Operations Manual, which may include, without limitation, submarine and other sandwiches, salads, other authorized food and beverage products, and related restaurant and carry out or delivery services. Separate certification or approval may be required from time to time in order to be authorized to offer certain products or services. Franchisee shall maintain at all times a sufficient supply of all menu items and related food and paper products to ensure, insofar as possible, that such items are at all times available to its customers. Franchisee shall offer all types of services and products from time to time prescribed by Franchisor and shall not offer any other types of services or products, or operate or engage in any other type of business or profession, from or through the Restaurant, unless Franchisor's written consent is first obtained. Franchisor may prescribe the maximum prices that Franchisee may charge customers for products and services offered and sold by the Restaurant, and Franchisee agrees to comply with these maximum prices.

(e) Franchisee shall promptly pay when due all taxes and other obligations owed to third parties, including, without limitation, all federal, state, and local taxes and any and all accounts payable or other indebtedness incurred by Franchisee in operating the Restaurant.

(f) Franchisee shall comply with all agreements with third parties related to the Restaurant, including, in particular, all provisions of any premises lease or Sublease.

(g) Franchisee agrees to renovate, refurbish, remodel, or replace, at its own expense, the real and personal property and equipment used in operating the Restaurant when reasonably required by Franchisor in order to comply with the image, standards of operation, and performance capability established by Franchisor from time to time. If Franchisor changes its image or standards of operation, it shall give Franchisee a reasonable period of time within which to comply with such changes.

(h) Franchisee shall at all times during the term of this Agreement own and control the Restaurant. Upon request of Franchisor, Franchisee shall promptly provide satisfactory proof of such ownership to Franchisor. Franchisee represents that the Statement of Ownership in Section 23.15 below is true, complete, accurate, and not misleading. Franchisee

shall promptly provide Franchisor with a written notification if it wishes to change any of the information contained in the Statement of Ownership at any time during the term of this Agreement and shall comply with the applicable transfer provisions contained in Section 16. Franchisee acknowledges that, if Franchisee is other than an individual(s), Franchisor may require that the individual owners or members of Franchisee guarantee the performance of Franchisee and sign the Guaranty and Assumption of Franchisee's Obligations attached to this Agreement.

(i) Franchisee shall at all times during the term of this Agreement keep its Restaurant open during the business hours designated by Franchisor from time to time in the Operations Manual. Any deviations from the required hours first must be approved in writing by Franchisor which approval may be revoked or rescinded by Franchisor at any time on notice.

(j) Franchisee shall procure, maintain, and provide evidence of insurance for the Restaurant and its operations of the types, in the minimum amounts, and with such minimum terms and conditions as Franchisor from time to time prescribes in the Operations Manual or otherwise. All of the required policies of insurance shall name Franchisor, and any affiliates of Franchisor that Franchisor periodically designates, as additional insureds and provide for thirty (30) days' advance written notice to Franchisor of their cancellation or modification. Franchisee acknowledges that, by establishing required minimum insurance, Franchisor is not advising Franchisee that such minimum insurance is sufficient or all that Franchisee needs or should procure for its business or the Restaurant. Franchisee agrees to seek the advice of its insurance advisor with respect to the sufficiency of such insurance.

(k) Franchisee will provide proof of insurance to Franchisor before beginning operations at its Restaurant. This proof will show that the insurer has been authorized to inform Franchisor in the event any policies lapse or are canceled or modified. Franchisor has the right to change the insurance Franchisee is required to maintain by giving Franchisee reasonable prior notice. Noncompliance with these insurance provisions shall be deemed a material breach of this Agreement. If Franchisee fails to provide proof of insurance or in the event of any lapse in insurance coverage: (i) Franchisor or its affiliates may obtain insurance coverage for Franchisee, and Franchisee must pay the premiums by electronic funds transfer from Franchisee's bank account; and (ii) in addition to all other remedies, Franchisor may demand that Franchisee cease operations of the Restaurant until coverage is reinstated.

(l) Franchisee will participate in promotion campaigns and advertising and other marketing programs periodically established or approved by QUIZNOS Restaurants by the Marketing Fund, as described in section 12 below, whether on a national, regional or local basis. In some instances, while participation in a particular marketing program may be mandatory, Franchisor may, on written notice, allow Franchisee to participate at price points which are different than that described in the program, subject to Franchisor's right to set maximum pricing as set forth in paragraph (d) above.

12. ADVERTISING

12.1 **Approval and Use of Advertising.** Franchisee shall obtain Franchisor's prior written approval of all written advertising or other marketing or promotional programs not previously approved by Franchisor regarding the Restaurant, including, without limitation, "Yellow Pages" advertising, newspaper ads, flyers, brochures, coupons, direct mail pieces, specialty and novelty items, radio and television advertising, Internet "web" pages, and other home pages or domain names on any common carrier electronic delivery system. Any proposed uses not previously approved by Franchisor shall be submitted to Franchisor or its affiliates at least ten (10) days prior to publication, broadcast, or use. Franchisee acknowledges that advertising and promoting the Restaurant in accordance with Franchisor's and its affiliates' standards and specifications are essential aspects of the Licensed Methods, and Franchisee agrees to comply with all advertising standards and specifications. Franchisee also agrees to participate in any promotion campaigns and advertising and other programs that Franchisor and its affiliates periodically establish.

12.2 **Grand Opening.** Franchisee agrees to conduct a grand opening advertising and promotional program for the Restaurant at the time and in the manner specified by Franchisor and agrees to spend a minimum of Six Thousand Dollars (\$6,000) for the grand opening program. Franchisee agrees to provide Franchisor with a summary of grand opening program expenditures within one hundred twenty (120) days after the Restaurant opens. Franchisee's grand opening program will utilize the marketing and public relations programs and media and advertising materials that Franchisor has either developed or approved.

12.3 **Marketing and Promotion Fee.** Franchisee agrees to pay to Franchisor or its designee (which may be one or more of Franchisor's affiliates), in addition to Royalties, a Marketing and Promotion fee ("**Marketing and Promotion Fee**") of one percent (1%) of the total amount of Franchisee's Gross Sales. The Marketing and Promotion Fee shall be in addition to and not in lieu of Franchisee's Local Advertising Fee. The following terms and conditions will apply to the Marketing and Promotion Fee payment:

(a) The Marketing and Promotion Fee shall be payable weekly, concurrently with the payment of the Royalties, based on Gross Sales (as defined in Section 5.2) for the immediately preceding reporting period. Franchisee shall execute such forms that Franchisor and its affiliates require to allow preauthorized payment of Marketing and Promotion Fees by electronic transfer of funds from Franchisee's bank account to the bank account designated by Franchisor. Any Marketing and Promotion Fee collected by or for Franchisor will be deposited in one (1) or more separate accounts (referred to collectively as the "**Fund**"), all designated as "**QUIZNOS Marketing and Promotion Fund.**" The Marketing and Promotion Fees will be subject to the same late charges as the Royalties. Upon written request by Franchisee, Franchisor or its affiliates will make available to Franchisee, no later than one hundred twenty (120) days after the end of each calendar year, an annual unaudited financial statement for the Fund which indicates how deposits to the Fund have been spent. Franchisor and its affiliates have the right to deposit into the Fund any advertising, marketing, or similar allowances paid by suppliers who deal with Restaurants and with whom Franchisor and its affiliates have agreed that they will (or if Franchisor and its affiliates otherwise choose to) so deposit these allowances.

QUIZNOS Restaurants that Franchisor or its affiliates own will contribute to the Fund on the same basis as franchisees.

(b) The Fund will be administered and controlled by Franchisor or its designated representatives (which may be one or more of Franchisor's affiliates) and may be used for production and placement of media advertising, direct response literature, direct mailings, brochures, collateral advertising material, surveys of advertising effectiveness, other advertising or public relations expenditures relating to advertising QUIZNOS Restaurants services and products, providing professional services, materials, and personnel to support the marketing function, and creating, producing, and implementing websites for Franchisor and/or its franchisees. Franchisor may reimburse itself or its designated representatives (which may be one or more of Franchisor's affiliates) for administrative costs, independent audits, reasonable accounting, bookkeeping, reporting, and legal expenses, taxes, and other reasonable direct and indirect expenses incurred by Franchisor or its representatives in connection with the programs funded by and the administration and operation of the Fund. The Fund will not be Franchisor's asset. Franchisor and its representatives will not be liable for any act or omission that is consistent with this Agreement and done in good faith. Franchisor and its representatives may spend in any fiscal year more or less than the aggregate contribution of all Restaurants to the Fund in that year, and the Fund may borrow from Franchisor or others (including Franchisor's affiliates) to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Fund will be used to pay advertising costs before other assets of the Fund are expended. Franchisor may cause the Fund to be incorporated or operated through a separate entity at such time as Franchisor deems appropriate, and such successor entity, if established, will have all rights and duties specified in this Section. Franchisor and its representatives undertake no obligation to ensure that the Fund benefits each Restaurant in proportion to its respective contributions. The Fund's primary purpose is to support sales by the entire QUIZNOS System and to build brand identity. Franchisee agrees to participate in any promotion campaigns and advertising and other programs that the Fund periodically establishes.

(c) Franchisor and its representatives have the right, but no obligation, to use collection agents and institute legal proceedings to collect Fund contributions at the Fund's expense. Franchisor and its representatives also may forgive, waive, settle, and compromise all claims by or against the Fund. Franchisor and its representatives may at any time defer or reduce contributions of a franchisee and, upon thirty (30) days' prior written notice to Franchisee, reduce or suspend Fund contributions and operations for one (1) or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If the Fund is terminated, all unspent monies will be distributed to the contributors in proportion to their respective Fund contributions during the preceding twelve (12) month period.

12.4 **Local Advertising.** Franchisee agrees to spend not less than three percent (3%) of the total amount of its Gross Sales each calendar quarter for local advertising ("**Local Advertising Fee**"). Franchisor may request that Franchisee prepare and submit a quarterly report to Franchisor which accounts for the use of the Local Advertising Fee no later than ten (10) days following the end of each calendar quarter during the term of this Agreement. Franchisor may collect and designate all or a portion of the Local Advertising Fee for the Marketing and Promotion Fund.

12.5 **Regional Advertising Programs.** Although not obligated to do so, Franchisor or its designees (which may be one or more of Franchisor's affiliates) may create a regional advertising program ("**Regional Advertising**") for the benefit of the Restaurants located within a particular region. Franchisor has the right to (i) allocate any portion of the Marketing and Promotion Fund to the Regional Advertising program; and (ii) collect and designate all or a portion of the Local Advertising Fee for a Regional Advertising program. If a Regional Advertising program is established, Franchisor may increase the Local Advertising Fee by one percent (1%); provided that in no event shall Franchisee be required to spend more than a total of five percent (5%) of its Gross Sales, in the aggregate, for the Local Advertising Fee, Regional Advertising, and Marketing and Promotion Fee contributions, including Yellow Pages advertising. Franchisor and its designees have the right to determine the composition of all geographic territories and market areas for the implementation of Regional Advertising and promotion campaigns and to require that Franchisee participate in such Regional Advertising programs as and when established. The fees designated to the Regional Advertising programs may be used to pay regional, multi-regional or national marketing expenses, including, but not limited to, administrative costs of Franchisor and/or its designees (including its affiliates) incurred in maintaining and administering the Regional Advertising programs. Franchisor and its designees also reserve all other rights with respect to the use of Regional Advertising fees, and the conduct of Regional Advertising programs, as those retained in Section 12.3 above with respect to the Marketing and Promotion Fund. Franchisor and its designees may at any time, upon thirty (30) days' prior written notice to Franchisee, suspend a Regional Advertising program for one (1) or more periods of any length and terminate (and, if terminated, reinstate) the Regional Advertising program.

12.6 **Local Advertising Cooperative.** Franchisor may develop a program to permit QUIZNOS Restaurants in a geographical area to establish a local advertising cooperative ("Local Advertising Cooperative") in accordance with the policies prescribed by Franchisor from time to time. If Franchisor develops and implements such a program, formation of a Local Advertising Cooperative will be at the option of the franchisees of QUIZNOS Restaurants in the geographical area. However, each Local Advertising Cooperative will be organized and governed in the form and manner that Franchisor determines in advance and all advertising, marketing or promotional plans or materials will be subject to Franchisor's prior written approval.

Any contributions made to a Local Advertising Cooperative shall be in addition to, and not in lieu of, Franchisees obligations under Sections 12.1 through 12.5 of this Agreement.

13. QUALITY CONTROL

13.1 **Standards and Specifications.** Franchisor will establish, and Franchisee shall comply with, standards and specifications for services and products offered at or through the Restaurant and the uniforms, recipes, materials, forms, menus, items, and supplies used in connection with the franchised business. Franchisor and its affiliates reserve the right, from time to time, to change standards and specifications for services and products offered at or through the Restaurant or for uniforms, recipes, materials, forms, items, and supplies, and Franchisee agrees to comply with such changes as they are communicated by Franchisor.

13.2 **Inspections.** Franchisor and its affiliates shall have the right to interview customers or examine the Franchised Location and to examine and copy its books, records, and documents, including, without limitation, the inventory, products, equipment, materials, or supplies, to ensure compliance with all standards and specifications set by Franchisor and its affiliates. Franchisor and its affiliates shall conduct such inspections without prior notice to Franchisee.

13.3 **Restrictions on Services and Products.** Franchisee is prohibited from offering or selling any services or products from or through the Restaurant that have not been previously authorized by Franchisor. However, if Franchisee proposes to offer, conduct, or utilize any services, products, materials, forms, items, or supplies in connection with or for sale through the Restaurant that are not approved by Franchisor, Franchisee shall first notify Franchisor in writing requesting approval. Franchisor may withhold such approval; however, in order to make such determination, Franchisor may require submission of specifications, information, or samples of such services, products, materials, forms, items, or supplies. Franchisor will advise Franchisee within a reasonable time whether such products, supplies, or services meet its specifications. A charge not to exceed the actual cost of the review may be made by Franchisor and shall be paid by Franchisee.

13.4 **Approved Suppliers.** Franchisee shall purchase all equipment, products, services, supplies, and materials required for the operation of the Restaurant from manufacturers, suppliers, or distributors designated by Franchisor and its affiliates or, if there is no designated supplier for a particular product, equipment, service, supply, or material, from such other suppliers who meet all of Franchisor's and its affiliates' specifications and standards as to quality, composition, finish, appearance, and service and adequately demonstrate their capacity and facilities to supply Franchisee's needs in the quantities, at the times, and with the reliability requisite to an efficient operation. Franchisor and its affiliates reserve the right to designate, from time to time, a single supplier for any services, products, equipment, supplies, or materials and to require Franchisee to use such a designated supplier exclusively, which exclusive designated supplier may be Franchisor or its affiliates. Franchisor and its affiliates may receive payments from suppliers on account of such suppliers' dealings with Franchisee and other franchisees and may use all amounts so received without restriction and for any purpose Franchisor and its affiliates deem appropriate (unless Franchisor and its affiliates agree otherwise with the supplier).

13.5 **Request for Change of Supplier.** In the event Franchisee desires to purchase equipment, products, services, supplies, or materials from manufacturers, suppliers, or distributors other than those previously approved by Franchisor and its affiliates, Franchisee shall, prior to purchasing any such equipment, products, services, supplies, or materials, give Franchisor a written request to change supplier. Franchisor shall notify Franchisee in writing of the approval or rejection of the proposed supplier within a reasonable time after completion of the investigation of the proposed supplier. Franchisor and its affiliates may from time to time inspect any manufacturer's, supplier's, or distributor's facilities and products to assure proper production, processing, storing, and transportation of equipment, products, services, supplies, or materials to be purchased from the manufacturer, supplier, or distributor by Franchisee. Permission for such inspection shall be a condition of the continued approval of such

manufacturer, supplier, or distributor. Franchisor and its affiliates may, for any reason whatsoever, elect to withhold approval of the manufacturer, supplier, or distributor; however, in order to make such determination, Franchisor and its affiliates may require that samples from a proposed new supplier be delivered for testing prior to approval and use. A charge not to exceed the actual cost of the test may be made by Franchisor and shall be paid by Franchisee. Franchisee acknowledges that Franchisor and its affiliates are likely to reject Franchisee's request for a new supplier without conducting any investigation if Franchisor and its affiliates already have designated an exclusive supplier for the equipment, products, services, supplies, or materials proposed to be offered by the new supplier, as permitted in Section 13.4 above.

14. MARKS, TRADE NAMES AND PROPRIETARY INTERESTS

14.1 **Marks**. Franchisee acknowledges that Franchisor and its affiliates have the sole right to license and control Franchisee's use of the Marks and that such Marks shall remain under the sole and exclusive ownership and control of Franchisor and its affiliates. Franchisee acknowledges that it does not acquire any right, title, or interest in the Marks except for the right to use the Marks in operating its Restaurant under this Agreement. Franchisee shall display the Marks prominently at the Restaurant, on packaging and serving materials, and in connection with forms, advertising, and marketing, all in the manner Franchisor prescribes. Franchisee further agrees that no Marks other than "QUIZNOS," "QUIZNOS CLASSIC SUBS," or such other trademarks specified by Franchisor shall be used in the marketing, promotion, identification, or operation of the Restaurant, except with Franchisor's prior written consent. Franchisee may not, either during or after this Agreement's term, use any of the Marks or any similar word, phrase or symbol, except as allowed by Franchisor in writing, as part of any domain name or electronic address it maintains on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system.

14.2 **Licensed Methods**. Franchisee hereby acknowledges that one or more of Franchisor's affiliates own and control the distinctive plan for establishing, operating, and promoting Restaurants and all related licensed methods of doing business, previously defined as the Licensed Methods, which include, but are not limited to, recipes, menu items, and cooking methods; technical restaurant equipment standards; order and take-out fulfillment methods; customer relations; marketing techniques; written promotional materials and Operations Manual contents; advertising; and accounting systems; all of which constitute trade secrets of such affiliate(s) and have been licensed to Franchisor, and Franchisee acknowledges that Franchisor and its affiliates have valuable rights in and to such trade secrets. Franchisee further acknowledges that it has not acquired any right, title, or interest in the Licensed Methods, except for the right to use the Licensed Methods in operating the Restaurant, and that any and all innovations, additions, or improvements made to the Licensed Methods, even if by Franchisee, shall belong to Franchisor and its affiliates.

14.3 **Trademark Infringement**. Franchisee agrees to notify Franchisor in writing of any possible infringement of a Mark or use by others of a trademark confusingly similar to the Marks coming to its attention. Franchisee acknowledges that Franchisor and its affiliates shall have the sole right to determine whether any action will be taken in response to any possible

infringement or illegal use and to control any action taken. Franchisee agrees to fully cooperate with Franchisor and its affiliates in any litigation or other action.

14.4 **Franchisee's Business Name.** Franchisee acknowledges that Franchisor and its affiliates have a prior and superior claim to the QUIZNOS trade name. Franchisee shall not use the word "QUIZNOS" in the legal name of its corporation, partnership, or any other business entity. Franchisee also agrees not to register or attempt to register a trade name using the word "QUIZNOS" or any portion thereof in Franchisee's name or that of any other person or business entity.

14.5 **Change of Marks.** In the event Franchisor decides to modify or discontinue use of any proprietary Marks, or to develop additional or substitute marks, Franchisee shall, within a reasonable time after receipt of written notice, take such action, at Franchisee's sole expense, necessary to comply with such modification, discontinuation, addition, or substitution. Franchisor and its affiliates need not reimburse Franchisee for its direct expenses of changing the Restaurant's signs, for any loss of revenue due to any modified or discontinued Mark, or for its expenses of promoting a modified or substitute trademark or service mark.

15. REPORTS, RECORDS AND FINANCIAL STATEMENTS

15.1 **Franchisee Reports/Bookkeeping Services.** Franchisee shall use the bookkeeping services described below for the first twelve (12) months Franchisee's first Restaurant is operating or, regardless of the age of the Restaurant, for the first 12 months that Franchisee owns the Restaurant if Franchisee purchased the Restaurant from another QUIZNOS Franchisee. After that, Franchisee may discontinue the bookkeeping service ninety (90) days following completion of the following: Franchisee retains a full-time professional accountant (approved in writing by Franchisor) to provide bookkeeping services (at Franchisee's expense), and that accountant agrees in writing (on a form acceptable to Franchisor) to provide timely financial statements, in the form and format and with the frequency required by this Section 15. If Franchisee fails to provide such financial statements more than two (2) times in any twelve (12) month period, then, in addition to any other remedies, Franchisor may require Franchisee to use Franchisor's bookkeeping services at the then-current fee.

(a) Franchisee shall use Franchisor's designated vendor (the "**Service Provider**") to provide certain accounting and bookkeeping services (collectively "**Bookkeeping Services**") to the Restaurant and for payroll services. Franchisee agrees to comply with all requirements Franchisor prescribes with regard to said services. The Bookkeeping Services do not include cash management or payroll services. Franchisor reserves the right to designate different Service Providers for various portions of the Bookkeeping Services.

The Service Provider will provide the following Bookkeeping Services on a period basis for the Restaurant: Balance Sheet; Profit and Loss Statement; Unpaid Invoice Register; Bank Reconciliation; Check Register; Printed Period Accounts Payable Checks; prepare necessary sales tax reports; prepare necessary personal property tax reports; and prepare necessary use tax reports. The Service Provider will review all period-end financial information before issuance.

(b) In order for a Service Provider to provide the most timely and useful information to the Restaurant, it is essential that the Service Provider receive information from Franchisee as soon as possible after the applicable accounting period closes. The Service Provider will provide the Bookkeeping Services to Franchisee within ten (10) working days upon receiving the last information for the relevant accounting period.

Each week, in accordance with Franchisor's procedures, Franchisee agrees to submit to the Service Provider completed Profit Planners worksheets; payroll changes and current hours worked; bank statements; manual check stubs with invoice copies; invoices to be paid; and any other documents required to properly record all transactions affecting the Restaurant's financial activity.

(c) In consideration for the services the Service Provider provides to the Restaurant, Franchisee shall pay to Franchisor the sum of Seventy-Five Dollars (\$75) per week, due and payable at the same time and in the same manner as Royalties. Upon receipt of the approved income statement each month, Franchisor will pay to the Service Provider from the fees collected from Franchisee the sum of \$70 for each week covered by the income statement. Franchisor will retain from such sums and for its own account (for services rendered) an amount equal to \$5 multiplied by the number of weeks covered by the approved income statement. Franchisor may increase the fee after twelve (12) months following the date the Restaurant commences operations, and thereafter annually, to an amount equal to the market rate for similar services as determined by Franchisor.

(d) If Franchisee fails to (i) submit Restaurant-related items when required pursuant to this Section, or (ii) pay fees due to Franchisor for these services, Franchisor shall have the right to terminate the Agreement as provided in Section 18.2. Franchisor also shall have the separate and independent right to terminate Bookkeeping Services upon ninety (90) days' written notice to Franchisee.

Franchisee shall provide to Franchisor financial and accounting reports in the manner and form Franchisor requires (including, without limitation, electronically), including:

(i) Weekly summary reports, submitted by no later than the Due Date each week (defined in Section 5.3) and containing information relative to the previous weekly reporting period operations;

(ii) Any other data, information, and supporting records reasonably requested by Franchisor from time to time (including, without limitation, daily and weekly reports of product sales by category);

(iii) Within fifteen (15) days after the end of each month, an income statement of Franchisee's Restaurant for such month and for the fiscal year to date, prepared in accordance with generally accepted accounting principles ("**GAAP**") consistently applied, in Franchisor's recommended format;

(iv) By July 15 and January 15 of each calendar year, reports on the status of any loans outstanding as of the previous June 30 and December 31, respectively, for which the Restaurant or any of the Restaurant's equipment is collateral. Franchisee also must deliver to Franchisor, within five (5) days after receipt, copies of any default notices received by Franchisee from any of its lenders. Franchisee agrees that Franchisor or its affiliates may contact Franchisee's bank, other lenders, and vendors to obtain information regarding the status of Franchisee's loan(s) and account(s) (including, without limitation, payment histories and any defaults), and Franchisee hereby authorizes its bank, other lenders, and vendors to provide such information to Franchisor and its affiliates; and

(v) Within ninety (90) days after the end of Franchisee's fiscal year, which shall be the calendar year, an income statement and balance sheet of Franchisee's Restaurant for such fiscal year (reflecting all year-end adjustments) and a statement of changes in cash flow of the Restaurant, prepared in accordance with GAAP consistently applied and in Franchisor's recommended format. Franchisor reserves the right to require that Franchisee have reviewed financial statements prepared on an annual basis.

15.2 **Financial Records Use and Access.** Franchisor reserves the right to disclose financial and accounting data received from Franchisee or otherwise available to Franchisor. Franchisor reserves the right to require that Franchisee install and maintain a telephone modem and dedicated line at the Restaurant which Franchisor or its authorized representatives may access to obtain sales information and data of the System (defined in Section 6.7), and Franchisee agrees to cooperate with Franchisor's procedures regarding the System. With respect to the operation and financial condition of the Restaurant, Franchisee agrees to furnish the required financial and accounting reports in the form prescribed by Franchisor, which may include, without limitation, computer diskette, electronic mail, and facsimile transmission.

15.3 **Books and Records/Maximum Borrowing Commitment.** Franchisee shall maintain all books and records for its Restaurant in accordance with GAAP consistently applied and preserve such records, including cash register tapes, shift reports, weekly operating summaries, and sales tax returns, for at least three (3) years after the fiscal year to which they relate. Franchisee shall maintain all books and records for the Restaurant separate from any other businesses operated by Franchisee.

Franchisee acknowledges and agrees that Franchisor may from time to time designate the maximum amount of debt that the Restaurant may service. Franchisee shall not borrow in excess of this maximum allowed debt without Franchisor's prior written consent.

15.4 **Audit of Books and Records.** Franchisee shall permit Franchisor or its representatives (including Franchisor's affiliates) to inspect and audit the books, records, and other information of the Restaurant at any reasonable time, and at or away from the Franchised Location, at Franchisor's or its affiliate's expense. Franchisor and its affiliates may collect the Restaurant's books, records, and other information for review in any form or manner they reasonably determine, including, without limitation, requiring Franchisee to send documents to Franchisor's offices. If any audit discloses a deficiency in amounts owed to Franchisor, then such amounts shall become immediately payable to Franchisor by Franchisee, with interest from

the date such payments were due at the lesser of two percent (2%) per month or the maximum commercial contract interest rate allowed by law. In addition, if such audit discloses that the Gross Sales of the Restaurant have been understated by two (2%) or more during the audit period, Franchisee shall pay all reasonable costs and expenses that Franchisor or its affiliates incurred in connection with such audit.

16. TRANSFER

16.1 **Transfer by Franchisee.** Franchisee agrees that the rights and duties created by this Agreement are personal to Franchisee (or its shareholders, partners, members, or owners, if Franchisee is a corporation, partnership, limited liability company, or other business entity) and that Franchisor has entered into this Agreement in reliance upon Franchisor's perceptions of the individual or collective character, skill, aptitude, attitude, business ability, and financial capacity of Franchisee (or its shareholders, partners, members, or owners). Accordingly, without Franchisor's prior written consent, which will not be unreasonably withheld, neither this Agreement (or any interest in this Agreement), any part or all of the ownership of Franchisee, nor the Restaurant or all or a substantial portion of its assets may be transferred. Any unauthorized transfer is a breach of this Agreement, void, and of no effect. As used in this Agreement, the term "**transfer**" includes Franchisee's (or an owner's) voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition of any interest in: (1) this Agreement; (2) the Franchisee entity; (3) the Restaurant governed by this Agreement; or (4) all or a substantial portion of the assets of the Restaurant. It also includes an assignment of day-to-day operational responsibilities for the Restaurant pursuant to an operating agreement or otherwise. A transfer of the Restaurant's ownership, possession, or control, or all or a substantial portion of its assets, may be made only with a transfer of this Agreement. In addition, Franchisee may not assign or pledge this Agreement or an ownership interest in Franchisee (other than to Franchisor) as additional security for any loans or other financing.

16.2 **Pre-Conditions to Franchisee's Transfer.** Franchisee agrees that there may be no transfers before the Restaurant has opened for business. Franchisor shall not be obligated to approve a proposed transfer unless Franchisee (and its owners) is in full compliance with this Agreement and all other franchise agreements with Franchisor. Franchisor shall not unreasonably withhold its approval of a proposed transfer that meets all the applicable requirements of this Section. The proposed transferee and its owners must be individuals of good moral character and otherwise meet Franchisor's then applicable standards for franchisees.

If the proposed transfer is of this Agreement and the Restaurant, day-to-day operational responsibilities for the Restaurant, or a controlling interest in Franchisee, or is one of a series of transfers (regardless of the time period over which these transfers take place) which in the aggregate transfer this Agreement and the Restaurant or a controlling interest in Franchisee, all of the following conditions must be met before or concurrently with the effective date of the transfer: (a) All amounts due and owing pursuant to this Agreement or otherwise (including under another franchise agreement) by Franchisee to Franchisor, its affiliates, or third parties whose debts or obligations Franchisor has guaranteed on behalf of Franchisee, if any, are paid in full; Franchisee has submitted all required reports and statements; and Franchisee has not violated any provision of this Agreement, the Restaurant's lease, or any other agreement with

Franchisor and its affiliates (including another franchise agreement) during both the sixty (60) day period before Franchisee requested Franchisor's consent to the transfer and the period between Franchisee's request and the effective date of the transfer; (b) the proposed transferee agrees to operate the Restaurant as a QUIZNOS Restaurant, signs the then-current form of franchise agreement, the provisions of which may differ materially from any and all of those contained in this Agreement, passes the English competency and other required tests, and satisfactorily completes the initial training program; (c) Franchisee provides written notice to Franchisor at least thirty (30) days prior to the proposed effective date of the transfer and includes information reasonably detailed to enable Franchisor to evaluate the terms and conditions of the proposed transfer, which at a minimum includes a written offer from the proposed transferee; (d) the proposed transferee provides information to Franchisor sufficient for Franchisor to assess the proposed transferee's business experience, aptitude, and financial qualification, and Franchisor approves the proposed transferee as a franchisee; (e) neither the transferee nor its owners or affiliates have an ownership interest in, or perform services as a director, officer, manager, employee, consultant, representative, agent, or otherwise for, a Competitive Business (defined in Section 20.1); (f) the proposed transferee agrees to renovate, refurbish, remodel, or replace, at its own cost, the real and personal property and equipment used in operating the Restaurant within the timeframe specified by Franchisor in order to comply with Franchisor's and its affiliates' then current image, standards of operation, and performance capability; (g) Franchisee's landlord allows Franchisee to transfer the Restaurant's lease to the transferee; (h) if Franchisee or its owners finance any part of the purchase price, such financing, together with any third-party financing, either does not exceed the maximum debt limits or debt service limits established by Franchisor for the Restaurant or, to the extent it does exceed such maximum debt limits, the excess portion of such financing is not secured by the Restaurant or its assets. Franchisee and/or its owners further agree that all of the transferee's obligations under promissory notes, agreements, or security interests reserved in the Restaurant are subordinate to the transferee's obligation to pay fees and other amounts due to Franchisor and its affiliates and otherwise to comply with this Agreement; (i) Franchisee, its owners and guarantors execute a non-disparagement agreement and general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, its affiliates, and their respective shareholders, officers, directors, employees, and agents; (j) Franchisee, its owners and guarantors abide by all post-termination covenants, including, without limitation, the covenant not to compete set forth in Section 20.3; and (k) if Franchisee is an individual transferring this Agreement and the Restaurant to an entity wholly-owned by Franchisee, Franchisee agrees both to remain personally responsible for the entity's performance of its obligations under this Agreement and to continue to comply personally with all obligations under this Agreement. Neither the transferee nor its owners may, without Franchisor's prior written consent, take over possession of the Restaurant until the transfer process has been completed. Franchisee acknowledges and agrees that Franchisor may, but shall not be required to, release one or more guarantors of Franchisee's obligations upon transfer.

If Franchisor approves the proposed transfer, Franchisee or the proposed transferee will pay Franchisor a transfer fee in an amount equal to fifty percent (50%) of the then-current Initial Franchise Fee for the type of Restaurant being transferred, which fee is required to cover Franchisor's reasonable expenses related to the transfer, including training; provided, however, that no transfer fee will be charged (and Franchisor's right of first refusal will not apply) for a

transfer by Franchisee to an entity wholly-owned by Franchisee, between owners of a Franchisee entity, or to a spouse of Franchisee (or owner of the Franchisee) upon the death or disability of Franchisee (or the owner) so long as the transfer does not result in a change of control of the Franchisee.

A person will be deemed to have a controlling interest in Franchisee if that person has the right to vote twenty-five percent (25%) or more of the voting securities or other forms of ownership interest of a corporation, partnership, or other form of entity, or is entitled to receive twenty-five percent (25%) or more of the net profits of any such entity, or is otherwise able to direct or cause the direction of that entity's management or policies.

16.3 **Franchisor's Approval of Transfer.** Franchisor has thirty (30) days from the date of the written notice to approve or disapprove, in writing, Franchisee's proposed transfer (assuming the conditions specified in Section 16.2 above have been satisfied). Franchisee acknowledges that the proposed transferee shall be evaluated by Franchisor based on the same criteria as those currently being used to assess new franchisees and that the proposed transferee shall be provided with such disclosures required by state or federal law. Franchisor may review all information regarding the Restaurant that Franchisee gives the transferee, and Franchisor may give the transferee copies of any reports that Franchisee has given Franchisor or Franchisor has made regarding the Restaurant.

16.4 **Right of First Refusal.** Franchisee grants to Franchisor a thirty (30) day right of first refusal to purchase such rights, interest, or assets on the same terms and conditions as are contained in the written notice set forth in Section 16.2(c); provided, however, the following additional terms and conditions shall apply: (a) the right of first refusal will be effective for each proposed transfer, and any material change in the terms or conditions of the proposed transfer shall be deemed a separate offer for which Franchisor shall have a new thirty (30) day right of first refusal; (b) the thirty (30) day right of first refusal period will run concurrently with the period in which the Franchisor has to approve or disapprove the proposed transferee; (c) if the consideration or manner of payment offered by a proposed transferee is such that Franchisor cannot reasonably be expected to furnish the same, then Franchisor may purchase the interest proposed to be sold for the reasonable cash equivalent. If the parties cannot agree within a reasonable time on the cash consideration, an independent appraiser shall be designated by Franchisor, whose determination will be binding upon the parties; all expenses of the appraiser shall be paid for equally by Franchisor and Franchisee; and, despite subparagraph (b), Franchisor will have fifteen (15) days after determination of the cash consideration to exercise its right of first refusal; and (d) if Franchisor chooses not to exercise its right of first refusal, Franchisee shall be free to complete the transfer subject to compliance with Sections 16.2 and 16.3. Franchisor has the unrestricted right to assign this right of first refusal to a third party, who then will have the rights described in this Section.

16.5 **Transfer by Franchisor.** Franchisee represents that it has not signed this Agreement in reliance on any shareholder, member, director, officer, or employee remaining with Franchisor in that capacity. Franchisor may change its ownership or form and/or assign this Agreement and any other agreement without restriction. After Franchisor's assignment of this

Agreement to a third party who expressly assumes the obligations under this Agreement, Franchisor no longer will have any performance or other obligations under this Agreement.

16.6 **Franchisee's Death or Disability.** Upon the death or permanent disability of Franchisee (or an individual controlling a Franchisee entity), the personal representative of such person shall transfer Franchisee's interest in this Agreement or such interest in the Franchisee entity to an approved third party. Such disposition of this Agreement or such interest (including, without limitation, transfer by bequest or inheritance) shall be completed within a reasonable time, not to exceed one hundred twenty (120) days from the date of death or permanent disability (unless extended by probate proceedings), and shall be subject to all terms and conditions applicable to transfers contained in this Section 16; provided, however, that for purposes of this Section, there shall be no transfer fee charged by Franchisor. Failure to transfer the interest within said period of time shall constitute a breach of this Agreement. The term "**permanent disability**" shall mean a mental or physical disability, impairment, or condition that is reasonably expected to prevent or actually does prevent Franchisee (or an owner controlling a Franchisee entity) from supervising the management and operation of the Restaurant for a period of one hundred twenty (120) days from the onset of such disability, impairment, or condition. In any event, the Restaurant shall at all times be managed by a Designated Manager who has complied with all of Franchisor's training requirements, regardless of any death or permanent disability covered by this Section.

17. TERM AND RENEWAL

17.1 **Term.** The primary term of this Agreement is for a period of fifteen (15) years from the Effective Date, unless sooner terminated.

17.2 **Renewal.** At the end of the primary term, Franchisee shall have the option to renew its franchise rights for an additional fifteen (15) year term, so long as Franchisee:

(a) Has complied with all provisions of this Agreement during the primary term, including the payment on a timely basis of all Royalties and other fees. "**Compliance**" shall mean, at a minimum, that Franchisee has not received written notification from Franchisor of a breach more than four (4) times during the primary term;

(b) Is not in default or under notification of breach of this Agreement at the time it gives notice under Section 17.3;

(c) Agrees to upgrade and remodel the Restaurant at Franchisee's sole expense (the necessity of which shall be at Franchisor's option) to conform with the then-current Operations Manual requirements;

(d) Executes (together with its owners and guarantors) a non-disparagement agreement and general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its affiliates and their respective shareholders, officers, directors, employees, and agents arising out of or relating to this Agreement or the parties' relationship; and

(e) Executes Franchisor's then-current form of Franchise Agreement, any and all of the terms of which may differ materially from those in this Agreement, including terms changing the Royalty and other fee amounts; provided that Franchisee shall not be required to pay a new Initial Franchise Fee.

17.3 **Exercise of Renewal.** Franchisee may exercise its option to renew by giving written notice of such exercise to Franchisor not more than one (1) year nor less than one hundred eighty (180) days prior to the expiration of the primary term. Franchisee must also pay a One Thousand Dollar (\$1,000) renewal fee to Franchisor concurrently with the execution of the then-current Franchise Agreement to cover Franchisor's expenses related to reviewing Franchisee's operations and approving the renewal. If Franchisee fails to comply with any of the conditions listed above (other than execution of the new Franchise Agreement or payment of the renewal fee), Franchisor shall give notice to that effect to Franchisee no later than ninety (90) days before expiration of the primary term.

18. DEFAULT AND TERMINATION

18.1 **Termination by Franchisee.** Franchisee shall have the right to terminate this Agreement if Franchisor materially fails to comply with this Agreement and fails to cure its default within thirty (30) days after delivery of written notice of the default from Franchisee. Notwithstanding the foregoing, if the breach is curable but is of a nature which cannot reasonably be cured within such thirty (30) day period and Franchisor has commenced and is continuing to make good faith efforts to cure the breach, Franchisor shall be given an additional reasonable period of time to cure the same, and this Agreement shall not terminate. Any termination by Franchisee other than in accordance with this Section will be deemed a termination by Franchisee without cause.

18.2 **Termination by Franchisor - Effective Upon Notice.** Franchisor shall have the right, at its option, to terminate this Agreement and all rights granted Franchisee, without affording Franchisee any opportunity to cure any default (subject to any state laws to the contrary, in which case state law shall prevail), effective upon delivery to Franchisee of a termination notice, upon the occurrence of any of the following events:

(a) **Unauthorized Opening.** If Franchisee begins operating the Restaurant without having obtained Franchisor's prior written consent, as required in Section 6.9;

(b) **Unauthorized Disclosure.** If Franchisee or any person under Franchisee's control intentionally or negligently discloses to any unauthorized person, or copies or reproduces, the contents or any part of the Operations Manual or any other trade secrets or confidential information of Franchisor or its affiliates;

(c) **Fraud or Conduct Affecting the Marks.** If Franchisee commits fraud in connection with the purchase or operation of the Restaurant or otherwise engages in conduct that, in the sole judgment of Franchisor, impairs or may impair the goodwill associated with the Marks or otherwise subjects the Marks or the QUIZNOS system to ridicule, scandal, reproach, scorn or indignity;

(d) **Abandonment.** If Franchisee ceases to operate the Restaurant or otherwise abandons the Restaurant for a period of five (5) consecutive days, or any shorter period that indicates an intent by Franchisee to discontinue operation of the Restaurant, unless and only to the extent that full operation of the Restaurant is suspended or terminated due to fire, flood, earthquake, or other similar causes beyond Franchisee's control and not related to the availability of funds to Franchisee;

(e) **Insolvency; Assignments.** If Franchisee becomes insolvent or is adjudicated a bankrupt; or any action is taken by Franchisee, or by others against Franchisee, under any insolvency, bankruptcy, or reorganization act (this provision might not be enforceable under federal bankruptcy law, 11 U.S.C. §§ 101 et seq.); or if Franchisee makes an assignment for the benefit of creditors; or a receiver is appointed for Franchisee;

(f) **Unsatisfied Judgments; Levy; Foreclosure.** If any material judgment (or several judgments which in the aggregate are material) is obtained against Franchisee and remains unsatisfied or of record for thirty (30) days or longer (unless a supersedeas or other appeal bond has been filed); or if execution is levied against Franchisee's business or any of the property used in operating the Restaurant and is not discharged within five (5) days; or if the real or personal property of Franchisee's business shall be sold after levy by any sheriff, marshal, or constable;

(g) **Criminal Conviction.** If Franchisee (or any of its Bound Parties, as defined in Section 20.1) is convicted of a felony, a crime involving moral turpitude, or any crime or offense reasonably likely, in the sole opinion of Franchisor, to materially and unfavorably affect the Licensed Methods, Marks, and associated goodwill and reputation;

(h) **Failure to Make Payments.** If Franchisee fails to pay any amounts due Franchisor or its affiliates within ten (10) days after delivery of notice that such fees or amounts are overdue;

(i) **Financial Reporting.** If Franchisee intentionally underreports Gross Sales in any amount or negligently underreports Gross Sales by five percent (5%) or more during any reporting period;

(j) **Failure to Complete Training or Open.** If Franchisee (or its Managing Owner or Designated Manager) is discovered to be cheating at the initial training program or fails to complete the initial training program to Franchisor's satisfaction or to commence operations of the Restaurant within the required time period;

(k) **Misuse of Marks.** If Franchisee misuses or fails to follow Franchisor's directions and guidelines concerning use of the Marks and fails to correct the misuse or failure within ten (10) days after delivery of notice from Franchisor;

(l) **Repeated Noncompliance.** If Franchisee has received three (3) notices of default from Franchisor within a twelve (12) month period, regardless of whether the defaults were cured by Franchisee;

(m) **Right to Possession of Property.** If Franchisee loses the right to occupy the Restaurant's premises because of its default under the lease or sublease or defaults under any agreement related to use or operation of the Restaurant;

(n) **Unauthorized Transfer.** If Franchisee sells, transfers, or otherwise assigns the franchise, an interest in the franchise or Franchisee entity, this Agreement, the Restaurant, or a substantial portion of the assets of the Restaurant without complying with the provisions of Section 16;

(o) **Termination of Other Franchise Agreement.** If Franchisor or any of its affiliates issues a notice of termination with respect to any other franchise agreement between Franchisor or any such affiliate and Franchisee (or any other legal entity in which Franchisee, or one of its owners with at least a twenty-five percent (25%) ownership interest in Franchisee, is the sole owner or managing owner) governing the operation of another Quizno's Restaurant;

(p) **Loan Default.** If Franchisee commits a default under any loan from or equipment lease with Franchisor, its affiliates, or a third party and fails to cure that default by the date specified by the lender or equipment lessor; or

(q) **Unsafe or Unsanitary Conditions.** If Franchisee creates or allows to exist any condition in or at the Restaurant, or on or about the Restaurant's premises, which Franchisor reasonably believes presents health or safety concerns for the Restaurant's customers or employees.

18.3 **Termination by Franchisor - Thirty Days Notice.** Franchisor shall have the right to terminate this Agreement (subject to any state laws to the contrary, in which case state law shall prevail), effective upon delivery of thirty (30) days' prior written notice to Franchisee, if Franchisee breaches any other provision of this Agreement, including, but not limited to, if Franchisee fails to comply with the Operations Manual, and fails to cure the default during such thirty (30) day period. In that event, this Agreement will terminate without further notice to Franchisee, effective upon expiration of the thirty (30) day period. Notwithstanding the foregoing, if the breach is curable, but is of a nature which cannot reasonably be cured within such thirty (30) day period and Franchisee has commenced and is continuing to make good faith efforts to cure the breach, Franchisee shall be given an additional reasonable period of time to cure the same, and this Agreement shall not terminate.

18.4 **Late Fee.** In addition to its other rights and remedies, Franchisor may charge Franchisee a late fee of one hundred dollars (\$100) per violation by Franchisee of any term or condition of this Agreement, including, without limitation, failure to pay (or to have adequate amounts available for electronic transfer of) amounts owed Franchisor or its affiliates or failure to timely provide required reports. This fee may be changed or eliminated by Franchisor.

18.5 **Failure to Comply with Reporting Requirements.** If Franchisee fails to prepare and submit any statement or report required under Section 15, then Franchisor shall have the right to treat Franchisee's failure as good cause for termination of this Agreement. In addition to all other remedies available to Franchisor, in the event that Franchisee fails to prepare

and submit any statement or report required under Section 15 for two (2) consecutive reporting periods, Franchisor shall be entitled to make an audit, at the expense of Franchisee, of Franchisee's books, records, and accounts, including Franchisee's bank accounts. The statements or reports not previously submitted shall be prepared by or under the direction and supervision of an independent certified public accountant selected by Franchisor. In addition to its other rights and remedies, if Franchisee fails to comply with the reporting requirements under Section 15, Franchisor shall have the right to collect, in addition to the late fee, Six Hundred Fifty Dollars (\$650) per week for Royalty payments and One Hundred Dollars (\$100) per week for advertising payments (or a greater amount if Franchisor reasonably estimates that the Restaurant is generating higher Gross Sales), provided that any amounts will be reconciled and adjusted as needed when Franchisor receives actual Gross Sales amounts.

18.6 Right to Repurchase. Except in the case of a renewal under Section 17, upon termination or expiration of this Agreement for any reason, Franchisor shall have the option to purchase the Restaurant, or a portion of the assets of the Restaurant (including any furniture, fixtures, equipment and improvements), which may include, at Franchisor's option, all of Franchisee's leasehold interest in and to the real estate upon which the Restaurant is located, but not including any other interest in real property. The purchase price for the assets to be transferred will be thirty percent (30%) of the Gross Sales of the Restaurant during the twelve (12) calendar months immediately preceding the date of termination or expiration and will be adjusted by setting off and reducing the purchase price by any amount then owing by Franchisee to Franchisor or its affiliates, including any amounts paid by Franchisor to cure Franchisee's defaults with third parties such as landlords (the decision to pay such cure amounts to be the sole decision of Franchisor). The following additional terms shall apply to Franchisor's exercise of this option:

(a) Franchisor's option shall be exercisable by providing Franchisee with written notice of its intention to exercise the option no later than seven (7) days following the effective date of termination, in the case of termination (unless Franchisee terminates without notice or Franchisee terminates for cause, in which case Franchisor shall have thirty (30) days after receipt of actual notice of the termination or such additional time as is reasonably necessary given the circumstances), or at least thirty (30) days prior to the expiration of the term of the franchise, in circumstances where no renewal is granted;

(b) Franchisor and Franchisee agree that the terms and conditions of this right and option to purchase may be recorded, if deemed appropriate by Franchisor, in the real property records, and Franchisor and Franchisee further agree to execute such additional documentation as may be necessary and appropriate to effectuate such recording;

(c) The closing for the purchase will take place no later than sixty (60) days after delivery to Franchisee of written notice of Franchisor's exercise of its option. Franchisor has the unrestricted right to assign this option to purchase at any time to a third party, who then will have the rights described in this Section. Franchisor will pay the purchase price in full at the closing or, at its option, in twenty-four (24) equal consecutive monthly installments, with interest at a rate equal to the prime lending rate as of the closing at Franchisor's primary bank. Franchisee must sign all documents of transfer reasonably necessary for purchase of the

Restaurant by Franchisor or the third party assignee, which documents shall include all customary representations and warranties from Franchisee as to ownership and condition of, and title to, the assets of the Restaurant being transferred. All assets must be transferred free and clear of all liens and encumbrances, with all sales and transfer taxes paid by Franchisee. Franchisee and its owners further agree to sign general releases, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its affiliates and their respective shareholders, officers, directors, employees, agents, successors, and assigns; and

(d) Franchisee agrees that it shall be obligated to operate the Restaurant, according to this Agreement's terms, during the period in which Franchisor or the third party assignee is deciding whether to exercise its option to purchase and until the closing takes place, and that a condition to closing is that the Restaurant has remained open during that time period. Franchisor or the third party assignee may decide not to exercise its option to purchase at any time before closing if it determines that any of the conditions noted above have not been or cannot be satisfied.

In the event that Franchisor or a third party assignee does not exercise its right to repurchase Franchisee's Restaurant as set forth above, Franchisee will be free, after such termination or expiration, to keep or to sell to any third party all of the physical assets of its Restaurant; provided, however, that all Marks are first removed in a manner approved in writing by Franchisor.

18.7 **Obligations of Franchisee Upon Termination or Expiration.** Franchisee is obligated upon termination or expiration of this Agreement to immediately:

(a) Pay all Royalties and other amounts then owed Franchisor or its affiliates pursuant to this Agreement or otherwise;

(b) Cease identifying itself as a QUIZNOS franchisee and cease using any Marks, trade secrets, signs, symbols, devices, trade names, or other materials of Franchisor and its affiliates;

(c) Immediately cease to identify the Franchised Location as being, or having been, associated with Franchisor and immediately cease using the Marks and Licensed Methods;

(d) Deliver to Franchisor all signs, sign-faces, advertising materials, forms, and other materials bearing any of the Marks or otherwise identified with Franchisor;

(e) Immediately deliver to Franchisor the Operations Manual and all other information, documents, and copies which are proprietary to Franchisor and its affiliates;

(f) Promptly take such action required to cancel all fictitious or assumed name or equivalent registrations relating to its use of any Marks or, at the option of Franchisor, assign the same to Franchisor or its designee;

(g) Notify the telephone company and all telephone directory publishers of the termination or expiration of Franchisee's right to use any telephone number and any regular,

classified, or other telephone directory listings associated with any Mark and authorize their transfer to Franchisor or its designee. Franchisee acknowledges that, as between Franchisee and Franchisor, Franchisor has the sole rights to and interest in all telephone, telecopy, or facsimile machine numbers and directory listings associated with any Mark. Franchisee authorizes Franchisor, and hereby appoints Franchisor and any of its officers as Franchisee's attorney-in-fact, to direct the telephone company and all telephone directory publishers to transfer any telephone, telecopy, or facsimile machine numbers and directory listings relating to the Restaurant to Franchisor or its designee, should Franchisee fail or refuse to do so, and the telephone company and all telephone directory publishers may accept such direction or this Agreement as conclusive of Franchisor's exclusive rights in such telephone numbers and directory listings and Franchisor's authority to direct their transfer; and

(h) Abide by all restrictive covenants set forth in Section 20 of this Agreement.

18.8 **State and Federal Law.** THE PARTIES ACKNOWLEDGE THAT, IN THE EVENT THAT THE TERMS OF THIS AGREEMENT REGARDING TERMINATION OR EXPIRATION ARE INCONSISTENT WITH APPLICABLE STATE OR FEDERAL LAW, SUCH LAW SHALL GOVERN FRANCHISEE'S RIGHTS REGARDING TERMINATION OR EXPIRATION OF THIS AGREEMENT.

18.9 **Assumption of Management.** Franchisor has the right (but not the obligation), under the circumstances described below, to enter the Restaurant and assume the Restaurant's management (or to appoint a third party to assume its management) for any time period it deems appropriate. If Franchisor (or a third party) assumes the Restaurant's management, Franchisee must pay Franchisor (in addition to the Royalty and Marketing and Promotion Fee) three percent (3%) of the Restaurant's Gross Sales, plus Franchisor's (or the third party's) direct out-of-pocket costs and expenses, during this time. If Franchisor (or a third party) assumes the Restaurant's management, Franchisee acknowledges that Franchisor (or the third party) will have a duty to utilize only reasonable efforts and will not be liable to Franchisee or its owners for any debts, losses, or obligations the Restaurant incurs, or to any of Franchisee's creditors for any supplies or services the Restaurant purchases, while Franchisor (or the third party) manages it.

Franchisor (or a third party) may assume the Restaurant's management under the following circumstances:

(a) if Franchisee abandons the Restaurant; or

(b) if Franchisee fails to comply with any provision of this Agreement and does not cure the failure within the time period Franchisor specifies in its notice to Franchisee.

The exercise of Franchisor's rights under subparagraphs (a) or (b) will not affect Franchisor's right to terminate this Agreement.

19. BUSINESS RELATIONSHIP

19.1 **Independent Businesspersons.** The parties agree that each of them is an independent businessperson, their only relationship is by virtue of this Agreement, and no fiduciary relationship is created under this Agreement. Neither party is liable or responsible for the other's debts or obligations, nor shall either party be obligated for any damages to any person or property directly or indirectly arising out of the operation of the other party's business. Franchisor and Franchisee agree that neither of them will hold themselves out to be the agent, employer, or partner of the other and that neither of them has the authority to bind or incur liability on behalf of the other (unless expressly provided in this Agreement).

19.2 **Payment of Third Party Obligations.** Franchisor shall have no liability for Franchisee's obligations to pay any third parties, including, without limitation, any product vendors, or for any sales, use, service, occupation, excise, gross receipts, income, property, or other taxes levied upon Franchisee, Franchisee's property, the Restaurant, or Franchisor in connection with the sales made or business conducted by Franchisee (except any taxes Franchisor is required by law to collect from Franchisee with respect to purchases from Franchisor and Franchisor's income taxes). Franchisee must reimburse Franchisor for any taxes that Franchisor must pay to any state taxing authority on account of either Franchisee's operation or payments that Franchisee makes to Franchisor.

19.3 **Indemnification.** Franchisee agrees to indemnify, defend, and hold harmless Franchisor and its affiliates, and their respective shareholders, directors, officers, employees, agents, successors, and assignees (the "**Indemnified Parties**"), against, and to reimburse them for, all claims, obligations, and damages described in this Section 19.3, any and all third party obligations described in Section 19.2, and any and all claims and liabilities directly or indirectly arising out of the operation of the Restaurant or the use of the Marks and Licensed Methods in any manner, including, without limitation, those alleged to be or found to have been caused by the Indemnified Party's negligence or willful misconduct, unless (and then only to the extent that) the claims and liabilities are determined to be caused solely by the Indemnified Party's gross negligence or willful misconduct in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction. For purposes of this indemnification, claims shall mean and include all obligations, actual and consequential damages, and costs reasonably incurred in the defense of any claim against the Indemnified Parties, including, without limitation, reasonable accountants', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses. Each Indemnified Party shall have the right to defend any such claim against it at Franchisee's expense and agree to settlements or take any other remedial, corrective, or other actions. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

20. RESTRICTIVE COVENANTS

20.1 **Non-Competition During Term.** Franchisee acknowledges that, in addition to the license of the Marks, Franchisor also has licensed commercially valuable information which comprises the Licensed Methods, including, without limitation, operations, marketing,

advertising, and related information and materials, and that the value of this information arises not only from the time, effort, and money which went into its compilation but also from the usage by all franchisees. Franchisee therefore agrees that, other than the Restaurant, neither Franchisee nor any of Franchisee's officers, directors, shareholders, members, partners or other owners, nor any spouse or other immediate family members of Franchisee or any of these individuals (collectively, "**Bound Parties**"), shall during the term of this Agreement:

(a) have any direct or indirect interest as a disclosed or beneficial owner in a "Competitive Business," as defined below, wherever located or operating;

(b) perform services as a director, officer, manager, employee, consultant, representative, agent, or otherwise for a Competitive Business, wherever located or operating;

(c) divert or attempt to divert any business related to the Restaurant, Franchisor's business, or any other QUIZNOS franchisee by direct inducement or otherwise, or divert or attempt to divert the employment of any employee of Franchisor, any of its affiliates, or another franchisee, to any Competitive Business; or

(d) directly or indirectly solicit or employ any person who is employed by Franchisor, any of Franchisor's affiliates, or another franchisee without obtaining the employer's prior written consent.

The term "**Competitive Business**," as used in this Agreement, shall mean any business operating, or granting franchises or licenses to others to operate, a restaurant or other food service business deriving more than ten percent (10%) of its gross receipts, excluding gross receipts relating to the sale of alcoholic beverages, from the sale of submarine, hoagie, hero-type, and/or other sandwiches (other than another QUIZNOS Restaurant operated by Franchisee); provided, however, neither Franchisee nor the other Bound Parties shall be prohibited from owning securities in a Competitive Business if such securities are listed on a stock exchange or traded on the over-the-counter market and represent five percent (5%) or less of that class of securities issued and outstanding. Franchisee agrees that nothing in this Section 20 shall be construed to grant Franchisee any protected territory.

20.2 **Branded Business.** During the term of this Agreement, neither Franchisee nor any other Bound Party will operate, directly or indirectly, any Branded Business within a one-quarter ($\frac{1}{4}$) mile radius of the Restaurant without the written consent of Franchisor, which consent shall not be unreasonably withheld. The term "**Branded Business**" means any business marketed by a franchisor or chain under a locally, regionally, or nationally known or registered trademark or service mark.

20.3 **Post-Termination Covenant Not to Compete.** For a period of two (2) years from the effective date of termination or expiration of this Agreement for any reason, or the date on which Franchisee and all other Bound Parties begin to comply with this Section, whichever is later, neither Franchisee nor any other Bound Party shall have any direct or indirect interest as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative, agent, or in any other capacity in any Competitive Business located or operating

within a five (5) mile radius of the former Franchised Location (including at the former Franchised Location) or within a five (5) mile radius of any other QUIZNOS Restaurant existing on the later of the effective date of termination or expiration of this Agreement or the date on which Franchisee and all other Bound Parties begin to comply with this Section. The restrictions of this Section shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent five percent (5%) or less of the number of shares of that class of securities issued and outstanding. Franchisee and the other Bound Parties expressly acknowledge that they possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section will not deprive them of their personal goodwill or ability to earn a living.

20.4 **Additional Remedies for Breach.** In addition to any other remedies or damages allowed under this Agreement, if Franchisee breaches the covenants set forth in Sections 20.1, 20.2, or 20.3, Franchisee shall pay Franchisor a fee equal to Franchisor's then-current Initial Franchise Fee for each Competitive Business or Branded Business opened in violation of the covenants, plus eight percent (8%) of such Business's gross sales until expiration of the noncompetition period set forth in Section 20.3.

20.5 **Confidentiality of Proprietary Information.** Franchisee shall treat, and shall ensure that the Bound Parties treat, all information it receives which comprises the Licensed Methods (including, without limitation, the Operations Manual) as proprietary and confidential and not use such information in an unauthorized manner or disclose the same to any unauthorized person. Franchisee agrees that all such material is the sole property of Franchisor and its affiliates. Franchisee acknowledges that the Marks and the Licensed Methods have valuable goodwill attached to them, that their protection and maintenance are essential to Franchisor and its affiliates, and that any unauthorized use or disclosure of the Marks and Licensed Methods will result in irreparable harm to Franchisor and its affiliates. All ideas, concepts, techniques, or materials concerning a QUIZNOS Restaurant, whether or not protectable intellectual property and whether created by or for Franchisee or its owners or employees, must be promptly disclosed to Franchisor and will be deemed Franchisor's and its affiliates' sole and exclusive property, part of the QUIZNOS System, and works made-for-hire for Franchisor and its affiliates. To the extent any item does not qualify as a "work made-for-hire" for Franchisor and its affiliates, Franchisee assigns ownership of that item, and all related rights to that item, to Franchisor and its affiliates and must sign whatever assignment or other documents Franchisor and its affiliates request to show ownership or to help Franchisor and its affiliates obtain intellectual property rights in the item.

20.6 **Confidentiality Agreement.** Franchisor reserves the right to require that Franchisee cause each of its Bound Parties and Designated Managers (and, if applicable, the spouse of a Designated Manager) to execute a Nondisclosure and Noncompetition Agreement containing the above restrictions in a form approved by Franchisor.

21. DISPUTES

21.1 **Governing Law/Consent to Venue and Jurisdiction.** Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.) or other federal law, this Agreement shall be interpreted under the laws of the State of Colorado, and any dispute between the parties, whether arising under this Agreement or from any other aspect of the parties' relationship, shall be governed by and determined in accordance with the substantive laws of the State of Colorado, which laws shall prevail in the event of any conflict of law. Franchisee and Franchisor have negotiated regarding a forum in which to resolve any disputes arising between them and have agreed to select a forum in order to promote stability in their relationship. Therefore, if a claim is asserted in any legal proceeding involving Franchisee or any Bound Party and Franchisor, the parties agree that the exclusive venue for disputes between them shall be in the District Court for the City & County of Denver, Colorado, or the United States District Court for the District of Colorado, and each party waives any objection it might have to the personal jurisdiction of or venue in such courts.

21.2 **Waiver of Jury Trial.** Franchisor, Franchisee, and the Bound Parties each waive their right to a trial by jury. Franchisee, the Bound Parties, and Franchisor acknowledge that the parties' waiver of jury trial rights provides the parties with the mutual benefit of uniform interpretation of this Agreement and resolution of any dispute arising out of this Agreement or any aspect of the parties' relationship. Franchisee, the Bound Parties, and Franchisor further acknowledge the receipt and sufficiency of mutual consideration for such benefit.

21.3 **Remedies.** Except as set forth in Section 21.4, the court will have the right to award any relief which it deems proper in the circumstances, including, without limitation, money damages (with interest on unpaid amounts from the date due), lost profits, specific performance, injunctive relief, and attorneys' fees and costs. The parties agree that any claim for lost earnings or profits by Franchisee shall be limited to a maximum amount equal to the net profits of the Restaurant for the prior year as shown on Franchisee's federal income tax return. The parties further agree that, in addition to such other damages awarded by the court, if this Agreement is terminated because of a Franchisee default, Franchisee shall be liable to Franchisor for a lump sum amount equal to the net present value of the Royalties, Marketing and Promotion Fees, Local Advertising Fees, and Regional Advertising Fees that would have become due following termination of this Agreement for the period this Agreement would have remained in effect but for Franchisee's default. Royalties, Marketing and Promotion Fees, Local Advertising Fees, and Regional Advertising Fees for purposes of this Section shall be calculated based on the Restaurant's average monthly Gross Sales for the twelve (12) months preceding the termination date.

21.4 **Limitation of Claims.** Franchisee and the Bound Parties agree not to bring any claim asserting that any of the Marks are generic or otherwise invalid. Except with regard to Franchisee's obligation to pay Franchisor and its affiliates Royalty payments, the Marketing and Promotion Fee and other advertising fees, and other payments due from Franchisee pursuant to this Agreement or otherwise, any claims between the parties must be commenced within one (1) year from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claim, or such claim shall be barred. The parties understand that such time

limit might be shorter than otherwise allowed by law. Franchisee and the Bound Parties agree that their sole recourse for claims arising between the parties shall be against Franchisor or its successors and assigns. Franchisee and the Bound Parties agree that the shareholders, directors, officers, employees, and agents of Franchisor and its affiliates shall not be personally liable nor named as a party in any action between Franchisor and Franchisee or any Bound Party; provided that this shall not preclude claims Franchisee has directly against an Area Director. Franchisor, Franchisee, and the Bound Parties further agree that, in connection with any such proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such claim which is not submitted or filed as described above will be forever barred. The parties agree that any proceeding will be conducted on an individual, not a class-wide, basis, and that a proceeding between Franchisor and Franchisee or the Bound Parties may not be consolidated with another proceeding between Franchisor and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between Franchisor and Franchisee. No party will be entitled to an award of punitive or exemplary damages (provided that this limitation shall not apply to statutory penalties such as those set forth in 15 U.S.C. § 1117(a)). No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

22. SECURITY INTEREST

22.1 **Collateral.** Franchisee grants Franchisor a security interest ("**Security Interest**") in all of the furniture, fixtures, equipment, signage, and realty (including Franchisee's interests under all real property and personal property leases) of the Restaurant, together with all similar property now owned or hereafter acquired, additions, substitutions, replacements, proceeds, and products thereof, wherever located, used in connection with the Restaurant. All items in which a security interest is granted are referred to as the "**Collateral.**"

22.2 **Indebtedness Secured.** The Security Interest is to secure payment of the following (the "**Indebtedness**"):

- (a) All amounts due under this Agreement or otherwise by Franchisee;
- (b) All sums which Franchisor (or its affiliates) may, at its option, expend or advance for the maintenance, preservation, and protection of the Collateral, including, without limitation, payment of rent, taxes, levies, assessments, insurance premiums, and discharge of liens, together with interest, or any other property given as security for payment of the Indebtedness;
- (c) All expenses, including reasonable attorneys' fees, which Franchisor (or its affiliates) incurs in connection with collecting any or all Indebtedness secured hereby or in enforcing or protecting its rights under the Security Interest and this Agreement; and

(d) All other present or future, direct or indirect, absolute or contingent, liabilities, obligations, and indebtedness of Franchisee to Franchisor or third-parties under this Agreement, however created, and specifically including all or part of any renewal or extension of this Agreement, whether or not Franchisee executes any extension agreement or renewal instruments.

22.3 **Additional Documents.** Franchisee will from time to time as required by Franchisor join with Franchisor in executing any additional documents and one or more financing statements pursuant to the Uniform Commercial Code (and any assignments, extensions, or modifications thereof) in form satisfactory to Franchisor.

22.4 **Possession of Collateral.** Upon default and termination of Franchisee's rights under this Agreement, Franchisor shall have the immediate right to possession and use of the Collateral.

22.5 **Remedies of Franchisor in Event of Default.** Franchisee agrees that, upon the occurrence of any default set forth above, the full amount remaining unpaid on the Indebtedness secured shall, at the option of Franchisor and without notice, become due and payable immediately, and Franchisor shall then have the rights, options, duties, and remedies of a secured party under, and Franchisee shall have the rights and duties of a debtor under, the Uniform Commercial Code of Colorado, including, without limitation, Franchisor's right to take possession of the Collateral and without legal process to enter any premises where the Collateral may be found. Any sale of the Collateral may be conducted by Franchisor in a commercially reasonable manner. Reasonable notification of the time and place of any sale shall be satisfied by mailing to Franchisee pursuant to the notice provisions set forth below.

22.6 **Special Filing as Financing Statement.** This Agreement shall be deemed a Security Agreement and a Financing Statement. This Agreement may be filed for record in the real estate records of each county in which the Collateral, or any part thereof, is situated and may also be filed as a Financing Statement in the counties or in the office of the Secretary of State, as appropriate, in respect of those items of Collateral of a kind or character defined in or subject to the applicable provisions of the Uniform Commercial Code as in effect in the appropriate jurisdiction.

23. MISCELLANEOUS PROVISIONS

23.1 **Modification/Exercise of Judgment.** No amendment, waiver, or modification of this Agreement shall be effective unless it is in writing and signed by Franchisor and Franchisee. Franchisee acknowledges that Franchisor may modify its standards and specifications and operating and marketing techniques set forth in the Operations Manual unilaterally under any conditions and to the extent to which Franchisor deems necessary to protect, promote, or improve the Marks and the quality of the Licensed Methods as long as such modifications are not specifically prohibited by this Agreement.

Whenever Franchisor has reserved in this Agreement a right to take or to withhold an action, or to grant or decline to grant Franchisee a right to take or omit an action, Franchisor

may, except as otherwise specifically provided in this Agreement, make its decision or exercise its rights based on information readily available to Franchisor and its judgment of what is in its and/or the system's best interests at the time Franchisor's decision is made, without regard to whether Franchisor could have made other reasonable or even arguably preferable alternative decisions or whether Franchisor's decision promotes its financial or other individual interest.

23.2 **Entire Agreement.** This Agreement contains the entire agreement between the parties and supersedes any and all prior agreements concerning its subject matter. Franchisee agrees and understands that Franchisor shall not be liable or obligated for any oral representations or commitments made prior to the execution of this Agreement or for claims of negligent or fraudulent misrepresentation, and that no modifications of this Agreement shall be effective except those in writing and signed by both parties. Franchisor does not authorize and will not be bound by any representation of any nature other than those expressed in this Agreement. Franchisee further acknowledges and agrees that no representations have been made to it by Franchisor or its affiliates regarding projected sales volumes, market potential, revenues, profits of Franchisee's Restaurant, or operational assistance other than as stated in this Agreement or in any disclosure document provided by Franchisor or its representatives. Any policies that the Franchisor adopts and implements from time to time to guide it in its decision-making are subject to change, are not a part of this Agreement, and are not binding on Franchisor.

23.3 **Delegation by Franchisor.** Franchisor shall have the right to delegate the performance of any portion or all of its obligations and duties under this Agreement to third parties, whether the same are agents or affiliates of Franchisor and/or Area Directors or independent contractors with which Franchisor has contracted to provide such services. Franchisee agrees in advance to any such delegation by Franchisor of any portion or all of its obligations under this Agreement to all such third parties. Franchisee acknowledges and agrees that Franchisor may not be bound, and this Agreement may not be modified, by any third party (including Area Directors) without Franchisor's prior written consent. Franchisee acknowledges and agrees that any delegation of Franchisor's duties and obligations to third parties does not assign or confer any rights under this Agreement upon such third parties and that such third parties are not third party beneficiaries of this Agreement.

23.4 **Agreement Effective.** This Agreement shall not be effective until accepted by Franchisor as evidenced by dating and signing by an officer or other duly-authorized representative of Franchisor. Notwithstanding that this Agreement shall not be effective until signed by Franchisor, Franchisor reserves the right to make the effective date of this Agreement the date on which Franchisee signed the Agreement.

23.5 **Review of Agreement.** Franchisee acknowledges that it has had a copy of Franchisor's Uniform Franchise Offering Circular in its possession for not less than ten (10) full business days, and this Agreement in its possession for not less than five (5) full business days, during which time Franchisee has had the opportunity to submit same for professional review and advice of Franchisee's choosing prior to freely executing this Agreement.

23.6 **Attorneys' Fees.** In the event of any default on the part of either party to this Agreement, in addition to all other remedies, the party in default will pay the prevailing party (as determined by the decision-maker in the proceeding) all amounts due and all damages, costs, and expenses, including reasonable attorneys' fees, incurred by the prevailing party in any legal action or other proceeding as a result of such default, plus interest at the lesser of two percent (2%) per month or the highest commercial contract interest rate allowable by law accruing from the date of such default. Additionally, if Franchisee withholds any amounts due Franchisor (or its affiliates), Franchisee shall reimburse Franchisor's (or its affiliates') costs of collecting such amounts, including reasonable attorneys' fees and expenses.

23.7 **Injunctive Relief.** Nothing herein shall prevent Franchisor or Franchisee from seeking injunctive relief in appropriate cases to prevent irreparable harm.

23.8 **No Waiver.** No waiver of any condition or covenant contained in this Agreement, or failure to exercise a right or remedy, by Franchisor or Franchisee shall be considered to imply or constitute a further waiver by Franchisor or Franchisee of the same or any other condition, covenant, right, or remedy.

23.9 **No Right to Set Off.** Franchisee shall not be allowed to set off amounts owed to Franchisor or its affiliates for Royalties, fees, or other amounts due against any monies owed to Franchisee, which right of set off is hereby expressly waived by Franchisee.

23.10 **Invalidity.** If any provision of this Agreement is held invalid by any tribunal in a final decision from which no appeal is or can be taken, such provision shall be deemed modified to eliminate the invalid element, and, as so modified, such provision shall be deemed a part of this Agreement as though originally included. The remaining provisions of this Agreement shall not be affected by such modification.

23.11 **Notices.** All notices required to be given under this Agreement shall be given in writing, by certified mail, return receipt requested, or by any delivery service providing documentation of receipt, at the address set forth in the first paragraph of this Agreement if to Franchisor, or in Section 23.14 if to Franchisee, or at the Franchised Location's address (after Franchisee's Restaurant has first opened for business), or at such other addresses as Franchisor or Franchisee may designate from time to time, and shall be deemed delivered (a) on the date shown on the return receipt or in the courier's records as the date of delivery or (b) on the date of first attempted delivery, if actual delivery cannot for any reason be made.

23.12 **Survival.** All of Franchisor's and Franchisee's (and its owners') obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effort subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire (including, without limitation, the post-termination restrictive covenant, dispute resolution and notice, and confidentiality provisions).

23.13 **Acknowledgment.** BEFORE SIGNING THIS AGREEMENT, FRANCHISEE SHOULD READ IT CAREFULLY WITH THE ASSISTANCE OF LEGAL COUNSEL. FRANCHISEE ACKNOWLEDGES THAT:

(C) NO STATEMENT, REPRESENTATION, OR OTHER ACT, EVENT, OR COMMUNICATION, EXCEPT AS SET FORTH IN THIS DOCUMENT AND IN ANY OFFERING CIRCULAR SUPPLIED TO FRANCHISEE, IS BINDING ON FRANCHISOR IN CONNECTION WITH THE SUBJECT MATTER OF THIS AGREEMENT.

GUARANTY AND ASSUMPTION OF FRANCHISEE'S OBLIGATIONS

In consideration of, and as an inducement to, the execution of the above Franchise Agreement (the "**Agreement**") by Quizno's Franchising II LLC ("**Franchisor**"), each of the undersigned hereby personally and unconditionally:

- (a) Guarantees to Franchisor and its successors and assigns, for the term of this Agreement, including renewals, that Franchisee as that term is defined in the Agreement ("**Franchisee**") shall punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement and any renewals thereof; and
- (b) Agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement (and any renewals thereof), including, but not limited to, those specifically identified below.

Each of the undersigned waives the following:

1. Acceptance and notice of acceptance by Franchisor of the foregoing undertaking;
2. Notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed;
3. Protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; and
4. Any right he or she may have to require that any action be brought against Franchisee or any other person as a condition of liability.

Each of the undersigned consents and agrees that:

1. His or her direct and immediate liability under this guaranty shall be joint and several;
2. He or she shall render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so;
3. Such liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person;
4. Such liability shall not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guaranty, which shall be continuing and irrevocable during the term of the Agreement, including renewals thereof;

5. He or she shall be bound by the restrictive covenants, confidentiality provisions, and indemnification provisions contained in the Agreement; and
6. The provisions contained in Section 21, and the costs and attorneys' fees provision contained in Section 23.6, of the Agreement shall govern this Guaranty and any disputes between Guarantor and Franchisor, and such provisions are incorporated into this Guaranty by this reference.

QUIZNO'S FRANCHISING II LLC

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies

Quizno's Franchising II LLC (the "Company") was formed on October 28, 2004 in the state of Delaware and is wholly owned by QFA Royalties LLC ("QFA"). The Company commenced operations on February 9, 2005. The Company is primarily engaged in the business of soliciting and entering into QUIZNOS restaurant franchise agreements and area marketing agreements, as well as monitoring the activities of these franchisees and area directors and enforcing its rights and ensuring the performance of obligations under the relevant agreements. The Company is also an area director under area marketing agreements it owns.

The Company is a limited liability company and an affiliate through common ownership of various entities as defined within the transaction structure detailed in the Private Placement Memorandum dated February 4, 2005 for the Offering, as defined in Note 3, including Quizno's Franchising LLC, The Quizno's Franchise Company LLC, TQSC LLC ("TQSC"), The Quizno's Master LLC, QZ Finance LLC, QIP Holder LLC, and QFA. QZ Finance LLC is wholly-owned by three affiliates and is the sole owner of QIP Holder LLC, which in turn is the sole owner of QFA and its subsidiary, the Company. QZ Finance LLC, QIP Holder LLC, QFA and the Company were created to effect the Offering, as defined in Note 3, completed in February 2005. Each of these companies is a separate entity from their respective parents. All of the assets owned by each of these four companies are subject to the claims of creditors who may have received interests in their respective assets.

The following table summarizes the number of QUIZNOS restaurants of the Company at December 31, 2005:

	Sold But Not <u>Yet Open</u>	<u>Open</u>	<u>Total</u>
Franchise restaurants – U.S. and Puerto Rico	978	405	1,383

In addition, at December 31, 2005, QFA had 2,094 sold but not yet open and 3,795 open restaurants.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As of the balance sheet date, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits.

Restricted Cash

The Company had restricted cash of \$774,230 at December 31, 2005. Restricted cash consists of \$576,441 of cash held in an escrow account for certain fees and \$197,789 of cash reserved for a contractual sublicense fee payable to QFA.

Concentrations of Credit Risk

The Company grants credit in the normal course of business, primarily consisting of royalty fees receivable. To reduce the Company's credit risk associated with U.S. and Puerto Rico franchises, the Company electronically debits the franchisees' bank accounts weekly for fees due to the Company as allowed under most franchise agreements. In addition, the Company reserves the right to terminate franchise agreements for non-payment of amounts owed. The Company periodically performs credit analyses and monitors the financial condition of its major customers to reduce credit risk.

QUIZNO'S FRANCHISING II LLC

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Accounts and Royalties Receivable

At the time the accounts and royalties receivable are originated, the Company considers an allowance for doubtful accounts. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover losses. The allowance is management's best estimate of uncollectible amounts and is determined based on historical performance that is tracked by the Company on an ongoing basis. The losses ultimately incurred could differ materially in the near term from the amounts estimated in determining the allowance.

Investment in Area Marketing Agreements

The costs associated with area director territories contributed are allocated at the time of purchase to the existing franchise agreements and agreements sold but not yet open in the area director territory. The acquisition and termination costs are expensed on a straight-line basis over the remaining term of the individual underlying franchise agreements. Franchise agreements typically have a term of 15 years. If the franchise closes, the remaining unamortized balance related to that specific unit is expensed in the current period.

Deferred Franchise Costs

The Company has a servicing agreement with TQSC who services the Company's pre-opening obligations under the franchise agreements. Under this agreement, TQSC performs all pre-opening obligations and conditions required to be performed by the Company under the Company's franchise agreements and receives from the Company a fee equal to 96 percent of the initial franchise fee. The costs paid to TQSC are deferred and expensed at the time the related initial franchise fee is recognized as revenue, which is generally when the franchise commences operations. The Company also has a servicing agreement for post-opening services with TQSC as well as a license agreement with QFA as discussed in Note 3.

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Company looks primarily to undiscounted future cash flows in its assessment of whether or not long-lived assets have been impaired.

Revenue Recognition

Commissions

The sales, opening, transfer and royalty commissions received by the Company related to the area marketing agreements contributed by QFA (see Note 2) are recognized as income when earned.

Royalties

Pursuant to the various franchise agreements, U.S. and Puerto Rico franchisees are required to pay the Company royalties based on a percentage of sales ranging from 4.5 percent (for certain non-traditional locations) to 7 percent (for standard franchises). Royalties are accrued based on a percentage of gross sales less discounts, as reported by franchisees, and are included in Accounts and royalties receivable.

QUIZNO'S FRANCHISING II LLC

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Revenue Recognition (continued)

Deferred Initial Franchise Fees

Initial franchise fees collected by the Company are recognized as revenue when all material services and conditions required to be performed by the Company have been substantially completed, which is generally when the restaurant commences operations. Initial franchise fees collected by the Company before all material services and conditions are substantially performed are recorded as Deferred initial franchise fees. These franchise fees are non-refundable (see Note 3).

The Company believes it is probable that substantially all of the deferred initial franchise fees will be realized. However, the amount of the deferred initial franchise fees considered realizable in the near term could be reduced if estimates of future franchise openings are reduced.

Income Taxes

The Company is disregarded for income tax purposes. Accordingly, taxable income and losses of the Company are reported on the income tax returns of the Company's member and no provision for federal or state income taxes have been recorded on the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Investment in Area Marketing Agreements

In February 2005 and October 2005, QFA contributed certain area marketing agreements with a net book value of approximately \$10,171,000 and \$4,415,000, respectively, to the Company.

Unamortized balances related to area marketing agreements consist of the following at December 31, 2005:

San Diego	\$ 4,414,819
Houston	3,933,833
North Carolina	2,438,977
St. Louis, Missouri	1,335,939
Colorado	1,114,890
Other area marketing agreements	<u>1,347,628</u>
	14,586,086
Less: accumulated amortization	<u>(1,190,601)</u>
	<u>\$ 13,395,485</u>

Amortization expense for the year ended December 31, 2005 was \$1.2 million. Estimated amortization expense for each of the five years beginning in 2006 is expected to be a minimum of approximately \$1.4 million.

QUIZNO'S FRANCHISING II LLC

Notes to Financial Statements

Note 3 - Intercompany Agreements

On February 9, 2005, QFA issued \$250.0 million of 7.3 percent fixed rate notes due February 20, 2025 (the "Offering") that carry an investment grade rating from a nationally recognized credit rating service. QFA currently projects that the payoff will occur in February 2012 (see Note 5). A portion of the proceeds from the Offering were used to license intellectual property for the benefit of the Company. As a result of the Offering, the Company is required to remit/receive certain funds to/from QFA and other affiliates under various servicing agreements, including a Products Provider Agreement, a Post-Opening Franchisor Servicing Agreement and a Franchisor IP Sublicense Agreement with QFA and a Pre-Opening Franchise Servicing Agreement with TQSC.

Under the Products Provider Agreement, the Company granted QFA the right to select the suppliers of products and services to the Company's franchisees.

Under the Franchisor IP Sublicense Agreement, the Company received the rights from QFA to exploit the Quizno's U.S. and Puerto Rico intellectual property rights ("Quiznos IP"), owned by QIP Holder LLC and licensed by QFA.

Under the Pre-Opening Franchise Servicing Agreement, TQSC acts as the Company's sales agent, evaluates and approves franchise candidates, and assists the Company with certain pre-opening obligations such as approving restaurant sites, providing specifications for restaurant build-out and design, and providing initial training to franchisees.

Under the Post-Opening Franchisor Servicing Agreement, QFA is obligated to assist the Company's franchisees operating in the United States and Puerto Rico implement quality assurance programs, provide ongoing training to franchisees, support development of new products and increase brand awareness, and otherwise fulfill the Company's post-opening obligations under the franchise agreements. QFA has delegated all of its rights, powers, duties and obligations under the Post-Opening Franchisor Servicing Agreement to TQSC and TQSC has accepted such rights, powers, duties and obligations.

The Company received revenue in 2005 from affiliates under the following servicing agreements:

Product License Fee

The Company receives a weekly fee from QFA of 1.25 percent of gross sales, less discounts, from all sales made by the Company's franchisees. This fee is paid pursuant to a Products Provider Agreement. For the year ended December 31, 2005, Product license fees were \$456,675.

Sales, Opening, Transfer and Royalty Commissions

As an area director for the area marketing agreements contributed by QFA in 2005 (see Note 2), the Company receives opening, sales and transfer commissions related to the stores sold, opened and transferred in these markets. Sales and opening commissions are each 25 percent of the initial franchise fee collected. Transfer fees are generally 50 percent of the then current initial franchise fee. The Company also receives a royalty commission of 40 percent of the royalty collected from each franchise in these markets. The sales, opening and transfer commissions are paid to the Company by TQSC pursuant to a Pre-Opening Franchise Servicing Agreement and the royalty commissions are paid to the Company by QFA as required under the area marketing agreements. For the year ended December 31, 2005, sales, opening and transfer commissions were \$1,230,625 and royalty commissions were \$4,226,739.

The Company incurred expenses in 2005 to affiliates under the following servicing agreements:

QUIZNO'S FRANCHISING II LLC

Notes to Financial Statements

Note 3 - Intercompany Agreements (continued)

Sublicensing Expense

In exchange for providing support services to the Company under the Franchisor IP Sublicense Agreement, QFA is entitled to receive a weekly fee equal to 61.4 percent of all amounts paid by the Company's franchisees for royalties, transfer fees, renewal fees, late fees, interest on late fees and damages for breach, indemnities and insurance recoveries due under the franchise agreement. For the year ended December 31, 2005, Sublicensing expense was \$1,683,155.

Pre-Opening Servicing Expense

In exchange for providing support services to the Company under the Pre-Opening Franchisor Servicing Agreement, TQSC is entitled to receive a weekly fee equal to 96 percent of the total initial franchise fees received by the Company on executed franchise agreements. For the year ended December 31, 2005, Pre-opening servicing fees paid to TQSC were \$20,874,000.

The Company defers these costs and recognizes the expense, along with the deferred initial franchise fee revenue, when all material services and conditions required by the Company have been substantially completed, which is generally when the restaurant commences operations. For the year ended December 31, 2005, Pre-opening servicing expense was \$2,483,760.

Commissions Expense

In exchange for providing support services to the Company under the Pre-Opening Franchisor Servicing Agreement, TQSC is entitled to receive a weekly fee equal to 90 percent of all royalty commissions received from QFA under the area marketing agreements detailed in Note 2. Post-Opening Operations Expense

In exchange for providing the Company with the use of the Quiznos IP under the Post-Opening Franchisor Servicing Agreement, QFA is entitled to receive a weekly fee equal to 35.7 percent of all amounts paid by the Company's franchisees for royalties, transfer fees, renewal fees, late fees, interest on late fees and damages for breach, indemnities and insurance recoveries due under the franchise agreement and all amounts paid by the Company's franchisees for bookkeeping fees under the franchise agreement. For the year ended December 31, 2005, Post-opening operations expense was \$1,307,711.

Note 4 – Commitments and Contingencies

Litigation

In the normal course of business, the Company is party to litigation from time to time with current and prior franchisees. The Company maintains insurance to cover certain actions and believes that resolution of such litigation will not have a material adverse effect on the Company.

Note 5 – Subsequent Events

In March 2006, QCE LLC, an affiliate of the Company, announced that JPMorgan Partners, a private equity affiliate of JPMorgan Chase & Co., had entered into a definitive agreement under which JPMorgan Partners will become a significant ownership partner in QCE LLC. Upon closing of the transaction, the debt of QFA will be repaid through a capital contribution from its parent. Had this deal closed as of December 31, 2005 and the capital contribution taken place at that time, QFA and its subsidiary would have had net worth of approximately \$90,000,000.

DISCLOSURE ACKNOWLEDGMENT STATEMENT

QUIZNO'S FRANCHISING II LLC ("Franchisor"), through the use of this document, desires to ascertain (a) that the undersigned, individually and as a representative of any legal entity established to acquire the franchise rights ("Franchisee"), fully understands and comprehends that the purchase of a QUIZNOS Restaurant franchise is a business decision, complete with its associated risks, and (b) that Franchisee is not relying upon any oral statement, representations, promises or assurances during the negotiations for the purchase of the franchise which have not been authorized by the Franchisor. In that regard, the undersigned acknowledges that:

1. The Franchisee recognizes and understands that business risks, which exist in connection with the purchase of any business, make the success or failure of the franchise subject to many variables, including, among other things, the skills and abilities of the Franchisee, the hours worked by the Franchisee, competition, interest rates, the economy, inflation, Restaurant location, operation costs, lease terms and costs and the market place. The Franchisee hereby acknowledges its awareness of and willingness to undertake these business risks.

2. The Franchisee acknowledges receipt of the Franchisor's Uniform Franchise Offering Circular and Exhibits (collectively, the "UFOC"). The Franchisee acknowledges that it has had the opportunity to personally and carefully review these documents. Furthermore, the Franchisee has been advised to seek professional assistance, to have professionals review the documents and to consult with other franchisees regarding the risks associated with the purchase of the franchise.

3. The Franchisee acknowledges that it received the execution copy of the Franchise Agreement and related documents at least 5 business days before it executed such documents.

4. The Franchisee agrees and states that the decision to enter into this business risk is in no manner predicated upon any oral representations, assurances, warranties, guarantees or promises made by the Franchisor or any of its officers, employees or agents (including any franchise broker) as to the likelihood of success of the franchise. Except as contained in the Franchisor's UFOC, the Franchisee acknowledges that it has not received any information from the Franchisor or any of its officers, employees or agents (including any franchise broker) concerning actual, average, projected or forecasted franchise sales, profits or earnings. If the Franchisee believes that it has received any information concerning actual, average, projected or forecasted franchise sales, profits or earnings other than those contained in the UFOC, please describe these in the space provided below or write "None."

The Franchisee further acknowledges that the President of the United States of America has issued Executive Order 13224 (the "Executive Order") prohibiting transactions with terrorists and terrorist organizations and that the United States government has adopted, and in the future may adopt, other anti-terrorism measures (the "Anti-Terrorism Measures"). The Franchisor therefore requires certain certifications that the parties with whom it deals are not directly or indirectly involved in terrorism. For that reason, the Franchisee hereby certifies that neither it nor any of its employees, agents, or representatives, nor any other person or entity associated with the Franchisee, is:

- (a) a person or entity listed in the Annex to the Executive Order;
- (b) a person or entity otherwise determined by the Executive Order to have committed acts of terrorism or to pose a significant risk of committing acts of terrorism;
- (c) a person or entity who assists, sponsors, or supports terrorists or acts of terrorism; or
- (d) owned or controlled by terrorists or sponsors of terrorism.

The Franchisee further covenants that neither it nor any of its employees, agents, or representatives, nor any other person or entity associated with the Franchisee, will during the term of the Franchise Agreement become a person or entity described above or otherwise become a target of any Anti-Terrorism Measure.

1. Section 21.1 of the Franchise Agreement is deleted in its entirety, and the following is substituted in its place:

21.1 **Governing Law/Arbitration/Consent to Venue and Jurisdiction.** Except to the extent governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.), the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), or other federal law, this Agreement shall be interpreted under the laws of the State of Colorado, and any dispute between the parties, whether arising under this Agreement or from any other aspect of the parties' relationship, shall be governed by and determined in accordance with the substantive laws of the State of Colorado, which laws shall prevail in the event of any conflict of law.

Franchisor and Franchisee agree that, except for controversies, disputes, or claims related to or based on Franchisee's use of the Marks, all controversies, disputes, or claims between Franchisor (and its affiliates, and Franchisor's and its affiliates' respective shareholders, members, officers, directors, agents, and/or employees) and Franchisee (and/or its owners, guarantors, affiliates, and/or employees) arising out of or related to:

- i. this Agreement or any other agreement between Franchisor (and/or its affiliates) and Franchisee;
- ii. Franchisor's relationship with Franchisee;
- iii. the validity of this Agreement or any other agreement between Franchisor (and/or its affiliates) and Franchisee; or
- iv. any standard or specification relating to the Restaurant's establishment or operation;

must be submitted for binding arbitration to the Denver, Colorado office of the American Arbitration Association. The arbitration proceedings will be conducted in Denver, Colorado by one arbitrator and, except as this Section otherwise provides, according to the then current commercial arbitration rules of the American Arbitration Association. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.). Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

Franchisor and Franchisee agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. Franchisor and Franchisee further agree that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Franchisor or Franchisee.

Franchisor and Franchisee agree that arbitration will be conducted on an individual, not a class-wide, basis, and that an arbitration proceeding between Franchisor (and its affiliates, and Franchisor's and its affiliates' respective shareholders, officers, directors, agents, and/or employees) and Franchisee (and/or its owners, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between Franchisor and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between Franchisor and Franchisee.

Despite this agreement to arbitrate, Franchisor and Franchisee each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that Franchisor and Franchisee must contemporaneously submit their dispute for arbitration on the merits as provided in this Section.

Subject to the parties' obligation to arbitrate as provided in this Section, the parties agree that the exclusive venue for disputes between them shall be in the District Court for the City and County of Denver, Colorado, or the United States District Court for the District of Colorado, and each party waives any objection it might have to the personal jurisdiction of or venue in such courts.

The provisions of this Section are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

2. The Guaranty and Assumption of Franchisee's Obligations attached to the Franchise Agreement is hereby deleted and replaced with the Guaranty and Assumption of Franchisee's Obligations attached hereto.

IN WITNESS WHEREOF, the parties have executed this Rider as of the Effective Date shown on the first page hereof.

**EXHIBIT J
(TO FRANCHISE OFFERING CIRCULAR)**

**ADDENDUM TO FRANCHISE AGREEMENT FOR
NON-TRADITIONAL RESTAURANT**

**ADDENDUM TO FRANCHISE AGREEMENT
FOR A NON-TRADITIONAL RESTAURANT**

THIS ADDENDUM to the Franchise Agreement ("**Agreement**") is made on _____, 20__ between Quizno's Franchising II LLC ("**Franchisor**") and _____ ("**Franchisee**"). The following amends and shall be incorporated into the Agreement. In the event of any conflict between the terms of the Agreement and the terms of this Addendum, the terms of this Addendum shall control. All capitalized terms not defined in this Addendum have the respective meanings set forth in the Agreement. Franchisor and Franchisee agree as follows:

1. **Non-Traditional Restaurant.** All references in the Agreement to the "**Restaurant,**" as defined in Section 1.1 of the Agreement, are deleted and the reference "**Non-Traditional Restaurant**" is inserted in their place. Except as otherwise noted in this Addendum or the Agreement, all applicable terms, conditions, and requirements set forth in the Agreement applicable to the Restaurants apply to the Non-Traditional Restaurants. Franchisor's approval of the development and operation of a Non-Traditional Restaurant, as required pursuant to Section 3.3 of the Agreement, is hereby granted. The terms of the Agreement and of this Addendum apply only to the Non-Traditional Restaurant operations and products offered or sold from or through the Non-Traditional Restaurant and not to the other business of Franchisee located in the Host Facility (defined below) except as specifically set forth in this Addendum.

2. **Franchised Location.** Franchisee intends to propose a site for the Franchised Location, in accordance with Section 2.1 of the Agreement, which is in a non-traditional venue, as contemplated by Section 3.3 of the Agreement. It is the intention of the parties that the Franchised Location will be located at or within a host facility (also referred to as the "**Host Facility**"), information about which shall be included in the information submitted by Franchisee pursuant to Section 3.1 of the Agreement.

Franchisee acknowledges and agrees that, if Franchisor approves the Host Facility and Franchised Location, it has 12 months from the Effective Date of the Agreement within which to perform all pre-opening obligations prescribed under the Agreement and to commence operation of the Non-Traditional Restaurant. If Franchisee does not commence operation of the Non-Traditional Restaurant by the end of such 12-month period, and Franchisor determines, in its sole discretion, that Franchisee is making reasonable and continuing efforts to actively and diligently pursue opening of (and can reasonably be expected to open) the Non-Traditional Restaurant within 24 months from the Effective Date of the Agreement, Franchisor will extend the deadline to commence operation for another 12 months so long as Franchisee continues, during such period, to actively and diligently pursue the opening of the Non-Traditional Restaurant. Franchisee acknowledges and agrees that, unless Franchisor extends the deadline, Franchisor may terminate the Agreement any time after the expiration of the first 12-month period if Franchisee has not commenced operation of the Non-Traditional Restaurant. Franchisee further acknowledges and agrees that, if Franchisor extends the deadline and Franchisee fails, in Franchisor's sole discretion, to actively and diligently pursue the opening of the Non-Traditional Restaurant during such period, Franchisor may, upon notice, rescind the extension and terminate the Agreement. Franchisor also may terminate the Agreement upon the expiration of the 24-month period.

If, within 90 days following the Effective Date of the Agreement, Franchisor does not approve the Host Facility as the facility within which the Franchised Location will be located or Franchisee is denied the necessary governmental permits for the Franchised Location (and submits to Franchisor documentation evidencing such denial), either Franchisor or Franchisee may terminate the Agreement upon written notice to the other party. Upon such termination, Franchisor will refund the Initial Franchise Fee, less any direct out-of-pocket expenses incurred by Franchisor as of the effective date of termination; provided that Franchisor may require, as a condition precedent to such refund, Franchisee to sign a general release in a form satisfactory to Franchisor of all claims against Franchisor and its affiliates and their respective shareholders, members, officers, directors, employees, and agents arising out of or relating to the Agreement or the parties' relationship.

If the placement and operation of the Non-Traditional Restaurant in or in connection with the Host Facility require the consent of the owner, franchisor, or licensor of the Host Facility, Franchisee agrees to obtain such consent in writing (and provide a copy thereof to Franchisor), and Franchisee acknowledges and agrees that such consent is a condition precedent to the grant of Franchisee's right to establish and operate the Non-Traditional Restaurant.

3. **Beverages.** All fountain drinks sold in the Non-Traditional Restaurant shall be served in a QUIZNOS logo cup, and all such sales will be included in Gross Sales. Franchisee may have a separate fountain for the Non-Traditional Restaurant, or the Non-Traditional Restaurant may share a common self-service fountain with the rest of the Host Facility.

4. **Signs.** Section 6.6 of the Agreement is supplemented by adding the following:

Franchisee agrees to use best efforts to maximize the use of Franchisor's Marks on pre-existing and new signs placed at the Franchised Location and on the premises of the Host Facility. All signs and their placement configuration shall be approved by both Franchisee and Franchisor, which approval shall not be unreasonably withheld and shall be based on parameters which shall best maximize sign usage to the extent allowable under any landlord restrictions and any applicable local laws, zoning ordinances, and other similar requirements. Franchisor hereby approves all uses by Franchisee of the marks, symbols, names, and identifying marks of the Host Facility at the Franchised Location.

5. **Equipment.** Section 6.7 is deleted and replaced by the following:

Franchisee shall purchase or otherwise obtain for use in connection with the Non-Traditional Restaurant such equipment of a type and in an amount which complies with Franchisor's and its affiliates' standards and specifications and only from suppliers or other sources approved and/or designated by Franchisor and its affiliates. Franchisor and its affiliates may designate only one supplier for certain items, and Franchisor and/or its affiliates may be an approved or the designated supplier for certain items. Franchisee acknowledges that the type, quality, configuration, capability, and/or performance of the Restaurant's equipment are all standards and specifications which are a part of the Licensed Methods. Franchisee shall configure its computer cash register system in use in the Host Facility ("**System**") to accurately record every sale or other transaction.

Franchisee also must install and maintain a cash register terminal in the Non-Traditional Restaurant portion of the Host Facility. The point-of-sale system used at the Host Facility shall differentiate sales of the Non-Traditional Restaurant from sales of the rest of the Host Facility by the use of "price look up" ("**PLU**") or other keys that track and tally sales of the Non-Traditional Restaurant separately and shall report Non-Traditional Restaurant Gross Sales by item type. Franchisee shall submit any required reports in a format designated from time to time by Franchisor. Franchisee grants Franchisor and its affiliates reasonable access to its records only on the System and authorizes Franchisor and its affiliates to obtain its sales, sales mix, and revenue information from the System. Franchisee acknowledges that Franchisor and its affiliates will use information from required reports primarily to make business and marketing decisions.

6. **Training.** Section 7.1 of the Agreement is supplemented and amended by providing that, where the Franchisee has appointed a full-time Designated Manager who will attend the training programs and who will be directly responsible for the proper operation of the Restaurant, then a Managing Owner shall not be required to take and pass the competency tests or the training program. This waiver as to the Managing Owner shall apply only for as long as the Restaurant is under the direct supervision of a full-time Designated Manager who is employed by Franchisee and has successfully completed all required tests and training programs. In the event the Designated Manager leaves the employ of Franchisee or becomes no longer responsible for the operation of the Restaurant, then Franchisee must immediately hire or appoint an existing employee as a replacement Designated Manager who shall be a full-time employee and who shall successfully complete all required competency tests and training programs, failing which, the foregoing waiver with respect to a Managing Owner shall automatically and without notice be rescinded.

7. **Non-Traditional Restaurant Operations.** Section 11.1(d) of the Agreement is supplemented by adding the following:

Franchisor and Franchisee acknowledge and agree that the products and services offered for sale from the Non-Traditional Restaurant, and the standards and specifications of Franchisor and its affiliates, may differ from that of a traditional QUIZNOS Restaurant and will be subject to alternative standards and specifications developed and made available by Franchisor and its affiliates.

8. **Grand Opening.** Section 12.2 is amended to require Franchisee to spend a minimum of Three Thousand Dollars (\$3,000) for the grand opening program. All other terms of Section 12.2 remain the same.

9. **Restrictions on Services and Products.** The following is added at the end of Section 13.3:

Franchisee agrees that, during the term of the Agreement, it will not offer or sell any Sub-Sandwiches or any type of Branded Sandwich from or through the Host Facility other than from or through the Non-Traditional Restaurant. "**Sub-Sandwich**" is defined as a submarine, hoagie, hero-type, or deli-style sandwich. "**Branded Sandwich**" is defined as any sandwich marketed by a fast food franchisor or chain, whose primary menu items

consist of sandwiches, under a locally, regionally, or nationally known or registered trade name, trademark, or service mark. Except for Sub-Sandwich or Branded Sandwich products, Franchisee may sell other food products from or through the portion of the Host Facility that does not comprise the Non-Traditional Restaurant.

10. **Financial Reports.** Franchisee will not be required to use the designated Service Provider as described in Section 15.1. The Bookkeeping Services may be performed by Franchisee internally or by a different third-party provider.

11. **Financial Records Use and Access.** The second sentence of Section 15.2 is deleted.

12. **Term.** Section 17.1 is deleted and replaced with the following:

The primary term of this Agreement is for a period of five (5) years from the Effective Date, unless sooner terminated.

13. **Renewal.** Section 17.2 is amended to provide that the term of Franchisee's option to renew is five (5) years. All other terms of Section 17.2 remain the same.

14. **Default and Termination.** The following new Section 18.2(r) is added:

(r) **Loss of Right to Operate Host Facility.** If Franchisee loses the right for whatever reason to operate the Host Facility.

15. **Right to Repurchase.** The first sentence of 18.6 is deleted and replaced with the following:

Upon termination or expiration of this Agreement for any reason, Franchisor shall have the option to purchase the assets used in the operation of the Non-Traditional Restaurant, or a portion of the assets, which option, however, shall not include the right to purchase any fixtures or real property interest.

Section 18.6(b) is deleted.

16. **Non-Competition During Term.** Sections 20.1(a) and 20.1(b) are hereby deleted. In addition, Section 20.1 is amended to provide that the term "**Competitive Business**" shall mean any business operating, or granting franchises or licenses to others to operate, a restaurant or other food service business deriving more than ten percent (10%) of its gross receipts, excluding gross receipts relating to the sale of alcoholic beverages, from the sale of Sub-Sandwiches (as defined above). The offer or sale of food products other than Sub-Sandwiches or Branded Sandwiches through or from the portion of the Host Facility that does not comprise the Non-Traditional Restaurant shall not be considered a Competitive Business.

17. **"Branded Business".** Section 20.2 is deleted.

18. **Post Termination Covenant Not to Compete.** Section 20.3 is deleted and replaced with the following:

For a period of two (2) years from the effective date of termination or expiration of this Agreement for any reason, or the date on which Franchisee and all other Bound Parties begin to comply with this Section, whichever is later, neither Franchisee nor its Bound Parties shall have any direct or indirect interest as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative, agent, or in any other capacity in any Branded Sandwich franchise or chain located within a five (5) mile radius of the Host Facility (including at the Host Facility) or within a five (5) mile radius of any other QUIZNOS Restaurant existing on the later of the effective date of termination or expiration of this Agreement or the date on which Franchisee and all other Bound Parties begin to comply with this Section. The restrictions of this Section shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent five percent (5%) or less of the number of shares of that class of securities issued and outstanding. Franchisee and the other Bound Parties expressly acknowledge that they possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section will not deprive them of their personal goodwill or ability to earn a living.

19. **Additional Remedies for a Breach**. Section 20.4's reference to Section 20.2 is deleted.

20. **Confidentiality of Proprietary Information**. The following is added to the end of Section 20.5:

Franchisee shall not use the Licensed Methods, including, without limitation, Franchisor's and its affiliates' recipes, materials, forms, menus, items, supplies, business forms, or business policies, as stated in the Operations Manual or otherwise, except for the benefit of Franchisor and its affiliates and in operation of the Franchisee's Non-Traditional Restaurant.

21. **Security Interest**. Section 22 is deleted.

IN WITNESS WHEREOF, the parties have executed this Addendum to Franchise Agreement as of the Effective Date.

d. **Financial Statements.** Seller will provide Franchisor with all required monthly financial statements for the Restaurant through the date of Closing;

e. **Training.** Buyer or Buyer's designated representative(s) shall have satisfactorily completed the initial training program as described in the Buyer Franchise Agreement prior to the Closing;

f. **Fee Deposit.** Upon execution of this Agreement, Seller agrees to deposit \$1,600 with Franchisor (“Fee Deposit”). Within 30 days following Closing, Franchisor will refund the Fee Deposit to Seller, less any amounts which may be due pursuant to Section 3(b);

g. **Right to Possession.** Buyer will provide satisfactory evidence to Franchisor that Buyer has the right to possession of the premises for the Restaurant by way of lease assignment (with all required landlord consents) or otherwise;

h. **Site Selection Assistance.** Buyer acknowledges and agrees that Franchisor has satisfied any and all obligations under the Buyer Franchise Agreement with respect to site selection and development assistance;

i. **Remodeling.** Seller and Buyer shall ensure that all of the items reflected on the Pre-Sale Inspection which is attached hereto have been completed;

j. **Assumption of Equipment Lease.** If the cash register system (“QPOS”) is currently leased by Seller from CLG Leasing LLC, Seller and Buyer shall enter into an assignment and assumption of lease agreement pursuant to which Buyer assumes the obligations of the lessee from and after the Closing;

- k. **Purchase Agreement.** The Purchase Agreement will not be amended and the terms of the transaction thereunder will not be changed except with the prior written consent of Franchisor;
- l. **Buyer Loans.** Buyer shall provide Franchisor with copies of all loan documents or loan commitments evidencing all debt taken on by Buyer in connection with the purchase of the Restaurant; and
- m. **Restaurant Possession.** Prior to Closing and changing possession of the Restaurant, Seller and Buyer shall obtain the written consent of Franchisor to change possession.
4. **Waiver of Right of First Refusal.** Franchisor hereby waives any right of first refusal to purchase the Interests as it may have pursuant to the Seller Franchise Agreement.
5. **Release of Franchisor.** Seller, the Seller Guarantors and Buyer, and each of them, for themselves and their affiliates, employees, officers, directors, successors, assigns, and other representatives, hereby fully and forever unconditionally release and discharge Franchisor, and its affiliates, parents, subsidiaries, area directors and agents and their respective employees, officers, directors, successors, assigns, guarantors and other representatives (the “Released Parties”), from any and all claims, demands, obligations, actions, liabilities and damages of every kind or nature whatsoever, in law or in equity, whether known or unknown to them, which they may have against the Released Parties as of the date of this Agreement, or which may thereafter be discovered, accrued, or sustained, in connection with, as a result of, or in any way arising from, any relations or transactions with the Released Parties, however characterized or described, including but not limited to, any claims arising from the Seller Franchise Agreement, the Buyer Franchise Agreement or the Purchase Agreement or the transactions described herein.

If the Restaurant is located in California or if either Buyer or Seller is a resident of California, the following shall apply:

Section 1542 Acknowledgment. It is the intention of Seller and Buyer in executing this Agreement that this instrument be and is a general release which shall be effective as a bar to each and every claim, demand or cause of action released by Seller and/or Buyer. Each of Seller and Buyer recognizes that he, she or it may have some claim, demand or cause of action against the Release Parties of which he, she, or it is totally unaware and unsuspecting, which he, she or it is giving up by executing this Agreement. It is the intention of each of Seller and Buyer in executing this instrument that it will deprive him, her or it of such claim, demand or cause of action and prevent him, her or it from asserting it against the Released Parties. In furtherance of this intention, Seller and Buyer expressly waive any rights or benefits conferred by the provisions of Section 1542 of the California Civil Code, which provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”

Each of Seller and Buyer acknowledges and represents that he, she, or it has consulted with legal counsel before executing this Agreement and that he, she, or it understands its meaning,

including the effect of Section 1542 of the California Civil Code, and expressly consents that this Agreement shall be given full force and effect according to each and all of its express terms and provisions, including, without limitation, those relating to the release of unknown and unsuspected claims, demands and causes of action.

6. **Termination of Seller Franchise Agreement and Guaranties.** Franchisor and Seller acknowledge and agree that, as of the date of Closing, upon the Transfer and upon compliance with the conditions set forth in Section 3 above, the Seller Franchise Agreement and the guaranties (if any) will automatically terminate and neither Seller nor Seller Guarantors shall have any further rights or obligations thereunder except that neither Seller nor any Seller Guarantor shall be released from:

- a. any obligations to pay money to Franchisor owed under either the Seller Franchise Agreement or the guaranty prior to Closing; or
- b. the provisions of the Seller Franchise Agreement that, either expressly or by their nature, survive termination of the Seller Franchise Agreement (including without limitation the post-termination restrictive covenants, dispute resolution and notice, and confidentiality provisions of the Seller Franchise Agreement).

7. **Acknowledgment.** Buyer and Seller acknowledge that although Franchisor or its affiliates, employees, officers, directors, successors, assigns, and other representatives may have been involved in Buyer's purchase of the Interests from Seller, Buyer and Seller have assumed sole and full responsibility for making the final decision to purchase and sell the Interests and each has consulted, or has had the opportunity to consult but, of its own accord, elected not to consult, with its own legal and financial advisors. Buyer further understands that as part of analyzing the purchase of the Interests from Seller, it is Buyer's responsibility to meet with or otherwise gather necessary information from the appropriate parties which may or may not affect Buyer's purchase of the Interests from Seller.

8. **Additional Documents.** Buyer and Seller agree to execute such additional documents as may be necessary to complete the Transfer as contemplated by the Purchase Agreement, the Seller Franchise Agreement and the Buyer Franchise Agreement.

9. **Miscellaneous Provisions.** This Agreement will be construed and enforced in accordance with, and governed by, the laws of the state of Colorado. This Agreement may not be modified or amended or any term hereof waived or discharged except in writing signed by the party against whom such amendment, modification, waiver or discharge is sought to be enforced. The headings of this Agreement are for convenience and reference only and will not limit or otherwise affect the meaning hereof. This Agreement may be executed in any number of counterparts and sent via facsimile, each of which will be deemed an original but all of which taken together will constitute one and the same instrument. All capitalized terms used, but not defined, herein shall have the meanings ascribed to them in the applicable franchise agreement.

10. **Non-Disparagement.** In consideration of the accommodations provided to Seller, the Seller Guarantors and Buyer and concessions made by Franchisor and its affiliates under this Agreement, Seller, the Seller Guarantors and Buyer agree not to, and to use their best efforts to cause their current and former shareholders, officers, directors principals, agents,

partners, employees, representatives, attorneys, spouses, and successors and assigns not to, disparage or otherwise speak or write negatively, directly or indirectly, of Franchisor or the Released Parties or their respective current and former agents, principals, officers, directors, shareholders, members, employees, franchisees, representatives, area directors, attorneys, parents, predecessors, affiliates, subsidiaries divisions, and successors and assigns, the Quiznos Sub brand, the Quiznos Sub system, or any other service-marked or trademarked concept of Franchisor, or which would subject the Quiznos Sub brand to ridicule, scandal, reproach, scorn, or indignity or which would negatively impact the goodwill of Franchisor or its brand.

EQUIPMENT LEASE AGREEMENT

EQUIPMENT LEASE AGREEMENT

This Lease Agreement (“Lease”) is made and entered into this ____ day of _____, 20__ by and between QFH LLC and certain of its affiliates (“Lessor”) and _____ (“Lessee”).

RECITALS

1. Lessee is a franchisee of Quizno’s Franchising II LLC, an affiliate of QFH LLC, and is operating, or will operate, during the term of this Lease, a Quiznos Sub restaurant (“Restaurant”).

2. Lessor is the owner of certain beverage dispensing equipment, including fountain equipment for dispensing carbonated beverages (“Fountain Equipment”) and bubbler equipment for dispensing fruit drinks (“Bubbler”) (the Fountain Equipment and Bubbler Equipment together referred to in this Lease as the “Beverage Equipment”).

3. Lessor and Lessee have agreed that Lessor will lease to Lessee, at no cost to Lessee (other than as set forth in this Lease), the Beverage Equipment, subject to the terms and conditions contained in this Lease.

AGREEMENT

1. Lessor hereby leases to Lessee and Lessee hereby leases from Lessor the Beverage Equipment, including any attachments, replacement parts, substitutions, additions, repairs or accessories now or hereafter affixed to the Beverage Equipment, upon the terms and conditions set forth in this Lease. All terms and conditions of this Lease shall govern the rights and obligations of Lessor and Lessee with respect to the Beverage Equipment, except as specifically modified in a writing signed by an authorized representative of Lessor.

2. Lessee agrees that it or its designated representative(s) shall sign for delivery of the Beverage Equipment and that such signature shall be deemed to be Lessee’s acceptance of the Beverage Equipment and acknowledgment that Lessee is satisfied that the Beverage Equipment is satisfactory in every respect. This lease shall automatically extend to any attachments, replacement parts, substitutions, additions, repairs or accessories now or hereafter affixed to the Beverage Equipment. The Beverage Equipment may be used solely in the operation of the Restaurant during the term and in accordance with the provisions of the applicable franchise agreement between Quizno’s Franchising II LLC and Lessee for the Restaurant (the “Franchise Agreement”).

3. Lessee acknowledges and agrees that the Beverage Equipment is being leased to Lessee at no cost to Lessee and that Lessee shall not have title to, or any other ownership rights with respect to, the Beverage Equipment, except that Lessee shall be obligated to pay any property, sales and use tax on the Beverage Equipment at such time as Lessor designates. So long as Lessee remains a franchisee of Quizno’s Franchising II LLC, uses the beverage products designated by Lessor, and is in compliance with the terms of the Franchise Agreement, Lessee

may use the Beverage Equipment at the Restaurant at no cost. Lessee shall not move the Beverage Equipment from the premises of the Restaurant.

4. Upon expiration or termination of the Franchise Agreement for any reason, Lessee shall immediately return to Lessor (or its designated affiliate), at Lessee's sole expense, the Beverage Equipment.

5. Lessee hereby accepts the Beverage Equipment "as is, where is" and without any warranty of any kind from Lessor. Lessor hereby disclaims any warranties with respect to the Beverage Equipment, whether express or implied, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.

6. LESSEE SHALL USE THE BEVERAGE EQUIPMENT FOR BUSINESS PURPOSES AND NOT FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES. THIS LEASE IS GOVERNED BY THE LAWS OF THE STATE OF COLORADO AND JURISDICTION AND VENUE SHALL BE WITH THE FEDERAL COURTS OF COLORADO AND STATE COURTS SITTING IN DENVER, COLORADO. THIS LEASE WILL NOT BE BINDING UNTIL LESSOR SIGNS BELOW.

**EXHIBIT N
(TO FRANCHISE OFFERING CIRCULAR)**

| **FIRST ADDENDUM TO FRANCHISE AGREEMENT**

**FIRST ADDENDUM TO FRANCHISE AGREEMENT
(ATT)**

THIS FIRST ADDENDUM TO FRANCHISE AGREEMENT (this "Addendum") is made by and between **QUIZNO'S FRANCHISING II LLC** ("Franchisor") and _____ ("Franchisee"), and is intended to be effective on the same date as and to amend certain provisions of that certain Franchise Agreement, dated _____, between Franchisor and Franchisee (the "Agreement"). In the event of any conflict between the terms of the Agreement and the terms of this Addendum, the terms of this Addendum shall control. All capitalized terms not otherwise defined in this Addendum shall have their respective meanings set forth in the Agreement.

1. The parties acknowledge that, as of the time of signing the Agreement, the Franchised Location might not have yet been identified by Franchisee. However, the parties further acknowledge and agree that Franchisee's intention in signing the Agreement is to acquire, through purchase from an existing franchisee, an existing operating QUIZNO'S Restaurant (a "Transfer Store") and that the rights granted under the Agreement shall apply solely to a Transfer Store. Franchisee shall not be entitled under the Agreement to develop or operate a new QUIZNO'S Restaurant.

2. In addition to the rights of the parties under Section 18 of the Agreement, either party may, at any time prior to Franchisee's acquisition of a Transfer Store, terminate this Agreement, without cause. Termination under this paragraph shall be effective upon 10 days' notice to the other party. All other obligations which flow from the termination, including without limitation those set forth in Sections 18 and 20 of the Agreement, shall be applicable.

3. Section 4.1 of the Agreement is amended to provide that a portion of the Initial Franchise Fee shall be refundable in the event of a termination of the Agreement as described in paragraph 4(a) below.

4. The Initial Franchise Fee shall be **\$12,500.00** and shall be paid in the following manner:

a. Five Hundred and 00/100 Dollars (\$500.00) shall be paid upon Franchisee's execution of the Agreement and this Addendum. In the event the Agreement is terminated without cause by either party pursuant to paragraph 2 above, Franchisor shall refund this amount to Franchisee within 14 days after the termination is effective, and no further portion of the Initial Franchise Fee shall be due; and

b. Twelve Thousand and 00/100 Dollars (\$12,000.00) (the "Initial Franchise Fee Balance") shall be paid at the time Franchisor executes the Consent to Transfer authorizing the Franchisee to acquire the Transfer Store (subject to any deferral or waiver permitted pursuant to the paragraph immediately below).

Franchisor reserves the right, in its sole and absolute discretion, to defer or waive payment of the Initial Franchise Fee Balance. Franchisor may consider a variety of factors when permitting a deferral or waiver of the payment, such factors may include, but not be limited to, operational improvements, improvements in revenue and profit, and compliance with applicable standards.

The amount and duration of any payment waiver or deferral shall be subject to Franchisor's sole and absolute discretion.

5. The parties acknowledge that the Franchised Location, once identified, will be an existing QUIZNO'S Restaurant and that, therefore, Sections 6.1 through 6.7 of the Agreement are hereby deleted in their entirety. Franchisee and Franchisor agree that Franchisee will not be obligated to remodel any portion of the Restaurant or upgrade equipment upon Franchisee's purchase of the Transfer Store provided that the equipment in the Restaurant is complete, is functional and allows for the preparation of menu items in accordance with Franchisor's specifications.

6. Section 12.2 of the Agreement, requiring expenditures on a grand opening program, is hereby amended to require Franchisee to spend a minimum of Three Thousand Six Hundred Fifty Dollars (\$3,650) for the grand opening program. All other terms of Section 12.2 remain the same

7. Section 16 of the Agreement is supplemented and amended by adding a new section at the end as follows:

16.7 Transfer by Individual to Legal Entity. If the Franchisee is an individual (or more than one individual), Franchisee may, at its option, make one transfer of this Agreement to a legal entity in which Franchisee owns (or, if Franchisee is more than one individual, all such individuals collectively own) at least 75% of all equity interests in such legal entity. The proposed transfer shall be subject to Franchisor's rules for transfers as they exist at the time of the proposed transfer; provided, however, that there shall not be a transfer fee assessed in connection therewith.

8. Except as reasonably necessary to perform Franchisee's obligations or exercise or enforce Franchisee's rights hereunder and under the Agreement, Franchisee shall not provide or disclose to any third party, or use, unless authorized in writing to do so by Franchisor or properly directed or ordered to do so by public authority, any information or matter that constitutes or concerns the terms and conditions of this Addendum or that regards any dealings or negotiations with Franchisee related to this Addendum.
